Our Warfare Frank Hammond, 1991-01-01 A Frank Hammond Booklet on Spiritual Warfare For the weapons of our warfare are not of the flesh but divinely powerful for the destruction of strongholds II Cor 10 4 5 We are alerted that there is a war Our war is a spiritual war Our Commander in Chief has issued us the required weaponry and has given His name as our authority Let us take up our Warfare and defeat the enemy *Territorial Spirits* C. Peter Wagner, 2012-02-21 The Battle Is Ours Our struggle is not against flesh and blood but against the rulers against the authorities against the powers of this dark world Eph 6 12 NIV For generations when Christians have engaged in spiritual warfare most of the time they have focused on Satan as the main opponent However C Peter Wagner has gathered together a number of ministers who teach from personal experience that the principalities and powers are more than just Satan there is an entire hierarchy of demons in this world Often missionaries and ministers are finding that they have far more success in an area when they first go to war in the spirit and in prayer against the evil power that rules a certain region C Peter Wagner has compiled this book of many voices speaking from Scripture and personal experience teaching the reality of territorial spirits and the necessity of waging targeted powerful warfare against them in order to reach the souls these evil powers have held captive for too long You will learn There is an entire hierarchy of demons in this world many with specific geographic territories Once a territorial spirit's power is broken ministry in that area can be far more effective How to go to war against evil spirits to break their power over the people of a region Christians must take to heart what the Bible teaches about spiritual warfare Arm yourself with this book **Spiritual Mapping in the United States and Argentina** René Holvast, 2009 Referring to U S Evangelicalism and Neo Pentecostalism this book presents a comprehensive historical description of the movement and concept of Spiritual Mapping with special attention to theological and anthropological concepts The result is a fascinating picture of modern Christian Americanism **Engaging the Enemy** C. Staton, Leonard Thompson, 2005 **Spiritual Warrior Basic Training** Loretta A. Johnson, 2010-06 This book was born out of frustration the frustration that comes from desiring to reach into our lives through prayer and tough hard places that are far beyond our control We know that prayer works but at the same time we experience prayer that becomes superficial and routine Too often we ourselves say Lord bless our lives It is my desire to go deeper to claim the victory and promises that God has for us in his word and to literally pray these promises into our lives children and loved ones as well Major

Our Sufficiency in Christ John MacArthur, 1998-07-10

Christ's divine power has granted to us everything pertaining to life and godliness 2 Peter 1:3 Pure Christianity needs no embellishment whatsoever We find complete sufficiency in Christ and His provision for our needs But too many Christians have bought in to the notion that all the spiritual resources we gain at the moment of salvation are not adequate to meet the real needs in today's complex world So they look for something more an emotionally exciting and self edifying experience not found in God's Word This failure to understand the sufficiency of Christ has opened the door to all kinds of worldly influences causing many modern believers to mix biblical truths with seemingly helpful man made methods such as mysticism and psychology As a result they wallow in a watered down pseudo Christianity that has been drained of its vitality effectiveness and security In this book John MacArthur exposes the main ways Christians have displaced their spiritual resources and explains how to avoid making the same error It will make you newly aware of how completely God provides and give you a renewed understanding of what it means to be complete in Christ

Their Rock Is Not Like Our Rock Daniel Strange, 2015-02-03 The reality of the West's post Christendom multiethnic multicultural context has meant that more than ever Christians face questions posed not simply by the existence of other religions but also by their apparent flourishing If secularization is alive and well then so too is society's sacralization Hence a theology of religions is arguably the most significant concern confronting Christian mission and apologetics in the twenty first century There has been little evangelical theology offering a detailed comprehensive and biblically faithful analysis not only of the question of salvation but also questions of truth the nature and history of human religiosity and a host of other issues pertaining to Christian apologetics and contextualization amid religious pluralism In *Their Rock is Not Like Our Rock* lecturer and vice principal of Oak Hill College in London Daniel Strange explores these issues and offers the beginning of a theology of other religions
