who materialised spirits to the epiphanic experiences of the New Woman from theosophy to telepathy This volume addresses the various ways in which Victorian women expressed themselves and were constructed by the occult through a broad range of texts By examining the roles of women as automatic writing mediums spiritualists authors editors theosophists socialists and how they interpreted the occult in their life and work the contributors in this edition return to sensation novels ghost stories autobiographies s ances and fashionable magazines to access the visible and invisible worlds of Victorian life The variety of texts analysed by the authors in this collection demonstrates the many interpretations of the occult in nineteenth century culture and the ways that women used supernatural imagery and language to draw attention to issues that bore immediate implications on their own lives Either by catering for the fad of ghost stories or by giving public trance speeches women harnessed the metaphorical and financial forces of the supernatural As the articles in this book demonstrate the occult was after all a female affair This book was published as a special issue of *Women s Writing* Carry A. Nation Fran Grace, 2001-07-20 Carry A Nation Retelling the Life Fran Grace The story of one of America s most notorious and misunderstood women Carry Nation was 54 when she smashed her first saloon but her life before she started her infamous hatchet crusade has been little known until now In this first scholarly biography of Nation Fran Grace unfolds a story that often contrasts with the image of Nation as Crazy Carry a bellicose blue nosed man hating killjoy Using newly available archival materials and placing Nation in her various historical and cultural contexts Grace retells the crusader s tumultuous life Brought up in antebellum Kentucky Nation lived through the devastation of the Civil War and endured a failed marriage to an alcoholic physician In her early 20s a single mother and a destitute widow she experienced a spiritual crisis Her second marriage to a much older David Nation grew strained under the failure of their Texas farm her exploration into Holiness religion and her attempts to work outside the home When the couple moved to Kansas Nation s disappointments translated into an agenda for social reform Frustrated by the rampant violations of the state s prohibition law and empowered by a sense of divine mission Nation responded with rocks crowbars and hatchets Though much of her last two decades was spent on stage or in jail and in battles with other family members over the future of her unstable adult daughter she edited two newspapers and founded several homes for abused and needy women This complexly woven and delightfully written biography adds depth to the popular image of Carry Nation situating her at the center of major cultural currents in her time Fran Grace is Assistant Professor of Religious Studies at the University of Redlands Religion in North America Catherine L Albanese and Stephen J Stein editors May 2001 400 pages 57 b w photos 6 1 8 x 9 1 4 bibl index append cloth 0 253 33846 8 35 00 s 26 50 **Elizabeth Cady Stanton** Harriet Sigerman, 2001-11 Brilliant stubborn and astonishingly far sighted Elizabeth Cady Stanton was the chief architect of the American women s movement Here Harriet Sigerman presents a fascinating profile of the woman who courageously campaigned for women s absolute right to social and political equality in the 1800s Her stands on issues such as birth control divorce reform greater employment opportunities and equal wages were

revolutionary and controversial then and are still debated in the political arena today Along with her tireless crusade for equal rights Elizabeth Cady Stanton also raised seven children authored a history of the women s rights movement a feminist critique of the Bible and her autobiography Featuring never before seen photos and illustrations Elizabeth Cady Stanton brings to life one of history s liveliest and most fascinating women s rights leaders The End of Woman Carrie Gress,2023-08-15 Feminism Doesn t Empower Women It Erases Them The bestselling author of *Theology of Home* Carrie Gress shows that fifty years of radical feminism have solidified the primacy of the traditionally male sphere of life and devalued the attributes virtues and strengths of women Feminism the ideology dedicated to smashing the patriarchy has instead made male lives the norm for everyone After fifty years of radical feminism we can t even define woman In this powerful new book Carrie Gress says what cannot be said feminism has abolished women Hulking trans women thrash female athletes Mothers abort their baby girls Drag queens perform obscene parodies of women Females are enslaved for men s pleasure or they enslave themselves Feminism doesn t avert these tragedies it encourages them The carefree binge of self absorption has left women exploited unhappy dependent on the state and at war with men And still feminists cling to their illusions of liberation But there are real answers Real answers for real women Carrie Gress a wife mother and philosopher punctures the myth of feminism exposing its legacy of abuse abandonment and anarchy From the serpent s seduction of Eve to Mary Shelley s *Frankenstein* to Kate Millett s lust violence and insanity to Meghan Markle s havoc ridden rise to royalty Gress presents a history as intriguing as the characters who lived it The answers women most desperately need she concludes are to be found precisely where they are most afraid to look Only a rediscovery of true womanhood and motherhood can pull our society back from the brink And happiness is possible only if women are open to making peace with men with children with God and no less difficult with themselves For feminism s victims Gress is a welcoming voice in the darkness The door is open The lights are on Come home *The Wiley Blackwell Companion to Religion and Politics in the U.S.* Barbara A.
