Nikon Coolpix 2500 Manual:

Photographer's Guide to the Nikon Coolpix P610 Alexander S. White, 2015-05-12 This book is a complete guide to the operation and features of the Nikon Coolpix P610 digital camera. The book explains all shooting modes, menu functions, and controls of this superzoom camera in clear language, accompanied by more than 350 full color illustrations and sample photographs. This guide shows beginning and intermediate photographers how to capture still images and videos with the Coolpix P610 and how to use the camera's many shooting options to get the results they want. The book explains topics such as autofocus, manual focus, aperture priority, shutter priority, HDR (High Dynamic Range) photography, ISO, memory cards, and flash modes. The book includes a discussion of techniques for using the camera's phenomenal zoom lens with a maximum focal length of 1440mm to full advantage. The book also discusses the camera's features for image transfer and remote control through the P610's built-in wireless Wi-Fi network, as well as its features for adding location data to images through its GPS capability. The book includes sample images taken using the creative settings of the camera, including the Picture Control settings which alter the color processing of images, the Scene and Special Effects shooting modes with settings optimized for subjects such as landscapes, portraits, pets, sunsets, and action shots, and the camera's features for continuous burst shooting and time lapse photography. In addition, the book provides introductions to topics such as infrared photography, street photography, and macro photography. The book also explains the video recording abilities of the Coolpix P610, which can shoot high definition HD video with stereo sound and can record clips of high speed video at rates up to 4 times normal speed. In addition, the book describes procedures for playing back images and videos in the camera and for using the Filter Effects option to add special effects to images after they have been captured. In three appendices, the book discusses accessories for the Coolpix P610, including cases, external flash units, and charging and power options. The appendices include a list of useful web sites and other resources, as well as a section with quick tips to help users take advantage of the camera's features in the most efficient ways possible.

Photographer's Guide to the Nikon Coolpix P520 Alexander S. White, 2013-05-01 This book is a complete guide to the operation and features of the Nikon Coolpix P520 compact digital camera.
