A Gutmann

Mexico Unconquered Chronicles Of Power And Revolt:

Mexico Unconquered John Gibler, 2015-09-28 Mexico Unconquered is an evocative report on the powers of violence and corruption in Mexico and the rebel underdogs who put their lives on the line to build justice from the ground up Mexico Unconquered probes the overwhelming divisions in contemporary Mexico home to the world's richest man Carlos Slim and to destitute millions John Gibler weaves narrative journalism with lyrical descriptions combining the journalist's trade of walking the streets and the philosopher's task of drawing out the tremendous implications of the seemingly mundane John Gibler has reported for In These Times Common Dreams YES Magazine ColorLines and Democracy Now *Revolution and State in Modern Mexico* Adam David Morton, 2013-10-04 Now in an updated edition this groundbreaking study develops a new approach to understanding the formation of the postrevolutionary state in Mexico In a shift away from dominant interpretations Adam David Morton considers the construction of the revolution and the modern Mexican state through a fresh analysis of the Mexican Revolution the era of import substitution industrialization and neoliberalism Throughout the author makes interdisciplinary links among geography political economy postcolonialism and Latin American studies in order to provide a new framework for analyzing the development of state power in Mexico He also explores key processes in the contestation of the modern state specifically through studies of the role of intellectuals democratization and democratic transition and spaces of resistance As Morton argues all these themes can only be fully understood through the lens of uneven development in Latin America Centrally the book shows how the history of modern state formation and uneven development in Mexico is best understood as a form of passive revolution referring to the ongoing class strategies that have shaped relations between state and civil society As such Morton makes an important interdisciplinary contribution to debates on state formation relevant to Mexican studies postcolonial and development studies historical sociology and international political economy by revitalizing the debate on the uneven and combined character of development in Mexico and throughout Latin America In so doing he convincingly contends that uneven development can once again become a tool for radical political economy analysis in and beyond the region A substantive new epilogue engages the main theoretical debates that have emerged since the book was first published while also exploring the dominant geographies of power and resistance that are shaping state space in Mexico in the twenty-first century And now a Spanish edition *Revolución y Estado en México moderno México D.F. Siglo XXI* 2017 is available as well Click here to see the book trailer *The Rough Guide to Cancun and the Yucatan*, 2011-09-01 The Rough Guide to Cancun whether you want to dive with whale sharks swim in hidden cenotes cycle around ancient sites or simply chill on the beach you'll find everything you need Clear maps and stunning photography complete the picture making this by far the most practical readable and useful guide to the region **To Die in Mexico: Dispatches from Inside the Drug War** John Gibler, 2011 On the ground reporting and behind the scene stories from Mexico's drug war by Mexico-based journalist John Gibler [Without History](#) Jose Rabasa, 2010-06-27 On December 22

1997 forty five unarmed members of the indigenous organization Las Abejas The Bees were massacred during a prayer meeting in the village of Acteal Mexico The members of Las Abejas who are pacifists pledged their support to the Zapatista Army of National Liberation a primarily indigenous group that has declared war on the state of Mexico The massacre has been attributed to a paramilitary group composed of ordinary citizens acting on their own although eyewitnesses claim the attack was planned ahead of time and that the Mexican government was complicit In Without History Jose Rabasa contrasts indigenous accounts of the Acteal massacre and other events with state attempts to frame the past control subaltern populations and legitimize its own authority Rabasa offers new interpretations of the meaning of history from indigenous perspectives and develops the concept of a communal temporality that is not limited by time but rather exists within the individual community and culture as a living knowledge that links both past and present Due to a disconnection between indigenous and state accounts as well as the lack of archival materials many of which were destroyed by missionaries the indigenous remain outside of or without history according to most of Western discourse The continued practice of redefining native history perpetuates the subalternization of that history and maintains the specter of fabrication over reality Rabasa recalls the works of Marx Lenin and Gramsci as well as contemporary south Asian subalternists Ranajit Guha and Dipesh Chakrabarty among others He incorporates their conceptions of communality insurgency resistance to hegemonic governments and the creation of autonomous spaces as strategies employed by indigenous groups around the globe but goes further in defining these strategies as millennial and deeply rooted in Mesoamerican antiquity For Rabasa these methods and the continuum of ancient indigenous consciousness are evidenced in present day events such as the Zapatista insurrection

