Michael Jackson Vol King Pop:

Michael Jackson - King of Pop Emily Herbert, 2009-07-23 A dominant figure in pop since the early 1980s Michael Jackson transformed the world of music and quickly became one of the most influential artists of all time In his astounding career he was twice inducted into the Rock and Roll Hall of Fame voted the Most Successful Entertainer of All Time and accumulated 13 Grammy Awards His breakout album *Thriller* has sold more than 100 million copies worldwide Jackson remained in the media spotlight as much for his troubled personal life as for his music however and speculations about his physical and mental health circulated up until his sudden death at age 50 in June of 2009 Shedding new light on both his highly publicized personal life and his one of a kind career this is an insightful look at the undisputed king of pop **Michael Jackson The Maestro The Definitive A-Z Volume II - K-Z** Chris Cadman, 2015-02-05 Michael Jackson was no ordinary performer From the moment he first stepped on stage at the age of five to his final rehearsals at the Staples Centre in Los Angeles Michael Jackson was a dynamic performer During his 45 year career in entertainment Jackson changed the face of popular music amazed audiences worldwide and broke down barriers still felt today Michael Jackson The Maestro The Definitive A Z Volume 2 K Z completes the two volume set on one of the most fascinating artists of all time in popular music Carrying on from the first volume Michael Jackson The Maestro continues looking at his extraordinary life and times through his many songs TV Performances Tours videos documentary s Radio shows films Interviews articles speeches directors producers and friends Despite the media ignoring his record breaking accomplishments his innovative video tours and charitable endeavours he is still held in high regard by his fellow artists such as Beyonce Madonna Coldplay s Chris Martin Pharrell Williams Ne Yo Lionel Richie Stevie Wonder and John Rotten amongst a galaxy of stars who have all sang Michael s praises since his sad departure Michael Jackson The Maestro The Definitive A Z Volume 2 K Z brings an era of interesting trivia surrounding Michael s career and life Read about Karen Carpenter being in the studio with Michael Where the premier of *Seeing Voices* was held The time Little Richard wanted him for the part in his life story The script he had for the Frankie Lyman Story His supposed version of the Monkees Last Train To Clarksville Joining Patti Labelle on stage to sing *Lady Marmalade* as well as stories and trivia on Madonna Marlon Brando Mary Poppins Michael Flatley and the night he appeared on stage with Stevie Wonder to join in on his hit *Master Blaster* All this and an abundance of trivia and rare TV and rare magazine interviews This is Michael Jackson The Maestro *The State of the American Mind: Stupor and Pathetic Docility Volume I* Amechi Okolo, 2010-06-11 This book *The State of the American Mind Stupor and Pathetic Docility Volume One* begins to unravel some of the most obvious perplexing embarrassing and enduring problems and contradictions of American history and sociology viz how could the American revolution that started with the most ringing and most inspiring Declarations of human equality in world history end up establishing the most vicious exploitative society the world ever knew Black chattel slavery and only ten percent white enfranchisement etc Further how could men of such great wisdom and

intellect like George Washington James Madison Thomas Jefferson and others who were Enlightenment scholars and clearly knew that slavery was despicable and evil because they had variously experienced white servitude and slavery themselves collude to establish and institutionalize the horrible system of Negro chattel slavery in America and also disenfranchised over 90 percent of people of their own race actions that racism could not explain The structural institutional slavery system they established and the resultant consequent racism hobbles America today as it did in the past and forced Eric Holder the Attorney General to declare that America is a nation of cowards when it comes to race discussions Thus this book starts with serious critical discussions of race in America and reveals what no textbook has ever done viz that most early American whites and Blacks were slaves an uncomfortable fact that would shock most Americans because it contradicts the orthodoxy or the dominant narrative that only Blacks were brought here in chains Further the book also shows the year Black slavery started something almost all textbooks got wrong It also shows who was the first Black slave in America something no textbook ever mentions It also shows when and how racism started in America and many other very sensitive and embarrassing but necessary issues that America avoids but must be frankly discussed for America to move forward This book therefore shatters the two dominant themes of Americas history and sociology that Blacks were brought into America in chains as slaves while whites came to America in search of freedom as Harvard educated President Obama famously told us in his race speech Thus the crowning lesson of this book in addition to discussing some critical policy issues like education health care etc is that it discovers the centripetal force of the American society that eluded contemporary Americans because American bosses have laboriously concealed the facts from the public the scary but clearly healthy uniting fact that most Americans are united by their common ancestry their universal history and experience of servitude bond indentures and slavery Nothing is more universal more common and more shared in American history and sociology than the fact that most of our ancestors black and white were servants bond indentures and slaves who were dominated and super exploited by few overlords Colonial America was the preferred dumping ground for British outcasts rejects criminals masterless class vagabonds bond indentures slaves etc until 1776 when Australia replaced America as the British dump for its rejects and surplus citizens Thus that America was a nation founded by British rejects and losers is inherently more rational than the prevailing orthodoxy or the Obama theory of Americas founders that they were great honorable men who journeyed across the ocean for freedom because of the obvious reason that good powerful achieving citizens do not normally emigrate to new uncharted lands
