Oswald Jacoby's Complete Canasta Oswald Jacoby, 1913 **World War II and the Postwar Years in America**
William H. Young, Nancy K. Young, 2010-09-17 More than 150 articles provide a revealing look at one of the most
tempestuous decades in recent American history describing the everyday activities of Americans as they dealt first with war
and then a difficult transition to peace and prosperity The two volume **World War II and the Postwar Years in America A**
Historical and Cultural Encyclopedia contains over 175 articles describing everyday life on the American home front during
World War II and the immediate postwar years Unlike publications about this period that focus mainly on the big picture of
the war and subsequent economic conditions this encyclopedia drills down to the popular culture of the 1940s bringing the
details of the lives of ordinary men women and children alive The work covers a broad range of everyday activities
throughout the 1940s including movies radio programming music the birth of commercial television advertising art
bestsellers and other equally intriguing topics The decade was divided almost evenly between war 1940 1945 and peace 1946
1950 and the articles point up the continuities and differences between these two periods Filled with evocative photographs
