Nice Splash Words Mark Oakley:

The Splash of Words Mark Oakley, 2016-08-16 Whether you love poetry or haven't read it since school The Splash of Words will help you rediscover poetry's power to startle challenge and reframe your vision Like throwing a pebble into water a poem causes a splash of words whose ripples can transform the way we see the world ourselves and God Through thirty selected poems from the fourteenth century to the present day Mark Oakley explores poetry's power to stir our settled ways of viewing the world and faith shift our perceptions and even transform who we are *Wandering, Not Lost* Barry L. Casey, 2019-11-01 A spiritual journey may take many forms from Dante's descent to the pits of Hell and up the other side to the bliss of Paradise to Pilgrim's progress or even to Billy Pilgrim unstuck in time in Vonnegut's Slaughterhouse Five It could be Elijah running headlong into the desert or Jonah being flung ashore and shouting in Nineveh a petulant prophet to the end Faith can be carried like pennies in the pocket or worn like a coat of many colors Abraham and Moses Mary and Peter all of them carried their faith and all of them had their doubts Doubt is the companion of faith and the mystery that bonds them together comes out in stories These are stories of faith doubt and mystery Not all who wander are lost *The Present Preacher* Liz Shercliff, Matt Allen, 2021-09-10 Good preaching depends on being attentive to God to the Bible to the congregation to the context to what influences and shapes the preacher This practical confidence building guide is for all who want to develop their preaching by homing in on that which points to God in the now Encouraging preachers in the ways that will make authentic connections with others it demonstrates that preaching in today's culture requires preachers to show up and be present in person rather than speak in role or act as religious spokespersons who take no responsibility for their message Based on the authors own training of ordinands it offers Insights on how to develop the habit of noticing God in the world Strategies for opening up and finding fresh meaning in familiar Bible texts Ways of understanding what influences your congregation and your own theology Sample sermons that embody these principles **Words That Listen** J. Barney Hawkins IV, Ian S. Markham, 2018-03-17 An accessible and distinctive anthology of texts to support preaching and enhance individual devotion Consulting editors include former Presiding Bishop Frank Griswold Cynthia Kitteridge Mark Oakley Canon Chancellor St Paul's Cathedral London Volume 1 covers Advent to Ascension Volume 2 Pentecost to end of Church Year The great themes of faith are also the great themes of literature and the arts As we come to terms with God hope faith tragedy guilt fear and love so the poets writers musicians and artists pick up the same themes and their understanding can enrich and deepen our own Words That Listen brings these two worlds together For each gospel Markham and Hawkins offer four connecting resource suggestions e.g. a poem extract from a novel a film television sporting illustration and or a humorous story to illuminate make connections and spark new ways of looking at familiar stories The suggestions for each Sunday include a brief summary and explanation of the extracts *Feminist Trauma Theologies* Karen O'Donnell, Katie Cross, 2025-01-30 Throughout the study of trauma theology runs a lineage that is deeply feminist As

traumatic experience is being more frequently acknowledged in public this book seeks to articulate an explicit understanding of feminist trauma theology for the first time Bringing together scholars from a range of disciplines this book explores the relationship between trauma and feminist theologies highlighting methodological theological and practical similarities between the two The MeToo and ChurchToo movements sexual abuse scandals gender based violence pregnancy loss and the oppression of women in church spaces are all featured as important topics With contributions from a diverse team of scholars this book is an essential resource for all thinkers and practitioners who are trying to navigate the current conversations around theology suffering and feminism **Synodality and the Recovery of Vatican II** Stephen McKinney, Thomas O'Loughlin, Beata Toth, 2024-12-30

In less than a decade the notion of synodality has emerged as a central theme in Catholic life and thought especially in Catholics self reflection on who they are as the People of God ecclesiology The notion of the Church as synodal has early roots in the many councils and synods of the early churches east and west but now this notion has emerged from the history of canon law to become one that portrays a whole new image of the church The church Pope Francis has said is called to be synodal as it changes its self perception from being a power pyramid seeking to impose its vision to being a pilgrim people at the service of humanity But what are the implications of synodality The synod on synodality in Rome 2023 24 is grappling with this question but if the notion has any meaning it will require steady examination over a much longer period it will need to be owned and it will call for engagement from all parts of the Catholic Church One can only have a synodal coming together when people from every corner of the church set out on the journey to that meeting place synodos of many roads As part of this synodal engagement the Catholic Theological Association of Great Britain invited its members and some friends of the association to offer their reflections on the importance of synodality what it means how it can build on the work of the Second Vatican Council and how we can engage with it today These essays deliberately kept short and to the point are offered to our sisters and brothers in baptism in order to help us all on our journey of renewal as a pilgrim people God-Curious Stephen Cherry, 2017-02-21

Why study theology Getting to the heart of this question Stephen Cherry demonstrates the appeal of exploring the unknown and the unknowable and reveals how theology the most interdisciplinary of all subjects is fascinating fun and important to our lives today *Vicious Evil! Virtuous God?* Lee Thai, 2024-04-30 If God is good and virtuous why is there so much vicious evil in this world Why does God let pain and evil fall on innocent little children Why does he not intervene Where is God when it hurts This groundbreaking book solves an enigma that has plagued humanity since times immemorial Using the concept of tough love Vicious Evil Virtuous God untangles the age old Epicurus s riddle resolves the contemporary problems of evil and provides some practical means to manage the evils in our lives and help others in their suffering Vicious Evil Virtuous God answers our many heart wrenching questions in this vale of suffering brings us comfort in our tribulations and equips us to make a defense for the hope that we share in Christ **The Farther Away** Roger Wagner, 2024-06-14
