Nightmares And Daydreams A About Young Love And Horseracing:

Nightmares and Daydreams J. Ahrens, 2015-04-29 I was almost fifteen when I walked into the pool hall with Papa and met Caden Riley That day I had no idea my life was about to totally change I used to spend most of my time with boys playing soccer shooting hoops and watching action movies on Saturday afternoons I didn't care at all about fashions hair styles and dreams of romance But when I started developing curves and the boys noticed they wanted to play new games games I wasn't ready to play I still didn't like girl stuff I felt stuck in between If anybody had told me then that before I celebrated my sixteenth birthday I'd have a boyfriend one honest to goodness boyfriend I'd have told them No way never happen It happened I liked shooting pool playing poker and watching the ponies run at The Big Fresno Fair with Papa but owning a Thoroughbred racehorse even a baby one What a long shot that would be I did By the time I was seventeen my list of friends included an old horse doctor a very small time racehorse trainer a has been apprentice jockey and two college girls I'm Nicolasa Lucile de la Luz and this is my story This is J Alyn Ahrens premier novel She says one of the best things about writing horse racing stories is all the great people she gets to meet and the wonderful places she gets to visit while doing research

Nightmares and Daydreams Jeannine Dixon Seely, 2012-10 Nightmares and Daydreams is a love story it is also a life story proving that life as a child is not always what we hope it should be Two kids meet and magic happens but is it magical enough to soothe their battered souls What if your thirteen year old friend had his legs blown off from a discharged bazooka shell You an eleven year old boy sustained life threatening injuries as well What if that disaster happened in the basement of your very own home Not on the battlefield during World War II nor in a war at all In 1947 the tragedy flooded the airways and made the headlines in all of the Los Angeles newspapers What if your grandmother molested you in her cellar when you were just eight years old You a very private little girl kept it a secret No one else knew No one else will know until now The boy and the girl who experienced those nightmares explore the frightening incidents and delve deeply into their young unusual lifestyles So opposite of one another so hurt in different ways Both children on their own emotional roller coasters Now in Nightmares and Daydreams Jeannine explores the secrets of their confused and stressful childhoods But it was not all sorrow for the two and she shares some of their favorite side splitting stories of their screwy teen times madcap memories and far out antics they pulled off during their never dull fifty seven years of marriage

Then, I Awoke! Lanelle Kimball, 2007-11 How can recurring dreams and nightmares affect your life Then I Awoke was written in the hope that by sharing my own personal experiences with recurring dreams and nightmares others may benefit from them and better understand their own Then I Awoke is not a dream dictionary it is simply based on my experiences I describe the recurring nightmares and dreams and connect them to my everyday life as they occurred or became intertwined in my cognitive life The best way to accomplish this was to connect them with little short stories as they evolved in my life Twenty five years of recurring nightmares visions and sleepless nights related to the Apollo 1 disaster Agonizing questions that remained