The Reinvention of Mexico Gavin O'Toole,2010-10-25 This book examines a sophisticated effort by radical economic reformers to change the ideology of nationalism in Mexico from 1988 94 and so reinvent the country in a way that was more friendly to their market policies and responses to this by opposition parties

The Labyrinth of North American Identities Philip Resnick,2012-04-25 What exactly does it mean to be North American Europeans have been engaged in a long running debate about the meaning and nature of Europe The Labyrinth of North American Identities generates a similar discussion in the context of North America what do we learn about North America as a unit and its individual countries when we explore the idea of a shared North American identity Combining cultural anthropological historical political economic and religious considerations Philip Resnick acknowledges the relative differences in power and influence of the United States and its North American neighbours but digs deeper to uncover shared characteristics that constitute a labyrinth of North American identities unrestricted by national boundaries To date discussions of North America have largely revolved around the often technical implications of the North American Free Trade Agreement NAFTA or US homeland security What has been lacking by contrast is a culturally driven set of reflections This book examines the legacy of indigenous cultures the role of organized religion pathways to independence the role of imperial languages manifest destiny market capitalism and its

limitations democratic practices and failures diverging uses of the state new world utopias and dystopias regional identities and civilizational perspectives What results is a vision of North America that defies any top down attempt to impose a homogeneous North Americanness

William F. Buckley Sr. John A. Adams,2023-03-23 In 1909 young William F Buckley Sr 1881 1958 who grew up in the dusty South Texas town of San Diego graduated from the University of Texas law school and headed for Mexico City Fluent in Spanish familiar with Mexican traditions and soon fit to practice law south of the border Buckley was headed up the aisle to vast wealth and cultural power On the way he took a front row seat at the Mexican Revolution and played a key role in steering the nascent oil industry through tumultuous and dangerous times This book for the first time tells the story of the man behind the family that would become nothing short of a conservative institution reaching its apogee in the career of William F Buckley Jr arguably the most prominent conservative commentator of the twentieth century Buckley witnessed the overthrow and exit of President Porfirio D az the rise of Madero and the coup of General Victoriano Huerta all while building the Pantepec Oil Company the most profitable small petroleum producer in Mexico He faced down Pancho Villa survived encounters with hired assassins evaded snipers in the streets of Veracruz gambled and won in many a business venture and ultimately was expelled from the country As the narrative follows Buckley from his small town Texas beginnings to the founding of a family dynasty the streak of independence and distrust of government that would become the Buckley hallmark can be seen in the making An eventful chapter in the life and career of a singular character this dramatic account of a man and his moment is a document of political and historical significance but it is also a remarkable story told with irresistible brio

Modern Mexican Culture Stuart A. Day,2017-10-31 This collection of essays presents a key idea or event in the making of modern Mexico through the lenses of art and history Provided by publisher

Las Culturas y Civilizaciones Latinoamericanas Floyd Merrell,María Teresa DePaoli,2016-11-14 Las culturas y civilizaciones latinoamericanas has been updated This textbook not only describes the history of Latin America but it sets a mood that allows the reader to get a genuine sense of the languages cultures and civilizations of this complex and colorful land It provides an account of how Columbus s voyages gave rise to utopian dreams the ramifications of which led to a brilliant display of hybrid cultures changed the ethnic composition of two continents accelerated lines of commerce and refashioned the Western World s diet The textbook takes the reader through the discovery conquest and colonization of the New World and on to independence and the national period In addition each chapter offers general concepts important terms questions and topics for classroom debates Comprehensive and compelling this book chronicles the history of an important region in a way that will interest students and teachers alike

We Are the Face of Oaxaca Lynn Stephen,2013-10-16 Lynn Stephen uses the Oaxaca social movement of 2006 to illustrate how oral testimony is central to rights claiming participatory democracy knowledge creation and the production of new political subjects in contemporary social movements

