Robinson Tombari Sibe,Christian Kaunert,2024-03-26 Nigeria has become one of the hotbeds of cybercrime since the liberalization of the telecommunication industry began in 1996 The scale and magnitude have been quite disturbing not just for Nigeria but also for the international community given the limitless boundaries of cybercrime Like any other type of fraud Internet fraud is primarily driven by financial gains This book investigates the extent of the lack of digital forensic resources in Nigeria s financial crime agencies It is vital to have a proper resource inventory and capabilities to successfully confront the growing threat of financial crimes While a few studies have suggested the lack of forensic capabilities in Nigerian cybercrime investigative agencies and the justice system none have examined this in great detail particularly in relation to specific skills gaps and resources needed in Nigeria s financial crime agencies This book contributes to the growing body of knowledge and clarifies the scope of the lack of digital forensic resources Understanding the extent of the deficiency and its impact on caseloads could be crucial for developing a roadmap toward building forensic readiness and capability maturity for the agencies This book presents the deficiencies in forensic readiness and recommends measures to fill this gap This book also examines the specifics of the cybercrime caseloads and conviction records in Nigeria identifying trends and patterns The book explores other cybercrime complexities in Nigeria such as common cybercrime taxonomies prosecution and conviction dynamics juxtaposing it with select case studies in other jurisdictions Drawing on extensive research the book offers crucial insights for policymakers researchers and the public interested in new trends in cybercrime digital forensic readiness Nigerian financial crime agencies and cybercrime investigations      **The Statutory Rules and Orders Revised**

Great Britain,1950      Challenging Issues and Accountability in Nigeria'S Public Administration B. Oyeniran Adediji,2012-08-30 Challenging Issues and Accountability in Nigerias Public Administration is an attempt to treat in essay form a wide range of topics which have recently gained the trend of intensive research focus and scholarly attention of the authors Here is a book which a selective reader can not afford to miss a book which a reader would continue to read times without number It is indeed an indispensable acquisition for personal and institutional libraries      Assets, Crimes and the State Katie

Benson,Colin King,Clive Walker,2020-02-05 Organised crime corruption and terrorism are considered to pose significant and unrelenting threats to the integrity security and stability of contemporary societies Alongside traditional criminal enforcement responses strategies focused on following the money trail of such crimes have become increasingly prevalent These strategies include anti money laundering measures to prevent dirty money from infiltrating the legitimate economy proceeds of crime powers to target the accumulated assets derived from crime and counter terrorist financing measures to

prevent clean money from being used for terrorist purposes This collection brings together 17 emerging researchers in the fields of anti money laundering proceeds of crime counter terrorist financing and corruption to offer critical analyses of contemporary anti assets strategies and state responses to a range of financial crimes The chapters focus on innovative anti financial crime measures and assemblages of governance that have become a feature of late modernity and on the ways in which individual nation states have responded to anti money laundering and counter terrorist financing requirements in light of their specific social political and economic contexts This collection draws on perspectives from law criminology sociology politics and other disciplines It adopts a much needed international approach focusing not only on expected jurisdictions such as the United States and United Kingdom but also on analysis from countries such as Qatar Kuwait Iran and Nigeria The authors stand out for their fresh and original research which places them at the cutting edge of the subject This book provides a comprehensive insightful and original study of an important and developing field for academics students practitioners and policymakers in multiple jurisdictions

*The Impact of Religion, Personality, Values and Worldviews on Attitudes Towards Human Rights* Modestus Chiedozie Adimekwe, 2024-09-04 This book provides a rigorous investigation into the adoption and culture of human rights in Nigeria with a focus on the human rights attitudes of Nigerian students Exploring the perceived paradox of enthusiastic endorsement of human rights instruments and their poor application in Nigeria the author uses an empirical theological research design to understand how young people in Nigeria evaluate human rights and which factors trigger their evaluation In doing so this book is the first to empirically examine the predictors of human rights attitudes among Nigerians and provides new insights into the degree of social significance of the religiosity of adolescents in the country It also offers a compelling quantitative analysis differences in human rights attitudes among Nigerian youth along religious lines Given the importance of a culture of human rights in our increasingly diverse societies and the salience of religion on this matter in Nigeria and across the African continent this book provides a valuable perspective on the interrelationships between religion value orientations personality traits socio political context and human rights Being concerned with the future of human rights in Nigeria the author argues that it is crucial to understand the religious factor among Nigerian students today This book is therefore recommended to educators especially teachers of Religion Education and scholars working in educational settings but will

also be of interest to researchers in social sciences public administrators and policymakers *Deeper Insight into Nigeria's Public Administration* Banji Oyeniran Adediji, 2013-12-18 *Deeper Insight into Nigeria's Public Administration* is a collection of a wider range of Public Administration topics to which scholars and authors have devoted attention in recent time Here is a lucidly written and presented book which selective scholars researchers and readers would find indispensably useful to procure for personal and institutional librarians

**Due Process in Nigeria's Administrative Law System** Oneyebuchi T. Uwakah, 1997 This book which relies on primary and secondary printed sources and a series of interviews with affected persons lawyers judges and customary court presidents in Nigeria focuses on the place of due process in the Nigerian legal system Uwakah is concerned about the abuse of this important fundamental right in his country The purpose of the book is to examine how due process operates in Nigeria and whether the coexistence of the customary law the English common law the Moslem law and the martial law systems in Nigeria hinders or enhances due process in the country Finally the study investigates the suitability of the British version of due process to Nigeria since the concept is imported to the country The book concludes that the British version of due process is unsuitable to Nigeria because the country's political economic social and religious backgrounds substantially differ from those of Britain This conclusion is premised on the consensus of the interviewees Uwakah recommends the country's immediate transition from military to civilian rule
