Mastering the Nikon D7000 Darrell Young, 2011 Young explores the features and capabilities of the camera in a way that far surpasses the user s manual He guides readers through features with step by step setting adjustments color illustrations and detailed how when and why explanations for each option

Nikon D7100 a Guide for Beginners Scott Casterson, 2016-04-06 In February 2013 Nikon introduced its latest model camera the Nikon D7100 It features a 24.1 megapixel digital single lens reflex and takes the place of the Nikon D7000 as Nikon s leading DX format camera The Nikon D7100 is a fit between Nikon s entry level and proficient DSLR models It is estimated the Nikon D7100 s will go for US 949.95 for the shell only in the United States

Vol. 26: Medium-Format Photography: Getting Started Shawn M. Tomlinson, 2018-12-14 Simply put medium format photography is quite a bit more complex than shooting with 35mm film SLRs or 35mm style DSLRs It takes a bit more skill and experience to handle medium format cameras Not only do you need to learn to think differently about how you shoot but you also have a whole new type of equipment to learn Medium format cameras produce bigger images which allows for more detail and greater enlargement And because they in general were designed for professional photographers the lenses tend to be of better quality than most 35mm lenses which also adds to the detail in the images In this book we ll take a look at medium format SLRs and TLRs and we ll even touch upon some other types We ll also consider a few lenses although these largely are a matter of choice And there are far fewer choices for medium format cameras than for other types Time to do some weight training and heft those medium format cameras and lenses into position Let s go

Vol. 31: Going Film Pro II: The Canon EOS 1N: Standard Edition Shawn M. Tomlinson, 2018-12-31 In some ways the Nikon F5 is easier to use than the Canon EOS 1N but it is not nearly as elegant There s just something about the way the Canon EOS 1N feels in my hands when I m shooting with it that makes me never

want to put it down In that way it reminds me much more of the Nikon F4S than the Nikon F5 Practically since I placed the order for the camera it was inevitable that I would need to write about it If you are seeking the perfect late model film SLR camera you need look no further than the second to last pro level Canon EOS 1N Just load a roll of film take the camera in your hands and start shooting You too will never want to let it go

My Daddy Yusuph Koni, 2021-08-18 Do fathers love their children more than the mothers do Why or why not Yusuph is Tanzania Congolese boy who born and grow in Tanzania with unaware of his mother s Tecla and father s Joseph love for him because of some complicated situation As Yusuph grew up he longed to live with his family but at the end he received bad news of Joseph s death I literally can t remember what was my dad looks like or his voice or anything about him but there are still some missing pieces of him deep down inside me that I brought into my countless dreams of him Father will say they love their children just as much as their Mothers but it looks different on the outside He buried him in his mind and transform almost every aspect of his live he decided to pursue his new dream of not letting his children go through the life he went through Yusuph and Samir were selected by the college to study abroad Father tend to love their children in the way they perceive is the best but mother love their children in the way they can best perceive it So from children s perspective the father s love may seem to be less than the mothers Samir explore Yusuph s life situation to accomplish writing his own novel He s committed to reading as many novels as he can hoping that one day he ll find something to write about in his novel but still I wish I could tell my life story so he could write something

THE BEGINNING OF NOVEL WITHIN A NOVEL Later on Yusuph find out that before Joseph death he left special love message for him about his steps sister Clementine who live in Drc Congo It is very difficult for Yusuph to go meet his step sister because he want to spend most of his time with his girlfriend Naomy for his future family As time goes by pain of loosing Joseph never leaves Yusuph The foot prints our loved ones leave on our souls are permanent Never to be filled with another Never forgotten They live on in our memories and in our hearts The importance of fatherhood extend beyond a provider Keep that in mind Yusuph couldn t deal with the future while he didn t clean all of his past memory Now we re all together and we can t shake hands We can t kiss Hugging each other is a test for us Having sex is also a problem I don t think if we will get married Bearing children is a dream Mother s love is mild while father s love is shape They are different but neither is dispensable Instead to go study abroad he go to meet Clementine because she is the one who will restore all the love he had for Joseph without care if there a civil war Yusuph s heart beat thump thump His finger is taking up trigger slack He holds off as Justine Rebel continues to drag Clementine backward into the woods So yeah I think fathers love their children but they way they express it can sometimes be misunderstood or undervalued

Zirlinson Publishing: 35 Years 1983-2018: A History in Cover Art Shawn M. Tomlinson, 2018-12-16 It has been a long strange road and probably has no end clearly in sight Many more books are in the works as I write this in early December 2018 For example I have published nine novels to date and am writing nine more with plans for some beyond that The Shawn M Tomlinson s Guide to

Photography series has 29 titles in print with another five or six nearly complete and plans for 30 to 40 more I m also trying to rework and rearrange those books into omnibus editions by chronology and by theme I never will get every book done I want to do but it keeps me busy I always planned on putting out a catalog of all the Zirlinson Books but kept getting waylaid for one reason or another until now This catalog is available as a print book in color The color print book will be cost prohibitive for many people so there likely will be a black and white version available too

UV-Vis Luminescence Imaging Techniques / Técnicas de imagen de luminiscencia UV-Vis Picollo, Marcello, Stols-Witlox, Maartje, Fuster López, Laura, 2020-03-04 Ever since its first introduction in the field of conservation the role of UV VIS luminescence fluorescence UVL and UVf respectively imaging has been expanding The unique and significant contribution of this technique for investigation of cultural heritage has led to the development of new methodologies and applications Each chapter in this volume can be read independently While this means that some repetition may occur between the individual chapters in particular regarding the explanation of terminology and methodology such overlap provides interesting opportunities for cross comparison of both terminology and methodology In addition it highlights similarities and differences between different situations in the practical application