Torn from the World John Gibler,2018-09-25 The book that most shocked me this year for its literary quality is called Tzompaxtle

although in English it has another title *Torn from the World*. The author is John Gibler, a real outlaw. Diego Enrique Osorno, author of *El Cartel de Sinaloa*, Andres Tzompaxtle Tecpile was torn from the world. Abducted off the street blindfolded and beaten, he was brought to a Mexican military facility and disappeared. Tzompaxtle, a young member of an insurgent guerrilla movement, was subjected to months of interrogation and torture as the military tried to extract information from him. In an effort to buy time to protect his family and comrades and to keep himself alive, he led his captors on fruitless journeys to abandoned safe houses and false rendezvous locations for four months. Finally, faced with imminent execution, he decided to make what he thought was a suicidal attempt at escape. When he miraculously survived, he was able to return underground. Gleaned from years of clandestine interviews, Tzompaxtle's story offers a rare glimpse into chronic injustice, underground resistance movements, and the practice of forced disappearance and torture in contemporary Mexico. At once harrowing and humane, John Gibler's wonderful new book shines a light on the darkest corners of the Mexican justice system. We cannot turn away from what we see there. This is a brave, daring book, equal in every way to the extraordinary life it documents.

Daniel Alarcon, author of *The King is Always Above the People*: Once in a long while, a brilliant writer happens on a story he was born to tell, a story that in its stark and unremitting horror gives us a glimpse of the world as it is, unvarnished and unredeemed. John Gibler is such a writer, and *Torn From the World* is such a story. A wrenching, astonishing tale brilliantly told.

Mark Danner, author of *The Massacre at El Mozote*: *Torn from the World* is the product of a thorough investigation, and it is written with rage and humility at the same time. This is the work of one of the most important journalists of our time.

Yuri Herrera, author of *Signs Preceding the End of the World*: John Gibler's powerful recounting of the forced disappearance of Andres Tzompaxtle Tecpile unearths the brutal machinery of state-sanctioned torture and terrorism in Mexico today. This book must provoke an outcry.

Sujatha Fernandes, author of *Curated Stories*: Not since Rodolfo Walsh's classic *Operation Massacre* have I read a work of political and literary journalism as inventive and urgent as John Gibler's *Torn from the World*. With courage, empathy, and clear-sightedness, Gibler tackles questions most journalists won't go near.

Ben Ehrenreich, author of *The Way to the Spring*: Life and Death in Palestine. The North American journalist John Gibler not only presents here the guerrilla combatant's story but also contextualized it within the broader, very troubled history of class relations in Guerrero and the contemporary proliferation of human rights abuses in Mexico, from Ayotzinapa to Ciudad Juarez.

Jesse Lerner, author of *The Shock of Modernity*: **Latin American Politics and Development**

Harvey F. Kline, Christine J. Wade, 2022-08-23

For over forty years, *Latin American Politics and Development* has kept instructors and students abreast of current affairs and changes in Latin America. Now in its tenth edition, this authoritative yet accessible introduction has been updated throughout. Organized on a country-by-country basis, *Latin American Politics and Development* offers instructors maximum flexibility in organizing courses. Revisions to the Tenth Edition include:

- An updated theoretical framework to explain changes in the region, including discussions of electoral systems and political actors.
- Discussions on presidential, parliamentary, and municipal election cycles.

throughout the region from 2017 through early 2022 Coverage of the COVID 19 pandemic Examination on the regional decline in democratic norms and practices A look at the impact of the Trump administration on regional relations including the decline in democracy Updates on race Indigenous groups women Afro Latin Americans contemporary social movements religious and other non elite groups Transforming Nations after the COVID-19 Pandemic Denis H. J. Caro, 2021-01-23 In 2020 the world is in the throes of the COVID 19 global pandemic an epidemic the likes of which humankind has not experienced for decades This book speaks to common and fundamental underlying issues that national communities face from a humanitarian and planetary systems perspective From the globalization initiatives of the last decades a dynamic and interconnected new planetary system order is emerging This book underscores the need for decent ethical healthy and just societies that enable individuals to reach full human potential It explores the future directions of 12 Key Strategic Influencer KSI nations through 18 systemic factors that will shape the contours of future planetary governance this century Finally it proposes a nonconventional systems paradigm to humanitarian challenges **Cartographies of Youth Resistance** Maurice Rafael Magaña, 2020-11-17 In his exciting new book based on a decade of ethnographic fieldwork Maurice Maga considers how urban and migrant youth in Oaxaca embrace subcultures from hip hop to punk and adopt creative organizing practices to create meaningful channels of participation in local social and political life In the process young people remake urban space and construct new identities in ways that directly challenge elite visions of their city and essentialist notions of what it means to be indigenous in the contemporary era *Cartographies of Youth Resistance* is essential reading for students and scholars interested in youth politics and culture in Mexico social movements urban studies and migration *The Lost History of 1914* Jack Beatty, 2012-02-22 In *The Lost History of 1914* Jack Beatty offers a highly original view of World War I testing against fresh evidence the long dominant assumption that it was inevitable Most books set in 1914 map the path leading to war Beatty writes This one maps the multiple paths that led away from it Chronicling largely forgotten events faced by each of the belligerent countries in the months before the war started in August Beatty shows how any one of them a possible military coup in Germany an imminent civil war in Britain the murder trial of the wife of the likely next premier of France who sought détente with Germany might have derailed the war or brought it to a different end In Beatty's hands these stories open into epiphanies of national character and offer dramatic portraits of the year's major actors Kaiser Wilhelm Tsar Nicholas II Woodrow Wilson along with forgotten or overlooked characters such as Pancho Villa Rasputin and Herbert Hoover Europe's ruling classes Beatty shows were so haunted by fear of those below that they mistook democratization for revolution and were tempted to escape forward into war to head it off Beatty's powerful rendering of the combat between August 1914 and January 1915 which killed more than one million men restores lost history revealing how trench warfare long depicted as death's victory was actually a life saving strategy Beatty's deeply insightful book as elegantly written as it is thought provoking and probing lights a lost world about to blow itself up in what George Kennan called the seminal

