About Criminals Mark Pogrebin,2011-12-09 This book presents students with recent and important research on criminal behavior The articles in this anthology all based on actual field studies provide the reader with a realistic portrayal of what actual offenders say about crime and their participation in it The offenders voices along with the researchers analyses offer students a real life view of what how and why various criminals behave the way they do **Girls, Aggression, and Intersectionality** Krista McQueeney,Alicia Girgenti-Malone,2018-01-19 From media images of mean girls to the disproportionate punishment of Black Latina and or queer girls in schools and the justice system female aggression has become a public concern Scholars educators policymakers and parents are scrambling to respond to the perceived upsurge in girls bullying peer pressure and aggression violence Girls Aggression and Intersectionality examines how intersecting social identities such as race ethnicity class sexuality age and others shape media representations of and criminal justice reactions to female aggression The book focuses on three overarching questions How do race class and or sexuality influence media images of female aggression How do aggressive girls intersecting identities affect law enforcement and criminal justice responses to their aggression How are diverse groups of girls trying to resist their labelling and criminalization Using intersectionality as a conceptual framework this insightful volume deconstructs a unitary analysis of female aggression and transforms the mainstream discourse that paints girls as inherently mean Girls Aggression and Intersectionality will appeal to undergraduate and postgraduate students as well as postdoctoral researchers interested in fields including Gender

Studies Women s Studies Youth Studies Criminology and Media and Culture Encyclopedia of Women in Today's World
 Mary Zeiss Stange,Carol K. Oyster,Jane E. Sloan,2011-02-23 This work includes 1000 entries covering the spectrum of
 defining women in the contemporary world *Gangs of the El Paso-Juárez Borderland* Mike Tapia,2019-12-15 This thought
 provoking book examines gang history in the region encompassing West Texas Southern New Mexico and Northern
 Chihuahua Mexico Known as the El Paso Ju rez borderland region the area contains more than three million people spanning
 130 miles from east to west From the badlands the historically notorious eastern Valle de Ju rez to the Puerto Palomas port of
 entry at Columbus New Mexico this area has become more militarized and politicized than ever before Mike Tapia examines
 this region by exploring a century of historical developments through a criminological lens and by studying the diverse
 subcultures on both sides of the law Tapia looks extensively at the role of history and geography on criminal subculture
 formation in the binational urban setting of El Paso Ju rez demonstrating the region s unique context for criminogenic
 processes He provides a poignant case study of Homeland Security and the apparent lack of drug war spillover in
 communities on the US Mexico border **Crime, HIV and Health: Intersections of Criminal Justice and Public
 Health Concerns** Bill Sanders,Yonette F. Thomas,Bethany Griffin Deeds,2012-09-14 Carefully selected to reflect the latest
 research at the interface between public health and criminal justice in the US these contributions each focus on an aspect of
 the relationship How for example might a person s criminal activity adversely affect their health or their risk of exposure to
 HIV infection The issues addressed in this volume are at the heart of policy in both public health and criminal justice The
 authors track a four fold connection between the two fields exploring the mental and physical health of incarcerated
 populations the health consequences of crime substance abuse violence and risky sexual behaviors the extent to which high
 crime rates are linked to poor health outcomes in the same neighborhood and the results of public health interventions
 among traditional criminal justice populations As well as exploring these urgent issues this anthology features a wealth of
 remarkable interdisciplinary contributions that see public health researchers focusing on crime while criminologists attend to
 public health issues The papers provide empirical data tracking for example the repercussions on public health of a fear of
 crime among residents of high crime neighborhoods and the correlations between HIV status and outcomes and an individual
 s history of criminal activity Providing social scientists and policy makers with vital pointers on how the criminal justice and
 public health sectors might work together on the problems common to both this collection breaks new ground by combining
 the varying perspectives of a number of key disciplines **Handbook on the Study of Multiple Perpetrator Rape**
 Miranda Horvath,Jessica Woodhams,2013 Whilst there is considerable literature on rape from various perspectives there is
 very little that focuses on rape committed by multiple perpetrators also referred to as group or gang rape For the first time
 this handbook brings together international multi disciplinary perspectives on multiple perpetrator rape The book is
 organised to provide readers with a comprehensive account of the thinking theorising and empirical evidence on multiple

perpetrator rape to date Aspects covered include different contexts in which multiple perpetrator rape occurs such as gangs war fraternities South Africa experiences of women and girls as victims and perpetrators offence characteristics such as leadership and role taking aggression and violence the importance of group size the prosecution of and treatment of offenders and approaches to prevention The contributions to this collection are written by leading academics and practitioners from a variety of disciplines who bring together research and practice on multiple perpetrator rape by presenting new data from a strong theoretical and contextual base This book will be a key text for students and academics studying multiple perpetrator rape and an essential reference tool for professionals working in the field including police officers educationalists forensic psychologists youth workers probation staff lawyers judges and policy makers

