

OUR SAVIOUR HAS ARRIVED

Elijah Muhammad

MESSANGER OF ALLAH

Our Saviour Has Arrived

Anthony B. Pinn

Our Saviour Has Arrived:

Our Saviour Has Arrived Elijah Muhammad, 1974 This title addresses the creation of God the New World and what is referred to as the metaphysical side of Elijah Muhammad's teaching. It eloquently delves into the subject of form and spirit in the simplest terms. The relationship of Jesus, Joseph, and Mary is given a critical analysis as it relates to blacks in America.

Urban Apologetics Eric Mason, 2021-04-06 Urban Apologetics examines the legitimate issues that Black communities have with Western Christianity and shows how the gospel of Jesus Christ rather than popular socioreligious alternatives restores our identity. African Americans have long confronted the challenge of dignity destruction caused by white supremacy. While many have found meaning and restoration of dignity in the black church, others have found it in ethnocentric socioreligious groups and philosophies. These ideologies have grown and developed deep traction in the black community and beyond. Revisionist history, conspiracy theories, and misinformation about Jesus and Christianity are the order of the day. Many young African Americans are disinterested in Christianity, and others are leaving the church in search of what these false religious ideas appear to offer: a spirituality more indigenous to their history and ethnicity. Edited by Dr. Eric Mason and featuring a top-notch lineup of contributors, Urban Apologetics is the first book focused entirely on cults, religious groups, and ethnocentric ideologies prevalent in the black community. The book is divided into three main parts: Discussions on the unique context for urban apologetics so that you can better understand the cultural arguments against Christianity among the Black community; Detailed information on cults, religious groups, and ethnic identity groups that many urban evangelists encounter, such as the Nation of Islam, Kemetic spirituality, African mysticism, Hebrew Israelites, Black nationalism, and atheism; Specific tools for urban apologetics and community outreach. Ultimately, Urban Apologetics applies the gospel to black identity to show that Jesus is the only one who can restore it. This is an essential resource to equip those doing the work of ministry and apology in urban communities with the best available information.

Islamic Impostors Poray Sr. Casimier, 2004-07 From the obscure beginnings of a 1930s ghetto in Detroit to international acclaim, Black Muslims have evoked fright, mystery, and hostility. The Nation of Islam received little attention from the black Christian church despite its blatantly blasphemous teachings. In weekly radio broadcasts, Elijah Muhammad taught that his doctrine was superior to the Bible and Quran; his mentor was the Messiah God spoken of in Scripture; and Jesus died in front of a Jewish storefront and remains buried in Jerusalem. From the early 1980s, Louis Farrakhan has taught Elijah's doctrine with one major difference: he stands in the pulpits of Christian churches, mesmerizing the biblically illiterate. Islamic Impostors carefully details the irreconcilable differences between Christians, Black Muslims, and Islam while providing a biblical critique to aid the Christian church.

The Nation of Islam Steven Tsoukalas, 2021-05-16 The Nation of Islam promises African Americans a new identity and purpose. But can it deliver? In this intriguing study, Steven Tsoukalas helps us understand the struggle, history, and theology behind black nationalism so that we may respond with compassion and truth.

Terror and Triumph Anthony B.

Pinn,2022-07-26 Given the unique history of African Americans and their diverse religious flowering in Black Christianity the Nation of Islam voodoo and others what is the heart and soul of African American religious life As a leader in both Black religious studies and theology Anthony Pinn has probed the dynamism and variety of African American religious expressions In this work based on the Edward Cadbury Lectures at the University of Birmingham England he searches out the basic structure of Black religion tracing the Black religious spirit in its many historical manifestations Pinn finds in the terrors of enslavement of Black bodies and subsequent oppressions the primal experience to which the Black religious impulse provides a perennial and cumulative response Oppressions entailed the denial of personhood and creation of an object the negro Slave auctions punishments and later lynchings created an existential dread but also evoked a quest a search for complex subjectivity or authentic personhood that still fuels Black religion today In this 20th anniversary edition of Pinn s groundbreaking work the author offers a new reflection on the argument in retrospect and invites a panel of five contemporary scholars to examine what it means for current and future scholarship Contributors include Keri Day Sylvester Johnson Anthony G Reddie Calvin Warren and Carol Wayne White *Knowledge of the Gods* A.
