

The background of the slide is composed of several overlapping, semi-transparent blue shapes that create a sense of depth and movement. A horizontal band of orange-to-yellow gradient runs across the middle of the slide, serving as a backdrop for the title text.

The Mexican War and its Place in the Evolution of Operational Art

Mexican War Place Evolution Operational

Michael Seilmaier

Mexican War Place Evolution Operational:

The Mexican War and Its Place in the Evolution of Operational Art Robert L. Johnson, 1993 **The Mexican War and Its Place in the Evolution of Operational Art** School of Advanced Military Studies, 2015-12-21 This book investigates the Mexican War for evidence of modern operational art and answers the question Does the Mexican War of 1846 1848 hold a unique place in the evolution of modern operational art and if so where The Mexican War represents a distinctly different phase in the evolution of warfare It was a transitional conflict from the Napoleonic Wars of 1805 1815 to the U S Civil War of 1861 1865 and was influenced by the nation s westward expansion and manifest destiny natural ocean barriers to any serious threat to the nation and the timing of the Industrial Revolution The book compares and contrasts those characteristics of modern warfare from the Napoleonic Wars identified in Robert M Epstein s *Eagles Triumphant* 1809 and the Emergence of Nineteenth Century Warfare and the elements of the structure of operational art identified in James J Schneider s *Vulcan s Anvil* The American Civil War and the Emergence of Operational Art This process led to the finding that while operational art in its fullest expression was not practiced during the Mexican War many of the characteristics from both the Napoleonic War and the Civil War were present **Joint Operational Warfare** Milan N. Vego, 2009 Smallholder farmers and pastoralists fulfil an invaluable yet undervalued role in conserving biodiversity They act as guardians of locally adapted livestock breeds that can make use of even marginal environments under tough climatic conditions and therefore are a crucial resource for food security But in addition by sustaining animals on natural vegetation and as part of local ecosystems these communities also make a significant contribution to the conservation of wild biodiversity and of cultural landscapes This publication provides a glimpse into the often intricate knowledge systems that pastoralists and smallholder farmers have developed for the management of their breeds in specific production systems and it also describes the multitude of threats and challenges these often marginalized communities have to cope with **The Mexican War and Its Place in the Evolution of Operational Art** School of School of Advanced Military Studies, 2015-04-26 This book investigates the Mexican War for evidence of modern operational art and answers the question Does the Mexican War of 1846 1848 hold a unique place in the evolution of modern operational art and if so where The Mexican War represents a distinctly different phase in the evolution of warfare It was a transitional conflict from the Napoleonic Wars of 1805 1815 to the U S Civil War of 1861 1865 and was influenced by the nation s westward expansion and manifest destiny natural ocean barriers to any serious threat to the nation and the timing of the Industrial Revolution The book compares and contrasts those characteristics of modern warfare from the Napoleonic Wars identified in Robert M Epstein s *Eagles Triumphant* 1809 and the Emergence of Nineteenth Century Warfare and the elements of the structure of operational art identified in James J Schneider s *Vulcan s Anvil* The American Civil War and the Emergence of Operational Art This process led to the finding that while operational art in its fullest expression was not practiced during the Mexican War many of the characteristics from both the Napoleonic War and the

Civil War were present **Mexican Cartel Essays and Notes: Strategic, Operational, and Tactical** Robert J. Bunker, 2013-05-30 This second Small Wars Journal El Centro anthology signifies the important debate that this new forum focusing on the crime wars and criminal insurgencies taking place in Mexico and other regions of the Americas is helping to generate in U S defense and homeland security circles The debate comes at a time when neither of the two major U S presidential candidates were willing to candidly discuss this issue and at the end of the recent Felipe Calderon administration which saw over 80 000 dead 20 000 missing and 200 000 internal refugees stemming from gang and cartel violence during its tenure in Mexico Dave Dilegge SWJ Editor in Chief **Pioneers of Amphibious Warfare, 1898-1945**