Complicated Lives Vera Lopez, 2017-06-12 *Complicated Lives* focuses on the lives of sixty five drug using girls in the juvenile justice system living in group homes a residential treatment center and a youth correctional facility who grew up in families characterized by parental drug use violence and child maltreatment Vera Lopez situates girls relationships with parents who fail to live up to idealized parenting norms and examines how these relationships change over time and ultimately contribute to the girls future drug use and involvement in the justice system While Lopez s subjects express concerns and doubt in their chances for success Lopez provides an optimistic prescription for reform and improvement of the lives of these young women and presents a number of suggestions ranging from enhanced cultural competency training for all juvenile justice professionals to developing stronger collaborations between youth and adult serving systems and agencies

Youth Involvement in Street Gangs in California's Central Valley Huan Gao, 2024-11-13 This timely insightful and data led book fills a gap in gang scholarship by examining gangs in rural areas specifically focusing on youth gang activity Incorporating information from interviews with 96 active youth gang members and associates in three of the rural counties of California s Central Valley this book provides an in depth look at youth involvement in gang life in rural settings and addresses the underlying factors leading to the socialization of rural youths into gang life The book documents the family and school life of youths living in rural communities and examines the process by which they are initiated into gang activity It discusses their roles in various street gang organizations and their gang related and non gang related illegal activities It traces their experiences within the criminal justice system from initial contacts with the police to juvenile court and juvenile corrections Besides extensive interviews with the youths and official records collected from local criminal justice agencies data from more than 300 surveys of community members accompanied by extensive field research in local communities provides groundbreaking insights into a wide spectrum of issues related to gangs in rural settings While the Central Valley of California serves as the research site for this extensive work its findings are equally relevant to other rural areas in the United States and in the larger global context This volume will be of pivotal interest to students scholars and academics in the fields of criminology criminal justice sociology law social sciences and political sciences as well as policymakers criminal

justice practitioners community leaders and advocates for gang prevention and intervention programs *Girls and Juvenile Justice* Carla P. Davis, 2017-02-14 This book offers an ethnographic study of the lives of girls in the juvenile justice system Based on rich narrative accounts the girls at the center of the study are viewed as confronted with the power of simultaneous race class and gender hierarchies Through this framework we see how the girls navigate this challenge by seeking status in their everyday lives in their families juvenile justice institutions and neighborhood organizations including gangs Through analyzing the ways that the girls strive for higher social status this book provokes debate about how policies and programs may be creatively rethought to incorporate this pursuit *Girls and Juvenile Justice* offers a glimpse into the hearts minds and souls of adolescent girls It will be of great interest for scholars of criminal justice sociology women s studies and social psychology

Mothers Under Fire: Mothering in Conflict Areas Tatjana Takseva, 2015-07-01 *Mothers Under Fire: Mothering in Conflict Areas* examines the experiences of women mothering in conflict areas The aim of this collection is to engage with the nature and meaning of motherhood and mothering during times of war and or in zones experiencing the threat of war The essays in the collection reflect diverse disciplinary perspectives through which scholars and field practitioners reveal how conflict shapes mothering practices One of the unique contributions of the collection is that it highlights not only the particular difficulties mothers face in various geographic locations where conflict has been prevalent but also the ways in which mothers display agency to challenge and negotiate the circumstances that oppress them The collection raises awareness of the needs of women and children in areas affected by military and or political violence worldwide and provides a basis for developing multiple policy frameworks aimed at improving existing systems of support in local contexts Kristen P Williams Clark University

Quixote's Soldiers David Montejano, 2010-06-23 Detail s the grassroots interplay among the variety of ideologies individuals and organizations that made up the Chicano movement in San Antonio Texas *Journal of American History* In the mid 1960s San Antonio Texas was a segregated city governed by an entrenched Anglo social and business elite The Mexican American barrios of the west and south sides were

characterized by substandard housing and experienced seasonal flooding Gang warfare broke out regularly Then the striking farmworkers of South Texas marched through the city and set off a social movement that transformed the barrios and ultimately brought down the old Anglo oligarchy In Quixote s Soldiers David Montejano uses a wealth of previously untapped sources including the congressional papers of Henry B Gonzalez to present an intriguing and highly readable account of this turbulent period Montejano divides the narrative into three parts In the first part he recounts how college student activists and politicized social workers mobilized barrio youth and mounted an aggressive challenge to both Anglo and Mexican American political elites In the second part Montejano looks at the dynamic evolution of the Chicano movement and the emergence of clear gender and class distinctions as women and ex gang youth struggled to gain recognition as serious political actors In the final part Montejano analyzes the failures and successes of movement politics He describes the work of second generation movement organizations that made possible a new and more representative political order symbolized by the election of Mayor Henry Cisneros in 1981 A most welcome addition to the growing literature on the Chicana o movement of the 1960s and 1970s Pacific Historical Review
