Dray, 2006-11-22 Evangelical interpretation of 1 Timothy 2 8 15 certainly at the level of detail has in the period from 1945 to 2001 changed from one of received consensus to confused plurality This thesis provides an explanation of this phenomenon by identifying and analysing the influences within evangelical interpretation that contributed to and shaped it The first part of the thesis Section A is foundational It establishes the validity of using the term Evangelical as an heuristic concept and provides by means of a wide ranging and unique analysis of published discussions of 1 Timothy 2 8 15 the necessary evidence to demonstrate the changes that took place The major part of the thesis Sections B and C provides for the first time a detailed investigation of these changes This is undertaken with a view to establishing i the factors that contributed to establishing the early consensus ii the circumstances which acted as catalysts to review and on going change and iii the developments which shaped the manner in which discussion subsequently took place and which contributed to the plethora of contemporary interpretations of 1 Timothy 2 8 15 In doing so it adopts a methodology which self consciously combines both diachronic and synthetic approaches and is thus able a to isolate more effectively major trends and their development and b to provide a framework for a more rigorous analysis The resulting study concludes Section D that evangelical interpretation of 1 Timothy 2 8 15 for the period from 1945 to 2001 was embedded in and shaped by contemporary social and ecclesiastical changes and by its own internal dynamics as it responded to these developments In particular differing responses to emerging theological linguistic historical and cultural discussions and to contemporary hermeneutical debates have proved decisive While two broadly distinguishable and conflicting approaches developed they spawned a plethora of different exegetical options and variant interpretations *The Sacred Slow* Alicia Britt Chole, 2017-09-26 Tired of quick fixes and fast faith The Sacred Slow is an invitation to unhurried honesty before God If yesterday s word was simple tomorrow s word will be slow Our culture is shifting from fast food to healthy food both physically and spiritually Self care soul care life coaches and spiritual retreats all show our dissatisfaction in quick fixes and fast faith The Sacred Slow is an invitation to unhurried honesty before God Formatted as 52 experiences The Sacred Slow reminds readers on every page that God never wanted to use them He always wanted to love them The overflow of Dr Alicia Britt Chole s more than thirty years as a spiritual mentor to leaders and learners as well as her personal practical and penetrating tone will guide you to a richer more life giving relationship with God Perfect for use as a devotional or in small groups each chapter features A short unexpected reading Two options for application a thought focus or a heart exercise Encouragement to develop growing sustainable intimacy with God Whether you re exhausted by emptiness or worn from weariness you ll discover healing and restoration in these pages In this age of distraction learn to slow down and reorient your life to learn grow and experience God as never before Standing on the Promises Our Daily Bread, James Banks, Anne
