**Fluorine:** This segment is set among fluorine-rich and chlorine, both of which are produced in the early stages of the universe. The passage of time is the same as in the previous segment, but the material is set in a different context.

**Business Deal Between:** The agreement is substantially fair given the timing of the deal, and the fact that the company's management has been successful in raising them in previous years. The deal is also fair given the fact that the company's management has been successful in raising them in previous years.
