

Hazel takes out a piece of paper, walks up to the dais. Takes a beat to ready herself.

103.

HAZEL

"Augustus Waters was the great star-crossed love of my life. Ours was an epic love story, and I won't be able to get more than a sentence into it without disappearing into a puddle of tears.

(beat)

Like all real love stories - ours will die with us, as it should. I'd hoped that he'd be eulogizing me, because there's no one I'd rather have...."

And that's all she can get out before falling apart. She lets it out for a couple beats and then pulls herself together.

HAZEL

(beat, composing herself)

"I can't talk about our love story so instead I will talk about math. I am not a mathematician, but I know this: there are infinite numbers between 0 and 1. There's .1 And .12 And .112 And an infinite collection of others. Of course, there is a bigger infinite set of numbers between 0 and 2, or between 0 and a million. Some infinities are bigger than other infinities. A writer we used to like taught us that. I want more numbers than I'm likely to get, and God, I want more numbers for Augustus Waters than he got. But, Gus, my love, I cannot tell you how thankful I am for our little infinity. You gave me a forever within the numbered days, and for that I am eternally grateful. I love you."

Gus smiles, nods, and closes his eyes. CUT TO:

BLACK.

Over which we hear a RINGING TELEPHONE.

INT HAZEL'S BEDROOM - NIGHT

Hazel turns on the LIGHT by her bed. Her HOUSE PHONE is ringing and it's 4am.

She knows instantly.

Monologues From The Fault In Our Stars:

Soliloquy! Michael Earley, Philippa Keil, 2000-02-01 Applause Books Your one stop classical workshop At last over 175 of Shakespeare's finest and most performable monologues taken from all thirty seven plays are here in two easy to use volumes Men and Women Selections travel the entire spectrum of the great dramatist's vision from comedies wit and romances to tragedies pathos and histories Soliloquy is an excellent and comprehensive collection of Shakespeare's speeches Not only are the monologues wide ranging and varied but they are superbly annotated Each volume is prefaced by an informative and reassuring introduction which explains the signals and signposts by which Shakespeare helps the actor on his journey through the text It includes a very good explanation of blank verse with excellent examples of irregularities which are specifically related to character and acting intentions These two books are a must for any actor in search of a classical audition piece Elizabeth Smith Voice Director Juilliard

Dialogues & Monologues Humbert Wolfe, 1929 **The Refrigerator Monologues** Catherynne M. Valente, 2017-06-06 From the New York Times bestselling author Catherynne Valente comes a ferocious riff on the women in superhero comics The Refrigerator Monologues is a collection of linked stories from the points of view of the wives and girlfriends of superheroes female heroes and anyone who's ever been refrigerated comic book women who are killed raped brainwashed driven mad disabled or had their powers taken so that a male superhero's storyline will progress In an entirely new and original superhero universe Valente subversively explores these ideas and themes in the superhero genre treating them with the same love gravity and humor as her fairy tales After all superheroes are our new fairy tales and these six women have their own stories to share Platform Monologues T. G. Tucker, 2022-09-16 In Platform Monologues T G Tucker weaves a collection of vivid soliloquies crafted to engage readers into a reflective exploration of the human condition Each monologue stands as an independent narrative projecting diverse voices across various strata of society each articulating its unique perspective with powerful simplicity Tucker's employment of a conversational yet poignant literary style offers profound insights into the psyche of his characters The work resonates with the rich tradition of monologic literature positioning itself within the context of classical and contemporary drama while exploring innovative expressions through the modern lens of literature As T G Tucker molds language and sentiment Platform Monologues confronts readers with the intricate facets of existence mirroring the complexities of life itself T G Tucker an author whose pen draws from a well of deep introspection shapes these platform monologues with the intention to provoke thought and elicit an empathic response His background undoubtedly infused with a keen observation of society and the human narrative allows Tucker to delve into each character's spirit with authenticity The drive possibly stems from Tucker's contemplation of our ever evolving communicative platforms and the undying essence of storytelling as a tool for connection and reflection This collection emerges as a conduit for the voices that often go unheard a testament to Tucker's dedication to preserving and celebrating the heterogeneous threads that weave the literary tapestry Readers of dramatic literature and

enthusiasts of meticulously crafted character studies will find Platform Monologues to be an indispensable addition to their collections Tucker's homage to the enduring art of monologue offers a fresh perspective for aficionados of classical drama and those interested in the evolution of narrative forms The book is recommended for audiences who appreciate the nuanced intricacies of language and the timeless endeavour to capture the very soul of human expression within the confines of the written word The reinvigorated availability in modern format by DigiCat Publishing ensures that this cherished work continues to inspire and challenge a new generation of readers

