One Million Pounds of Scrap Metal Supports the Community

American Legion Post 195, Jonesville, MI

(MAY 2017)- Members of American Legion Post 195 in Jonesville, MI were presented a check for the scrap drive they dropped off at Omnisource. Their May drive pushed the post to over 1 million pounds of scrap that has been collected and turned in.

In a email message to members Post Commander Bob Snow;

"Attached are pictures of the scrap drive this morning of which we broke the 1 million pound mark. A rare achievement for all. Congratulations Post 195,

Much has been done with the funds received from this program, including helping pay for the "Freedom Memorial" "Civil War Memorial in the park", and countless donations to Veterans organizations, sending young people to boy's & girl's state, plus endowing the memorial for years to come to the city.

We must work to achieve great outcome! We go forward with the program as it is our main source of income outside the raffle in the fall. All of you over the years who have participated can be very proud."
