Metro A Story Of Cairo:

Metro: A Story of Cairo Magdy El Shafee, 2012-06-05 Depicting the financial and social insecurity afflicting young people in modern Cairo Metro was the first adult graphic novel published and subsequently banned in Egypt just three years before the Arab Spring In art as pulsing and immediate as Cairo itself Magdy El Shafee delivers a prescient portrait of a crumbling society and Egypt's coming eruption A powerful story of young men with nothing left to lose Metro sounds the cry for a better freer future When Shehab a young software designer runs afoul of a loan shark all avenues of escape in Mubarak's corrupt chaotic Egypt seem to be closed to him Getting help from the bank is impossible without connections and Shehab's uncle abroad wants nothing to do with his troubles A powerful businessman offers assistance but the next day Shehab sees him being stabbed in an alley and the man's dying words suggest a conspiracy extending to the upper reaches of the regime Angry and broke Shehab enlists his friend Mustafa in a bank heist and falls into a vortex of financial and political corruption On the run with a case full of money and evidence of murder the two careen through Cairo's metro system evading the police and the thugs who are out in force to crush antigovernment protests The only allies who can help get them out of this mess the friends realize are a blind shoe shine man and a muckraking journalist *Laugh like an Egyptian* Cristina

Dozio, 2021-09-20 Egyptians are known among the Arabs as *awl d al nukta* Sons of the Jokes for their ability to laugh in face of adversity This creative weapon has been directed against socio political targets both in times of oppression and popular upheaval such as the 2011 Tahrir Revolution This book looks at the literary expression of Egyptian humour in the novels of Mu ammad Mustaj b Khayr Shalab and amd Ab Julayyil three writers who revive the comic tradition to innovate the language of contemporary fiction Their modern tricksters wise fools and antiheroes play with the stereotypical traits attached to the ordinary Egyptians while laughing at the universal contradictions of life This ability to combine local and global culture literary traditions and popular references makes them a stimulating read in an intercultural perspective Combining humour studies and literary criticism this book examines language play and narrative creativity to understand which strategies craft Egyptian literary humour In doing so it sheds light on the contribution of humour to literary innovations of Egyptian fiction since the late Seventies while adding new writers to those who are considered the masters of humour in the Arab novel

The Routledge Companion to Literary Urban Studies Lieven Ameel, 2022-08-10 Over the past decades the growing interest in the study of literature of the city has led to the development of literary urban studies as a discipline in its own right The Routledge Companion to Literary Urban Studies provides a methodical overview of the fundamentals of this developing discipline and a detailed outline of new directions in the field It consists of 33 newly commissioned chapters that provide an outline of contemporary literary urban studies The Companion covers all of the main theoretical approaches as well as key literary genres with case studies covering a range of different geographical cultural and historical settings The final chapters provide a window into new debates in the field The three focal issues are key concepts and genres of literary

urban studies a reassessment and critique of classical urban studies theories and the canon of literary capitals and methods for the analysis of cities in literature The Routledge Companion to Literary Urban Studies provides the reader with practical insights into the methods and approaches that can be applied to the city in literature and serves as an important reference work for upper level students and researchers working on city literature Chapter 15 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license available at <http://www.taylorfrancis.com>

Urban Comics Dominic Davies, 2019-02-21 *Urban Comics Infrastructure and the Global City in Contemporary Graphic Narratives* makes an important and timely contribution both to comics studies and urban studies offering a decolonisation and reconfiguration of both of these already interdisciplinary fields With chapter length discussions of comics from cities such as Cairo Cape Town New Orleans Delhi and Beirut this book shows how artistic collectives and urban social movements working across the global South are producing some of the most exciting and formally innovative graphic narratives of the contemporary moment Throughout the author reads an expansive range of graphic narratives through the vocabulary of urban studies to argue that these formal innovations should be thought of as a kind of infrastructure This infrastructural form allows urban comics to reveal that the built environments of our cities are not static banal or depoliticised but rather highly charged material spaces that allow some forms of social life to exist while also prohibiting others Built from a formal infrastructure of grids gutters and panels and capable of volumetric multi scalar perspectives this book shows how urban comics are able to represent repair and even rebuild contemporary global cities toward more socially just and sustainable ends Operating at the intersection of comics studies and urban studies and offering large global surveys alongside close textual and visual analyses this book explores and opens up the fascinating relationship between comics and graphic narratives on the one hand and cities and urban spaces on the other
