GRACE PALEY

Nights In The Gardens Of Brooklyn New York Review Books Classics

Henry Adams

Nights In The Gardens Of Brooklyn New York Review Books Classics:

Nights in the Gardens of Brooklyn Harvey Swados, 2004-05-31 There was a time when New York was everything to me my mother my mistress my Mecca when I could no more have wanted to live any place else than I could have conceived of myself as a daddy disciplining my boy and dandling my daughter So begins *Nights in the Gardens of Brooklyn* which gives its title to Harvey Swados's collected stories In this beautiful and heartbreaking novella Swados describes a generation aflame with romance and disillusion in search of pleasures and answers and shows how the demands of love and life temper its hopes and fears It is a perennial story told by Swados in straightforward and lyrical prose and with tremendous sympathy and without doubt one of the most enduring achievements of postwar American fiction Harvey Swados's many splendid stories speak of work friendship and family They are about the common world as well as the final loneliness from which the common world cannot protect us And yet Swados as Richard Gilman has written was above all concerned with the

breakthrough into true feeling the attainment of moral dignity and the linking up with others through compassion [The Red Thread: Twenty Years of NYRB Classics](#) Edwin Frank, 2019-09-24 To celebrate the 20th anniversary of NYRB Classics a handpicked anthology of selections from the series In Greek mythology Ariadne gave Theseus a ball of red thread to guide him through the labyrinth and the Red Thread offers a path through and a way to explore the ins and outs and twists and turns of the celebrated NYRB Classics series now twenty years old The collection brings together twenty five pieces drawn from the more than five hundred books that have come out as NYRB Classics over the last twenty years Stories essays interviews poems along with chapters from novels and memoirs and other longer narratives have been selected by Edwin Frank the series editor to chart a distinctive entertaining and thought provoking course across the expansive and varied terrain of the Classics series *American Book Publishing Record*, 2003 **Novels in Three Lines** Félix

Fénéon, 2011-08-17 A NEW YORK REVIEW BOOKS ORIGINAL *Novels in Three Lines* collects more than a thousand items that appeared anonymously in the French newspaper *Le Matin* in 1906 true stories of murder mayhem and everyday life presented with a ruthless economy that provokes laughter even as it shocks This extraordinary trove undiscovered until the 1940s and here translated for the first time into English is the work of the mysterious Félix Fénéon Dandy anarchist and critic of genius the discoverer of Georges Seurat and the first French publisher of James Joyce Fénéon carefully maintained his own anonymity toiling for years as an obscure clerk in the French War Department *Novels in Three Lines* is his secret chef d'oeuvre a work of strange and singular art that brings back the long ago year of 1906 with the haunting immediacy of a photograph while looking forward to such disparate works as Walter Benjamin's *Arcades Project* and the Death and Disaster series of Andy Warhol *Afloat* Guy de Maupassant, 2008-04-29 *Afloat* originally published as *Sur l'eau* in 1888 is a book of dazzling but treacherously shifting currents a seemingly simple logbook of a sailing cruise along the French Mediterranean coast that opens up to reveal unexpected depths as Guy de Maupassant merges fact and fiction dream and documentation in

a wholly original style Humorous and troubling stories unreliable confessions stray reminiscences and thoughts on life love art nature and society all find a place in Maupassant's pages which are in conception and in effect so many reflections of the fluid sea on which he finds himself happily but forever precariously afloat Afloat is thus a book that in both content and form courts risk while setting out to chart the meaning and limits of freedom a book that makes itself up as it goes along and in doing so proves as startling and compellingly vital as the paintings of Maupassant's contemporaries van Gogh and Gauguin

Forthcoming Books Rose Arny, 2003-12 The Jeffersonian Transformation Henry Adams, 2006-09-19 A New York Review Books Original The ideal introduction and companion to Adams's massive and magisterial history of the administrations of Jefferson and Madison presenting an indelible picture of America's startling rise to world power Henry Adams's nine volume History of the United States of America During the Administrations of Jefferson and Madison is the first great history of America as well as the first great American work of history one that rivals Gibbon's Decline and Fall of the Roman Empire in its eloquence and sweep But where Gibbon told of imperial collapse Adams recorded the rise of an unprecedented new power America which he shows beat nearly inconceivable odds to expand in a mere seventeen years 1800 to 1817 from a backward provincial outpost to an imperial power What made this transformation all the more unexpected was that it occurred under the watch of two presidents who were in principle dead set against it but whose policies promoted it energetically A masterpiece not only of research and analysis but of style and art Adams's history is a splendid coming of age story with romantic and even comic overtones recording a young nation's amazed awakening to its own unsuspected promise The Jeffersonian Transformation presents a new selection from Adams's History the first to bring together in one volume the opening and closing sections of the work with an introduction by the historian and political commentator Garry Wills The two sections of Adams's History included here present a bold picture of America before and after the Jeffersonian transformation Together they define the scope and argument of the History as a whole while raising still provocative questions about the relationship between American democracy and American empire Bowker's Guide to Characters in Fiction 2007 , 2008-02 **Saturday Review of Literature** , 1926 Publishers' Circular and Booksellers' Record of British and Foreign Literature , 1907 **The Publishers Weekly** , 1911 Poison Penmanship Jessica Mitford, 2012-05-09 Jessica Mitford was a member of one of England's most legendary families among her sisters were the novelist Nancy Mitford and the current Duchess of Devonshire and one of the great muckraking journalists of modern times Leaving England for America she pursued a career as an investigative reporter and unrepentant gadfly publicizing not only the misdeeds of most famously the funeral business The American Way of Death a bestseller and the prison business Kind and Usual Punishment but also of writing schools and weight loss programs Mitford's diligence unfailing skepticism and acid pen made her one of the great chroniclers of the mischief people get up to in the pursuit of profit and the name of good Poison Penmanship collects seventeen of Mitford's finest pieces about everything from crummy spas to network TV

censorship and fills them out with the story of how she got the scoop and no less fascinating how the story developed after publication The book is a delight to read few journalists have ever been as funny as Mitford or as gifted at getting around in those dark cobwebbed corners where modern America fashions its shiny promises It s also an unequalled and necessary manual of the fine art of investigative reporting

