Investigating Julius Drake Daisy Harris, 2016-10-03 After arriving at Seattle's prestigious Clinton Academy fourteen year old Henry Walker realizes he won't fit in. If he's going to run with the rich and powerful he'll have to hide his modest background, his lack of interest in girls and most importantly his fascination with his handsome but troubled classmate Julius Drake. When Julius draws Henry into the investigation of a classmate's suicide attempt Henry can't resist the case or Julius. Soon Henry's not only facing the truth about his feelings for Julius but also risking his life to unmask a social media imposter. The Other Woman is manipulating his classmates searching out their vulnerabilities and driving them to desperate actions. Julius himself is at risk what with his callous parents threatening to send him away and his mental health taking a beating both at school and at home. If Henry's going to save the day and get the boy of his dreams he'll have to stop worrying what everyone thinks and stop pretending to be someone he's not. Most of all Henry will have to be honest about who he loves. An ideal read for those interested in both suspenseful mysteries and in literature that navigates difficult issues from coming out to peer pressure. Foreword. See this title's page on RiptidePublishing.com for content warnings. **Twofer** Daisy Harris, 2015-12-22

Bottoms up If a college freshman can't get laid in sun-drenched Miami he's doing something wrong. Frankie Perez is determined to help his roommate get some man action in any way possible. When Frankie's arsenal of dating apps, fashion advice and playing hard to get lessons doesn't work he realizes Jeremy needs remedial help. Except tutoring Jeremy in the art of sex gets steamier than Frankie expected and it scares the hell out of him. Jeremy's not sure why he's wasting his time hooking up when he's only got eyes for the slinky sexy roommate he comes home to at night. But the hotter their chemistry simmers the quicker Frankie dances away. In near desperation Frankie suggests the two of them team up to find a third to top them both forgetting that two bottoms aren't immune from lusting after each other. In a world where every man is an option choosing one to love can be the sexiest risk of all. Warning: Contains questionable morals, copious immature hijinks, an X-rated photo shoot and disastrous threesomes. Sex toys were misused but not harmed in the making of this book.