Leo J. Daugherty III, 2009-06-08 The planning that allowed for the successful amphibious landings at the end of World War II actually began during the 1880s as the Marine Corps sought to define its role in the new Steel Navy Officers braved skepticism indifference and outright opposition to develop an amphibious warfare doctrine with each service contributing From the 1898 war with Spain through the disastrous 1915 Australian landing to the successful World War II assaults in the Pacific and northwest France this chronological history explores the successes and failures pivotal to the concept of amphibious warfare through the lives and careers of fourteen officers instrumental to its development Profiles include General George S Patton Jr Rear Admiral Walter C Ansel USN Lieutenant General John A Lejeune USMC Admiral William Sims USN and Colonel Robert W Huntington USMC **The Evolution of Forward Surgery in the US Army** Lance P. Steahly, David W. Cannon (Sr.), 2018 This volume in the Borden Institute's history series will describe forward US Army surgery from the 1700s to the present time The book will look at advances in medicine and surgery that improved the lot of the American soldier In particular the book will examine the impact of disease upon troop strength which had special impact in the Revolutionary War through the post Civil War period Forward surgery in the modern sense came of age in World War I The challenge of so many different theaters of conflict in World War II will be examined from the portable surgical hospital of the China Burma India Theater of Operations to the surgical evacuation hospital teams of the European Theater of Operations The evolving care models will feature the story of the Korean War mobile army surgical hospital The defining performance of helicopter air evacuation in Vietnam along with improved surgical techniques will be discussed Finally the many advances of forward surgery from the post Vietnam era to the present will be presented Provided by publisher

United States Army Counterinsurgency and Contingency Operations Doctrine, 1860-1941 Andrew J. Birtle, 1998-04 NOTE NO FURTHER DISCOUNT FOR THIS PRINT PRODUCT OVERSTOCK SALE Significantly reduced list price U S Army Counterinsurgency and Contingency Operations Doctrine 1860 1941 is the first of a two volume study on the

U S Army s experience in small war situations and the development of low intensity conflict doctrine Focusing on the suppression of insurgent or other irregular forces during overseas constabulary and contingency operations from the Civil War years up to America s entry into World War II Andrew J Birtle has filled an important omission in military historiography by writing about the underlying theories concepts and methods employed in the conduct of myriad unconventional missions with soldiers serving as governors constables judges diplomats explorers colonizers educators administrators and engineers Even though official codified written doctrine for counter guerrilla pacification and nation building activities prior to World War II has long been viewed as nonexistent Birtle uncovers through his meticulous research an evidentiary thread of continuity in the Army s performance and thus maintains that some of the central principles governing such operations were indeed incorporated into official Army doctrinal literature The events discussed unquestionably occurred long ago but many of the issues raised by Birtle have enduring relevance for today s Army People places and events may change yet the fundamental questions involved in suppressing insurrections fighting irregulars administering civilian populations and conducting foreign intervention remain surprisingly constant in this unpredictable world of ethnic tensions and turmoil By studying how soldiers dealt with these complex issues in the past Birtle s well written account offers valuable insights to guide current and future soldiers when called upon to conduct similar operations Military strategists historians and civilians interested in America s early history may find this resource appealing and offer a better understanding of Army doctrine from a historical perspective Related products Mexican Expedition 1916 1917 is available here https://bookstore.gpo.gov/products/sku/008_029_00600_6 Commerce Raiding is available here https://bookstore.gpo.gov/products/sku/008_046_00282_7 From Transformation to Combat The First Stryker Brigade at War can be purchased here https://bookstore.gpo.gov/products/sku/008_029_00459_3 United States Army in World War II War in the Pacific Triumph in the Philippines Print Paperback format is available here https://bookstore.gpo.gov/products/sku/008_029_00503_4 Other products produced by the U S Army Center of Military History can be found here <https://bookstore.gpo.gov/agency/1061>
