Historical Romance & Family Saga

"Ayala mixes sexuality, danger, and religious history to craft a unique, provocative romance novel."

- Ivan Borodin, Actor and Author

She lost it all in one agonizing moment...

Princess Michal is used to getting everything she wants, and she has her heart set on the young hero David. But their passionate love affair is destroyed by her father's murderous rage. Will David's departing promises be enough?

David the King is no longer the charming harpist she gave her heart to. The most powerful man in Israel, he falls into the arms of the beautiful Bathsheba.

Temptation comes in the form of a dashing Phillistine warrior. Michal vows to be the only woman in David's heart, but does she know her own?

A novel of betrayal, forbidden love, and redemption, Michal's Window is an imaginative retelling of King David's story through the eyes of the woman who loved him first.

My Name is Michael Sibley John Bingham,2007-07-17 FROM THE INTRODUCTION BY JOHN LE CARR This novel comprises some of the best work of an extremely gifted and perhaps under regarded British crime novelist What gave John Bingham his magic was something we look for in every writer too often in vain an absolute command of the internal landscape of his characters acutely observed by a humane but wonderfully corrosive eye Michael Sibley and John Prosser shared a history that dated back to their first years at boarding school and so the news of Prosser s murder came as a great shock to his old friend especially because Sibley had been staying only the day before at Prosser s country house where the body was found When the police arrive to question him in connection with the murder Sibley finds himself lying about his recent visit and thus begins to reveal the true nature of a longstanding but volatile friendship fraught with mutual deception and distrust As he tells his version of the truth to the police and to the reader Sibley makes the first of many fateful mistakes and finds himself not only under suspicion but a primary suspect in the investigation Seen through the eyes of Sibley himself *My Name Is Michael Sibley* is a mesmerizing account of murder as the narrator purposefully attempts to elude the police and prove his innocence to the reader in the same breath