People of the City Cyprian Ekwensi, 2020-06-09 A vivid coming of age tale about a young man trying to make his way as a journalist and band leader in a big Nigerian city When Chinua Achebe became the editor of the legendary Heinemann African Writers Series one of the first books he chose was a collection of stories by Cyprian Ekwensi People of the City Ekwensi s early masterpiece is the tale of Amusa Sango a young man who travels from the country to a great and crazy city that is not named but might well be taken for Lagos where he means to make a career as a crime reporter for the never less than sensational West African Sensation while leading a dance band whose calypsos and konkomas delight the heart of city women Amusa is a man on the make looking for stories success sex maybe even love and he finds a lot of what he s looking for though whether he can hold on to what he has and get what he wants is another story altogether Ekwensi s delicious novel has the swagger bravado and elation of the great bands of West Africa

Men and Gods Rex Warner, 2008-01-08 This outstanding collection brings together the novelist and scholar Rex Warner s knack for spellbinding storytelling with Edward Gorey s inimitable talent as an illustrator in a memorable modern recounting of the most beloved myths of ancient Greece Writing in a relaxed and winning colloquial style Warner vividly recreates the classic stories of Jason and the Argonauts and Theseus and the Minotaur among many others while Gorey s quirky pen and ink sketches offer a visual interpretation of these great myths in the understated but brilliantly suggestive style that has gained him admirers throughout the world These tales cover the range of Greek mythology including the creation story of Deucalion and Pyrrha the heroic adventures of Perseus the fall of Icarus Cupid and Psyche s tale of love and the tragic history of Oedipus and Thebes Men and Gods is an essential and delightful book with which to discover some of the key stories of world literature

Poems of the Late T'ang , 2008-01-22 Classical Chinese poetry reached its pinnacle during the T'ang Dynasty 618-907 A.D. and the poets of the late T'ang a period of growing political turmoil and violence are especially notable for combining striking formal innovation with raw emotional intensity A.C. Graham s slim but indispensable anthology of late T'ang poetry begins with Tu Fu commonly recognized as the greatest Chinese poet of all whose final poems and sequences lament the pains of exile in images of crystalline strangeness It continues with the work of six other masters including the cold poet Meng Chiao who wrote of retreat from civilization to the remoteness of the high mountains the troubled and haunting Li Ho who as Graham writes cultivated a wholly personal imagery of ghosts blood-dying animals weeping statues whirlwinds the will-o-the-wisp and the shimmeringly strange poems of illicit love and Taoist initiation of the enigmatic Li Shang-yin Offering the largest selection of these poets work available in English in a translation that is a classic in its own right Poems of the Late T'ang also includes Graham s searching essay The Translation of Chinese Poetry as well as

helpful notes on each of the poets and on many of the individual poems **The Three Christs of Ypsilanti** Milton Rokeach, 2011-04-19 NOW A MAJOR MOTION PICTURE This landmark case study of three schizophrenic patients offers a rare and eccentric journey into madness shining a light on the ethical dilemmas of institutionalized care in the mid 20th century Slate On July 1 1959 at Ypsilanti State Hospital in Michigan the social psychologist Milton Rokeach brought together three paranoid schizophrenics Clyde Benson an elderly farmer and alcoholic Joseph Cassel a failed writer who was institutionalized after increasingly violent behavior toward his family and Leon Gabor a college dropout and veteran of World War II The men had one thing in common each believed himself to be Jesus Christ Their extraordinary meeting and the two years they spent in one another's company serves as the basis for an investigation into the nature of human identity belief and delusion that is poignant amusing and at times disturbing Displaying the sympathy and subtlety of a gifted novelist Rokeach draws us into the lives of three troubled and profoundly different men who find themselves confronted with the ultimate contradiction conceivable for human beings more than one person claiming the same identity **New York Times Saturday Review of Books and Art** ,1969 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback

Nothing but the Night John Williams, 2019-02-12 Stoner author John Williams's first novel is a searing look at a man's relationship with his absent father and how early trauma manifests throughout one's life John Williams's first novel is a brooding psychological noir Arthur Maxley is a young man at the end of his emotional rope Having dropped out of college he's holed up in a big city hotel living off an allowance from his family feeling nothing but alone and doing nothing but drinking to forget it What's brought him to this point Something is troubling him something is haunting him something he cannot bring himself either to face or to turn away from And now his father has come to town a hail fellow well met kind of guy They've been estranged for years and yet Arthur wants to meet and so he does reeling away from the encounter for a night of drinking and dancing and a final reckoning with the traumatizing past that readers will not soon forget This edition of *Nothing but the Night* includes an interview with Nancy Gardner Williams the author's widow **Saturday Review of Literature** ,1935 **The New York Times Book Review** ,1982
