offers herself up as a sacrifice and sells the vial of dragon's blood. In return she will try to bear a Scottish dragon shifter a child. While the dragonman assigned to her is kind, Holly can't stop looking at his twin brother. It's going to take everything she has to sleep with her assigned dragonman. If she breaks the sacrifice contract and follows her heart, she'll go to jail and not be able to take care of her father. Even though he's not ready to settle down, Fraser MacKenzie supports his twin brother's choice to take a female sacrifice to help repopulate the clan. Yet as Fraser gets to know the lass, his dragon starts demanding something he can't have: his brother's sacrifice. Holly and Fraser fight the pull between them, but one nearly stolen kiss will change everything. Will they risk breaking the law and betraying Fraser's twin? Or will they find a way out of the sacrifice contract and live their own happily ever after?

THE DRAGON GUARDIAN Gina MacDonald may be pregnant and on the run, but she will do anything to protect her unborn child, even go up against a dragon shifter. While hiding in the wilds of the Scottish Highlands, she soon notices the black dragon perched on the nearby hills. She debates if he is related to her past or not, but then a pain overcomes her and the dragon finally swoops down to help. Despite her determination to stay clear of all dragon shifter males, his touch not only helps ease her tension, it sets her skin on fire. Fergus MacKenzie protects his clan by collecting information and warning them of threats. When a redheaded American shows up out of the blue along a nearby lake, he watches her to find out more. However, when he sees her bend over in pain, he flies down to help her. Afterward, he should walk away, but he can't stop thinking about her green eyes and addictive touch. Both man and beast want her more than anything in their lives. As Fergus learns more of Gina's past, he knows she will bring danger to his clan. Torn between protecting his family and following his heart, will Gina and Fergus be able to find a happy ending? Or will danger force Fergus to choose between love and clan?

THE DRAGON'S HEART Lorna MacKenzie lost her mate nearly thirty years ago. Dedicating her life to her children, she brushed off the thought of ever finding love again. After all, Jamie MacKenzie had been her true mate. Who could ever replace him? Ross Anderson came to Lochguard to be near his daughter and fight his cancer. Over the last six months, he's become close to one particular dragonwoman. However, he doesn't want to pursue her as a dying man. But now that his cancer is gone, Ross is determined to win Lorna's heart. As the pair fight their growing attraction to one another, the only question is: will Lorna open up to Ross, or will she forever hold on to the memory of her first love?
