The Genesis Conspiracy Wayne Talbot, 2022-01-24 Did the early Church of Rome conspire with the pagan Emperor Constantine to create a new religion for the West superseding Judaism and displacing the Children of Israel as God's First Born Son Exodus 4:22 Catholic scholar Bernard Lee observed Most Christological interpretation has been supersessionist that is it has interpreted Jesus as initiating a new Covenant that supersedes Judaism Historically it is quite improbable that Jesus had any such thing in mind Similarly There is little likelihood that Jesus had any conscious intention of founding a new religious institution either superseding Judaism or alongside it The obvious question is If that was not in the mind of Jesus on whose life and teachings Christianity is said to be based in whose mind was it This study examines the wealth of evidence that has convinced the author that in truth Christianity is a centuries old conspiracy with significant anti Jewish undercurrents
