**Complete Branding** Shark Bite Coaching,2014-04-03 Practically every single individual today loves social media and perhaps most of us can t live without it There is some truth about it being an essential part of life but not all people know how important it is when it comes to building your brand Social media isn t just for fun social interaction and keeping up to date with the latest news and trends It can also be a very powerful tool for online branding In this guide you will see How to define the rules The importance of a name How to use publicity to your advantage The importance of keeping your company name separate from your product names Social marketing strategies to expand your brand s exposure Why you don t want to be a stuck up brand When to think locally and when to think globally And more Being a company you are to make the most

out of your product or brand It means you need to program it to be the best it can be The good thing is you are in complete control on that aspect of your business endeavor In fact you get control over the kind of image your brand wants to be known for as well as the kind of message you want to send out to your customers But then again you cannot forget the fact that it is the consumers that will always have the last word in determining if your brand will become a success or not This is the reason why it is very important to be sure you are holding and conducting focus groups and surveys These are effective means of getting information back from the people who are likely to purchase what you are offering It is your utmost responsibility to place priority on the creation and sustenance of an authentic and relevant presence online You will have to understand that social space is noisy in general The trash is increasingly growing in it That is why people and the brands they promote who will succeed are those who provide the ideal alternative to the noise and trash Being a brand marketer and an avid promoter of social media ethics yo