Classical Monologues from Aeschylus to Bernard Shaw Leon Katz, 2002 **Speak the Speech!** Rhona Silverbush, Sami Plotkin, 2025-06-25 The most comprehensive sourcebook of Shakespeare's monologues ever available in one volume A detailed guide to approaching Shakespearean text *Speak the Speech* contains everything an actor needs to select and prepare a Shakespeare monologue for classwork auditions or performance Included herein are over 150 monologues Each one is placed in context with a brief introduction is carefully punctuated in the manner that best illustrates its meaning and is painstakingly and thoroughly annotated Each is also accompanied by commentary that will spark the actor's imagination by exploring how the interrelationship of meter and the choice of words and sounds yields clues to character and performance And throughout the book sidebars relate historical topical technical and other useful and entertaining information relevant to the text In addition the authors include an overview of poetic and rhetorical elements brief synopses of all the plays and a comprehensive index along with other guidelines that will help readers locate the perfect monologue for their needs More than just an actor's toolkit *Speak the Speech* is also an entertaining resource that will help demystify Shakespeare's language for the student and theater lover alike

Comedy Monologues for Adult Actors Larry Hillhouse, 1996 *Presidential Debates : The Challenge of Creating an Informed Electorate* The Annenberg School for Communication University of Pennsylvania Kathleen Hall Jamieson Dean, Department of Speech Baruch College David S. Birdsell Assistant Professor, City University of New York, 1988-10-13 Presidential debates have had mixed reviews Advocates praise debates as a way of making issues more central to the campaign Others criticize them as little more than joint press conferences How important are these debates Do they really test knowledge and vision Do they sort good ideas from bad or reveal important character traits and habits of mind In short do they provide voters with what they need to know to choose a president To address these questions the authors place contemporary debates in their cultural and historical context tracing their origins and development in the American political tradition from the eighteenth century to the present Although the Kennedy Nixon TV confrontations were an historical first debate was an element of American electoral politics by 1788 and a staple of policy deliberation throughout the colonial period Indeed much of the confusion over the value of debates stems in part from the long tradition of political debating in America Thus to make the most productive use of debate in modern presidential politics the authors argue we must respond

to the history of this tradition The book concludes with recommendations to preserve the best elements of traditional debate while adapting to the requirements of the broadcast age The reforms they advocate include substantive debates between major party representatives between elections alternative formats use of visual aids in debates follow up press conferences a focus on fewer issues and increased experimentation in the primaries Presidential debates provide voters with a rare opportunity to evaluate political reasoning on complex issues In suggesting ways to make presidential debates even more effective this thought provoking volume makes an important contribution to America s political future **Presidential**

Debates Kathleen Hall Jamieson, David S. Birdsell, 1990-08 How important are presidential debates today To answer this question the authors place modern debates in their cultural and historical context tracing their origins and development in the American political tradition from the eighteenth century to the present and concluding with some thoughtful suggestions for improving their current effectiveness *The Despot's Apprentice* Brian Klaas, 2017-12-07 Donald Trump isn't a despot But he is increasingly acting like a despot's apprentice Whether it's attacking the press threatening the rule of law or staffing the White House with family members and cronies Trump is borrowing moves from the world's dictators The president's bizarre adoration of global strongmen has also transformed US foreign policy into a powerful force cheerleading some of the world's worst regimes An expert on authoritarianism Brian Klaas is well placed to recognise the warning signs of tyranny He argues forcefully that with every autocratic tactic or tweet Trump further erodes democratic norms in the world's most powerful democracy The Despot's Apprentice is an urgent exploration of the unique threat that Trump poses to global democracy and how to save it from him before it's too late **By Any Media Necessary** Henry Jenkins, Sangita

Shresthova, Liana Gamber-Thompson, Neta Kligler-Vilenchik, Arely Zimmerman, 2016 There is a widespread perception that the foundations of American democracy are dysfunctional and little is likely to emerge from traditional politics that will shift those conditions Youth are often seen as emblematic of this crisis frequently represented as uninterested in political life and ill informed about current affairs By Any Media Necessary offers a profoundly different picture of contemporary American youth Young men and women are tapping into the potential of new forms of communication such as social media platforms and spreadable videos and memes seeking to bring about political change by any media necessary In a series of case studies covering a diverse range of organizations networks and movements from the Harry Potter Alliance which fights for human rights in the name of the popular fantasy franchise to immigration rights advocates using superheroes to dramatize their struggles By Any Media Necessary examines the civic imagination at work Exploring new forms of political activities and identities emerging from the practice of participatory culture By Any Media Necessary reveals how these shifts in communication have unleashed a new political dynamism in American youth Jacket **Presenting to Win, Updated and**

Monologues From The Fault In Our Stars Introduction

In today's digital age, the availability of Monologues From The Fault In Our Stars books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Monologues From The Fault In Our Stars books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Monologues From The Fault In Our Stars books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Monologues From The Fault In Our Stars versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Monologues From The Fault In Our Stars books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Monologues From The Fault In Our Stars books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Monologues From The Fault In Our Stars books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Monologues From The Fault In Our Stars books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Monologues From The Fault In Our Stars books and manuals for download and embark on your journey of knowledge?
