The Collectivity of Life Joel

Wendland, 2016-02-01 *The Collectivity of Life* is a study of autobiographical writing and oral histories situated in the late twentieth century United States The central thesis is that by studying how the authors of these narratives articulate space in their stories we can uncover a recurring critique of meritocratic individualism and reconstruct a counter mythology that locates social mobility in collectivist experiences Fourteen autobiographical works are studied including those of Malcolm X Audre Lorde Barack Obama and numerous other from multiple ethnic and several regions of the U S ranging from 1964 through 2008 More than 40 oral histories housed in archives in several regions of the country help to establish the book's goal By using a concept of space this book shifts the focus of personal narrative from the internal resources of the individual to networks of support and collective efforts in the formation of their identities and the basis of their life accomplishments

**Son of Birmingham** Randall Woodfin, Edward T. Bowser, 2025-01-21 Today's Birmingham led by Mayor Randall Woodfin is a phoenix rising from the ashes of systemic racism and white flight This first Southern city to pluck the feathers off Jim Crow where peaceful protesters endured attacks by police dogs where high pressure water hoses tore at the flesh of men and women marching for their rights and where children locked arms and sang We Shall Overcome is a living breathing redemption story In *Son of Birmingham* Woodfin draws upon the street wisdom of his generation's Southern rap music the

power of family friends and faith and his education at the historically Black Morehouse College to preach the progress every corner of our nation clamors for right now He walks readers through the streets of his Birmingham bringing to light the daily joys and struggles of everyday people and revealing what spurred him to turn his education and Capitol Hill experience to the city of his youth A moving memoir of a young leader s perseverance in a city still battling racism and gun violence which Woodfin experienced first hand *Son of Birmingham* is also a call to action across America an appeal to Woodfin s unique brand of servant leadership and responsive government for equitable inclusive and prosperous cities where everyone has the opportunity to reach their full potential      **Speech Is My Hammer** Max A. Hunter,2022-09-30 With *Speech Is My Hammer*

Max Hunter draws on memoir and his own biography to call his readers to reimagine the meaning and power in literacy Defining literacy as a spectrum of skills abilities attainments and performances Hunter focuses on dispelling literacy myths and discussing how Black male artists entertainers professors and writers have described their own literacy narratives in self conscious ambivalent terms Beginning with Frederick Douglass s *My Bondage My Freedom* W E B Dubois s *Soul of Black Folks* and Langston Hughes s *Harlem Renaissance* memoir *The Big Sea* Hunter conducts a literary inquiry that unearths their double consciousness and literacy ambivalence He moves on to reveal that for many contemporary Black men the arc of ambivalence rises even higher and becomes more complex following the civil rights and the Black Power movements and then sweeping sharply upward once again during the War on Drugs Hunter provides rich illustrations and probing theses that complicate our commonsense reflections on their concealed angst regarding Black authenticity respectability politics and masculinity *Speech Is My Hammer* moves the reader beyond considering literacy in normative terms to perceive its potential to facilitate transformative conversations among Black males      **Democratic Policymaking** Charles

Barrilleaux,Christopher Reenock,Mark Souva,2017-02-23 This introduction to public policy applies analytic models to key policymaking challenges enabling students to independently evaluate core dilemmas      *Sustainability through Soccer* Leidy Klotz,2016-07-19 In the quest for sustainability we strive to meet our present needs without sacrificing the same opportunity for future generations Our success or failure depends on our ability to think in systems integrating environmental social and economic considerations But how do we learn systems thinking In a series of engaging rapid fire stories *Sustainability through Soccer* takes readers on a journey through a progression of systems thinking and sustainability concepts Using the beautiful game of soccer as an analogy Leidy Klotz illuminates real world interdependencies such as between climate change and human rights building the chain of concepts in a fun accessible way Soccer nerds and newbies alike will be entertained on the way to a deeper understanding of sustainability science      *Handbook of Research on Race, Culture, and Student Achievement* Keengwe, Jared,2023-01-13 There is growing pressure on teachers and other educators to understand and adopt culturally relevant pedagogies as well as strategies to work with diverse groups of races cultures and languages that are represented in classrooms Establishing sound cross cultural pedagogy is also critical given that racial cultural and

linguistic integration has the potential to increase academic success for all learners The Handbook of Research on Race Culture and Student Achievement highlights cross cultural perspectives challenges and opportunities of providing equitable educational opportunities for marginalized students and improving student achievement Additionally it examines how race and culture impact student achievement in an effort to promote cultural competence equity inclusion and social justice in education Covering topics such as identity student achievement and global education this major reference work is ideal for researchers scholars academicians librarians policymakers practitioners educators and students

