Casanova's Life & Times David John Thompson, 2025-08-05 This is both the life of Giacomo Casanova and a chronicle of eighteenth century Europe Giacomo Casanova 1725-1798 was born the son of a moderately poor acting family at a time when the stage carried enormous social stigma Yet in his own lifetime he achieved celebrity across Europe rubbing shoulders with numerous of the eighteenth century's greatest men and women from Frederick the Great to Catherine the Great from Voltaire to Albrecht von Haller from Pope Benedict XIV to Pope Clement XIII It was a fame that had little to do with his romantic exploits This was to come later following upon the posthumous publication of his magnificent History of My Life An adventurer and a man of learning his was an extraordinary life whose story was intertwined with the story of eighteenth century Europe To try to understand this fascinating character we need also to try to understand the period in which he lived This is the aim of Casanova's Life and Times

Dangerous Times Harris Langford, 2009-10 **Into His Presence, Volume 2** Napoleon Burt, 2020-06-02 The God of the Bible is not a concept to be studied but a divine person each of us can and should encounter personally Into His Presence Volume 2 uses the documented encounters of the prophets of old with the God of History as tools to help you understand the character of God as a person In this book you will see the God of the Bible as a divine person encountered by the prophets and the writers of the Old Testament The approach to the study of the Bible presented in this book will completely change how you read the Bible and how you perceive the divine author of the Bible In this book you will learn how many historically documented conversations each of the great prophets had with God and understand that Jehovah moved with purpose in each of His encounters with His prophets Your understanding of the character of God will be enriched as you see Him through the eyes of Elijah Jehovah's defender against religious and political leaders who waged an aggressive campaign against the worship of Jehovah You will be enlightened as you examine the person of Jehovah through the eyes of Isaiah and

understand why he saw Jehovah as the only Savior and the coming Messiah You will be amazed by the number of conversations Jeremiah had with God and see how his encounters with Jehovah demonstrate that encountering Jehovah can completely transform your views about His person You will walk with Daniel Zechariah Esther and Nehemiah as their relationships with Jehovah turn them into His ambassadors in their own world Through the enumerated experiences of each of the prophets you will come to understand the consistent character attributes of God as a person over the course of history You will conclude that God is a divine person with whom you can also have an intimate relationship As you read this book you will feel the God of the Bible personally calling you into His presence
