

The background of the book cover is a dark, textured collage of various microscopic organisms. In the upper left, there are green, leaf-like structures with circular patterns. Below them are several spherical, textured organisms in shades of brown and purple. On the right side, there are two large, detailed illustrations of viruses or bacteriophages, showing their complex internal structures and outer capsids. A vertical, shimmering, silver-like band runs down the center of the cover.
