operations including numerous battles and skirmishes His letters also show the evolution of the Army of the Potomac's Cavalry Corps from the laughingstock of the Eastern Theater to an increasingly potent well led force By the time of Granger's death at the Battle of Crooked Run he and his comrades were on the verge of wresting mounted supremacy from their Confederate opponents Ample illustrated with maps and photographs An Aide to Custer gives readers an unprecedented view of the Civil War and one of its most important commanders and unusual insight into the experience of a staff officer who served alongside him
