consequences of these books Spanning decades and nations styles and subjects he analyzes the hallmark memoirs of the Western tradition Rousseau Ben Franklin Henry Adams Gertrude Stein Edward Gibbon among others Yagoda also describes historical trends such as Native American captive memoirs slave narratives courtier dramas where one had to pay to NOT be included in a courtesan s memoir Throughout the idea of memory and truth how we remember and how well we remember lives is intimately explored Yagoda s elegant examination of memoir is at once a history of literature and taste and an absorbing glimpse into what humans find interesting one another *Literary Interventions in the Campaign Biography* Michael J. Blouin,2021-11-28 *Literary Interventions in the Campaign Biography* considers campaign biographies written by major authors including Nathaniel Hawthorne William Dean Howells Lew Wallace Jacob Riis and Rose Wilder Lane Whereas a number of cultural historians have previously considered campaign biographies to be marginal or isolated from the fictional output of these figures this volume revisits the biographies in order to understand better how they inform and are informed by seismic shifts in the literary landscape The book illuminates the intersection of American literature and politics while charting how the Presidency has developed in the public imagination In so doing it poses questions of increasing significance about how we understand the office as well as its occupants today **Multitudinous Heart** Carlos Drummond de Andrade,2015-06-23 A selection of the finest poems from the preeminent Brazilian poet of the twentieth century Focus On: 100 Most Popular American Dance Musicians Wikipedia contributors, Rhetorical Investigations Leslie Gardner,2013-04-12 Rhetorical analysis of texts exposes plausible truths and presumptions implied by the writer s presentation In this volume Leslie Gardner analyses the master psychologist Jung who claimed to be expert at uncovering personal psychological truths In his theoretical writings his rhetoric reveals philosophical ramifications which bear strong similarities to those of the rhetorician of the 18th century Italian philosopher Giambattista Vico This book is driven by an interest in arguing that it is possible to read Jung s works easily enough when you have a set of precepts to go by The paradox of scientific discovery being set out in Jung s grotesque and arcane imagery begins to seem a startling and legitimate psychology for the 21st century It is time Jungian studies took on this most appropriate examination of analytical psychology Bringing Vico to bear directly on Jung s thought has only been cursorily attempted before although much alluded to We find indeed that some of Jung s ideas derive directly from rhetorical theory and this volume proposes to highlight Jung s innovations and bring him into forefront of contemporary psychological thought Rhetorical Investigations will be of interest to analysts and academics and also to those studying philosophy and psychology **Lillian Hellman** Deborah Martinson,2011-06-01 Few literary celebrities have lived with more abandon and under a brighter spotlight than Lillian Hellman Even fewer have been doubted as absolutely as Hellman famously denounced by rival Mary McCarthy Attacked by critics and idealized by admirers Hellman s determination to control and manipulate her image helped make her a figure of unknowable half truths and rumors Until now Lillian Hellman A Life with Foxes and Scoundrels is the first biography of the

iconoclastic playwright written with the full cooperation of her family friends and inner circle Deborah Martinson moves beyond the myths around Hellman and finds the sassy outrageous woman committed to writing to politics and to having her say Martinson's research through interviews archives recently declassified CIA files and her unprecedented access to Hellman's confidants paints the most complete and surprisingly admiring portrait of this remarkable writer that we've ever had Distinctly American a New Orleans Jew with one foot in Manhattan and one in Hollywood a writer whose experience spanned the Great Depression the Cold War and the Nixon years Hellman lives again in this riveting biography facing the world with wit truth lies and chutzpah
