Adapting the Beat Poets Michael J. Prince,2016-09-09 In the post World War II era authors of the beat generation produced some of the most enduring literature of the day More than six decades since work of the Beat Poets conjures images of unconventionality defiance and a changing consciousness that permeated the 1950s and 60s In recent years the key texts of Beat authors such as Allen Ginsberg William S Burroughs and Jack Kerouac have been appropriated for a new generation in feature length films graphic novels and other media In Adapting the Beat Poets Burroughs Ginsberg and Kerouac on Screen Michael J Prince examines how works by these authors have been translated to film Looking primarily at three key works Burroughs Naked Lunch Ginsberg s Howl and Kerouac s On the Road Prince considers how Beat literature has been significantly altered by the unintended intrusion of irony or other inflections Prince also explores how these screen adaptations offer evidence of a growing cultural thirst for authenticity even as mediated in postmodern works Additional works discussed in this volume include The Subterraneans Towers Open Fire The Junky s Christmas and Big Sur By examining the screen versions of the Beat triumvirate s creations this volume questions the ways in which their original works serve as artistic anchors and whether these films honor the authentic intent of the authors Adapting the Beat Poets is a valuable resource for anyone studying the beat generation including scholars of literature film and American history
