## Nightlife Cal Leandros:

**Nightlife** Rob Thurman,2006-03-07 There are monsters among us There always have been and there always will be I've known that ever since I can remember just like I've always known I was one Well half of one anyway Welcome to the Big Apple There's a troll under the Brooklyn Bridge a boggle in Central Park and a beautiful vampire in a penthouse on the Upper East Side and that's only the beginning Of course most humans are oblivious to the preternatural nightlife around them but Cal Leandros is only half human His father's dark lineage is the stuff of nightmares and he and his entire otherworldly race are after Cal Why Cal hasn't exactly wanted to stick around long enough to find out He and his half brother Niko have managed to stay a step ahead for three years but now Cal's dad has found them again And Cal is about to learn why they want him why they've always wanted him for he is the key to unleashing their hell on earth The fate of the human world will be decided in the fight of Cal's life

**Doubletake** Rob Thurman,2012-03-06 Half human half monster Cal Leandros knows that family is a pain But now that pain belongs to his half brother Niko Niko's shady father is in town and he needs a big favor Even worse is the reunion being held by the devious Puck race including the Leandros friend Robin featuring a lottery that no Puck wants to win As Cal tries to keep both Niko and Robin from paying the ultimate price for their kin a horrific reminder from Cal's own past arrives to remind him that blood is thicker than water and that's why it's so much more fun to spill

**All Seeing Eye** Rob Thurman,2012-07-31 From the New York Times bestselling author of the Cal Leandros novels comes a bold new supernatural thriller Original

**Slashback** Rob Thurman,2013-03-05 I stopped and let them circle me first because it was intriguing and second because honestly what could they do Only knives but all armed and that made them even more interesting Interesting Fun Playtime Taking on bloodthirsty supernatural monsters is how Caliban and Niko Leandros make a living But years ago before they became a force to be reckoned with the brothers were almost victims of a very human serial killer Almost Unfortunately for them that particular depraved killer was working as apprentice to a creature far more malevolent the legendary Spring heeled Jack He's just hit town He hasn't forgotten what the Leandros brothers did to his murderous protégé He hasn't forgotten what they owe him And now they are going to pay and pay and pay

**Basilisk** Rob Thurman,2011-08-02 Stefan Korsak and his genetically altered brother have evaded the Institute for three years When they learn the new location of the secret lab they plan to break in and save the remaining children there But one of the little ones doesn't want to leave She wants to kill

**The Grimrose Path** Rob Thurman,2010-09-07 National bestselling author of Roadkill Bar owner Triva Iktomi knows that inhuman creatures of light and darkness roam Las Vegas especially since she's a bit more than human herself She's just been approached with an unusual proposition Something has slaughtered almost one thousand demons in six months And the killing isn't going to stop unless Trixa and her friends step into the fight Watch a Video

**Nevermore** Rob Thurman,2015-12-01 People die Everyone knows that I knew it intimately as everyone in my life died thanks to my one seemingly harmless mistake I'd brought down Heaven lifted up Hell and set the

world on fire all due to one slip of the memory I forgot the pizzas Caliban is a dead man The Vigil a group devoted to concealing the paranormal from humanity has decided Cal has stepped out of the shadows once too often and death is the only sentence They plan to send a supernatural assassin into the past to take down the younger less lethal Cal But things change when The Vigil makes one last attempt on Caliban s life in the present and end up destroying everyone and everything he cares about Now Cal has to save himself warn those closest to him and kill every Vigil bastard who stole his world But if he fails he and everyone in his life will be history      **Blackout** Rob Thurman,2011-03-01 When half human Cal Leandros wakes up on a beach littered with the slaughtered remains of a variety of hideous creatures he s not that concerned In fact he can t remember anything including who he is And that s just the way his deadly enemies like it      Deathwish Rob Thurman,2009-03-03 In a nightmarish New York City life is there for the taking in the fourth Cal Leandros novel from New York Times bestselling author Rob Thurman Half human Cal Leandros and his brother Niko are barely getting by with their preternatural investigative agency when the vampire Seamus hires them He s being followed and he wants to know by whom But the Leandros brothers have to do more than they planned when Seamus turns up dead or un-dead Worse still is the return of Cal s nightmarish family the Auphe The last time Cal and Niko faced them they were almost wiped out Now the Auphe want revenge And Cal knows that before they get to him they will destroy everything and everyone he holds dear Because for the Auphe Cal s pain is a pleasure And they re feeling good      Downfall Rob Thurman,2014-08-05 I let it go all of it Everything I d been saving up all my life building and growing inside me too much to hold in one half human body It pushed and fought to be free with a force that turned me into a bomb with a timer vibrating on zero I was free But so was everything I d fought so hard not to be Brothers Cal and Niko Leandros know trouble when they see it and then proceed to wipe the floor with it But now it seems their whole world is falling to pieces Cal s nightmarish monster side is growing ever stronger changing Cal physically as well as mentally Which is exactly what Grimm Cal s savage doppelgänger wants And when a covert supernatural organization decides that it s time to put Cal down before he threatens pretty much everything else in existence the brothers find themselves in a fight they actually might lose But the dark temptations Cal has denied all his life may prove to be exactly what can save them Even if he must fall forever      **Chimera** Rob Thurman,2010-06-01 View our feature on Rob Thurman s Chimera New from the national bestselling author of Roadkill A sci fi thriller that asks the questions What makes us human What makes us unique And what makes us kill Ten years ago Stefan Korsak s younger brother was kidnapped Not a day has passed that Stefan hasn t thought about him As a rising figure in the Russian mafia he has finally found him But when he rescues Lukas he must confront a terrible truth his brother is no longer his brother He is a trained genetically altered killer Now those who created him will do anything to reclaim him And the closer Stefan grows to his brother the more he realizes that saving Lukas may be easier than surviving him Watch a Video      Right Hand Magic Nancy A. Collins,2010-12-07 Like most Manhattanites aspiring artist Tate can t resist a good rental deal even if it s in the city

s strangest neighborhood Gotham where for centuries werewolves centaurs and countless other creatures have roamed the streets Her new landlord is a sorcerer name Hexe who is determined to build his reputation without using dark left hand magic As Tate is drawn into Hexe s fascinating world they both find that the right hand does not always know what the left hand is doing and avoiding darkness is no easy trick View our feature on Nancy A Collins Right Hand Magic [Roadkill](#) Rob Thurman,2010-03-02 New from the national bestselling author of Deathwish It s time to lock load and hit the road Once while half human Cal Leandros and his brother Niko were working on a case an ancient gypsy queen gave them a good old fashioned backstabbing Now just as their P I business hits a slow patch the old crone shows up with a job She wants them to find a stolen coffin that contains a blight that makes the Black Death seem like a fond memory But the thief has already left town so the Leandros brothers are going on the road And if they re very very lucky there might even be a return trip