catastrophe of the twentieth century It also arms readers against narratives of historical inevitability in today's world

Teresa Margolles and the Aesthetics of Death Julia Banwell, 2015-06-15 An extensive in depth study that takes in works from throughout the artist's career The book will be useful for scholars of Margolles and of art history more generally Margolles work is situated within the contexts of the aesthetics and philosophy of death and their application to looking at art from inside and outside Mexico

Courage, Resistance, and Women in Ciudad Juárez Kathleen Staudt, Zulma Y. Méndez, 2015-01-15 Ciudad Juárez has recently become infamous for its murder rate which topped 3 000 in 2010 as competing drug cartels grew increasingly violent and the military responded with violence as well Despite the atmosphere of intimidation by troops police and organized criminals women have led the way in civil society activism spurring the Juárez Resistance and forging powerful alliances with anti militarization activists An in depth examination of la Resistencia Juareense Courage Resistance and Women in Ciudad Juárez draws on ethnographic research to analyze the resistance's focus on violence against women as well as its clash with the war against drugs championed by Mexican President Felipe Calderón with the support of the United States Through grounded insights the authors trace the transformation of hidden discourses into public discourses that openly challenge the militarized border regimes The authors also explore the advocacy carried on by social media faith based organizations and peace and justice activist Javier Sicilia while Calderón faced U S political schisms over the role of border trade in this global manufacturing site Bringing to light on the ground strategies as well as current theories from the fields of sociology political anthropology and human rights this illuminating study is particularly significant because of its emphasis on the role of women in local and transnational attempts to extinguish a hot zone As they overcome intimidation to become game changing activists the figures featured in Courage Resistance and Women in Ciudad Juárez offer the possibility of peace and justice in the wake of seemingly irreconcilable conflict

Call the Mothers Shaylih Muehlmann, 2024-09-10 A gripping portrait of the relentless women taking missing persons kidnapping and extortion cases into their own hands and building a movement for one another In this riveting exploration of the lives of mothers whose children are among the 100 000 disappeared in Mexico's war on drugs Shaylih Muehlmann shows how families have mobilized on the ground to get answers and justice It is often mothers who confront government corruption indifference and incompetence by taking on the responsibilities of searching for missing persons and dealing with kidnapping and extortion cases In bringing the voices of these women to the fore Muehlmann demonstrates how the war on drugs affects everyday life in Mexico and how these activists have become detectives forensic specialists and even negotiators with drug traffickers Call the Mothers provides a unique look at a grassroots movement that draws from the symbolic power of motherhood to build a network of collectives that redefine traditional gender roles and challenge injustice and impunity

States of Emergency Patrick M. Brantlinger, 2013-09-25 In his latest book Patrick Brantlinger probes the state of contemporary America Brantlinger takes aim at neoliberal economists the Tea Party movement gun culture immigration waste value surplus people

the war on terror technological determinism and globalization An invigorating return to classic cultural studies with its concern for social justice and challenges to economic orthodoxy States of Emergency is a delightful mix of journalism satire and theory that addresses many of the most pressing issues of our time