**Transforming Teaching and Learning with Active and Dramatic Approaches** Brian Edmiston, 2013-09-11 A CHOICE Outstanding Academic Title 2014 How can teachers transform classroom teaching and learning by making pedagogy more socially and culturally responsive more relevant to students lives and more collaborative How can they engage disaffected students in learning and at the same time promote deep understanding though high quality teaching that goes beyond test preparation This text for prospective and practicing teachers introduces engaging innovative pedagogy for putting active and dramatic approaches to learning and teaching into action Written in an accessible conversational and refreshingly honest style by a teacher and professor with over 30 years experience it features real examples of preschool elementary middle and high school teachers working in actual classrooms in diverse settings Their tales explore not only how but also why they have changed the way they teach Photographs and stories of their classroom practice along with summarizing charts of principles and strategies both illuminate the critical cross curricular

and inquiry based conceptual framework Edmiston develops and provide rich examples and straightforward guidelines that can support readers as they experiment with using active and dramatic approaches to dialogue inquiry building community planning for exploration and authentic assessment in their own classrooms *Critical Issues in Democratic Schooling* Kenneth Teitelbaum, 2020-04-28 Focusing on a wide range of critical issues this book provides a comprehensive analysis of the linkage of different educational ideas policies and practices to a commitment for democratic schooling Informed by significant interdisciplinary research as well as by his own extensive professional experiences as a teacher professor department chair and dean Teitelbaum examines contemporary concerns related to three broad areas 1 teaching and teacher education 2 curriculum studies and 3 multiculturalism and social justice His approach is to integrate the current and the historical the practical and the theoretical the technical and the socio political and the personal and the structural With this volume Teitelbaum considers how schools should be organized and funded what they should teach and to whom the role that teachers students and parents should play in school life and the need and prospects for schools and teacher education programs that foster meaningful learning critical reflection and social justice **The Dream** Norman J. McCullough, Norman J. McCullough B. a. M. a., 2012 The Dream a Manual to Facilitate Group Mentoring and Prevent High School Drop Outs for African American Hispanics European Americans and Others in Need of Positive Role Models in their lives is designed for individuals and groups who want to demonstrate their love for our youth in America and other locations throughout the world The book by way of its step by step and session by session presentation gives the reader the opportunity to make a difference in the lives of a group of young people Although one on one mentoring is not discouraged this book focuses on the benefits of group mentoring and it gives the reader the tools needed including the *raison d'être* for the selection of a group mentor who can have a positive impact on 30 40 youth over a 5 8 week period of time Especially during this time of concern about inappropriate behavior by adults group mentoring can provide some protection because the emphasis is on group activities and not one on one contact Moreover given the events surrounding the death of Trayvon Martin it is clear that for some communities we are talking about life and death Trayvon was a 17th year old black male killed in February 2012 The session on the Law provides a role play about the do's and don'ts when confronted by the police The book discusses why group mentoring is needed and the role of various parties in the group mentoring process The role of the group mentor is key The role of the family mentors media God and others is discussed so that the reader has a clear understanding of how all the pieces must come together to develop and present a viable program A train the group mentor program is also available upon request Being White Today Shelly Tochluk, Christine Saxman, 2023-06-14 The idea that White people are under attack has permeated political discourse in recent elections The election of 2024 will be no different Being White Today A Roadmap for a Positive Antiracist Life helps White people navigate the myriad messages they encounter about race The book applies the White racial identity framework developed by psychologist Dr Janet Helms to take a strong

stance against racism Using fictionalized scenarios and case studies it offers a way to resist extremist messaging and recruitment A helpful resource for White people who care about US society in particular White parents educators activists and racial social justice practitioners this book also helps people understand antiracist messaging and how to use it strategically to create a larger community of White antiracists *Booktalking Nonfiction* Jennifer

Bromann-Bender,2013-12-20 Booktalking Nonfiction 200 Sure Fire Winners for Middle and High School Readers will provide an introduction to selecting and writing booktalks for nonfiction books with a focus on unique informational texts and biographies and autobiographies A booktalk is a summary of a book presented in a way that would interest someone in reading the book described Why non fiction Because the Common Core Standards Initiative which most states have adopted requires that 70% of the materials students read be from the category of informational texts it is especially important to focus on nonfiction when sharing books with students Here s everything you need to do just that Chapters cover selecting writing preparing and presenting booktalks special tips for high interest low level books and using non fiction in the library and the classroom Two hundred ready to present booktalks arranged by genre are also included Genres include animals famous people sports crime and serial killers movies and television religion war history and the supernatural **Teaching**

**Challenged and Challenging Topics in Diverse and Inclusive Literature** Rachelle S. Savitz,Leslie D. Roberts,Jason DeHart,2023-01-31 This groundbreaking text provides practical contextualized methods for teaching and discussing topics that are considered taboo in the classroom in ways that support students lived experiences In times when teachers are scapegoated for adopting culturally sustaining teaching practices and are pressured to whitewash the curriculum it becomes more challenging to create an environment where students and teachers can have conversations about complex uncomfortable topics in the classroom With contributions from scholars and K 12 teachers who have used young adult literature to engage with their students chapters confront this issue and focus on themes such as multilingualism culturally responsive teaching dis ability racism linguisticism and gender identity Using approaches grounded in socioemotional learning trauma informed practices and historical and racial literacy this text explores the ways in which books with complicated themes can interact positively with students own lives and perspectives Ideal for courses on ELA and literature instruction this book provides a fresh set of perspectives and methods for approaching and engaging with difficult topics As young adult literature that addresses difficult subjects is more liable to be considered controversial to teach teachers will benefit from the additional guidance this volume provides so that they can effectively reach the very students these themes address
