Santo Tomas de Abiquiu Virginia Langham Olmsted, New Mexico Genealogical Society, 2000 *Pleas and Petitions*

Virginia Sánchez, 2020-03-16 In *Pleas and Petitions* Virginia Sánchez sheds new light on the political obstacles cultural conflicts and institutional racism experienced by Hispano legislators in the wake of the legal establishment of the Territory of Colorado. The book reexamines the transformation of some 7 000 Hispano settlers from citizens of New Mexico territory to citizens of the newly formed Colorado territory as well as the effects of territorial legislation on the lives of those residing in the region as a whole. Sánchez highlights the struggles experienced by Hispano territorial assemblymen trying to create opportunity and a better life in the face of cultural conflict and the institutional racism used to effectively shut them out of the process of establishing new laws and social order. For example, the federal and Colorado territorial governments did not provide an interpreter for the Hispano assemblymen or translations of the laws passed by the legislature and they taxed Hispano constituents without representation and denied them due process in court. The first in depth history of Hispano sociopolitical life during Colorado's territorial period, *Pleas and Petitions* provides fundamental insight into Hispano settlers' interactions with their Anglo neighbors, acknowledges the struggles and efforts of those Hispano assemblymen who represented southern Colorado during the territorial period and augments the growing historical record of Hispanos who have influenced the course of Colorado's history. **The Searcher** ,2006 **New Mexico Genealogist** ,2005

It is also an important study of northern New Mexican artisans and their craft. Along with photographer Jack Parsons, Marie Romero Cash visited every church in the region and documented, identified and measured each santos. Together they photographed more than 500 pieces including 19 moradas, places of worship for Penitentes and the Archdiocese of Santa Fe Collection housed at the Museum of International Folk Art. Cash's extensive research into these formerly anonymous artisans fills a gap in the study of this unique form, making *Santos* indispensable for art historians and the general reader interested in the culture and art of the American Southwest. *American Indian Culture and Research Journal* ,2007 **Missionary Society of the Methodist Episcopal Church** Methodist Episcopal Church.
