Award winning author Tracy Fullerton demystifies the creative process with clear and accessible guidance on the formal and dramatic systems of game design. Using examples of popular games, illustrations of design techniques and refined exercises to strengthen your understanding of how game systems function, the book gives you the skills and tools necessary to create a compelling and engaging game. This fully updated 4th edition includes expanded coverage of new platforms and genres of play including casual games and games for learning. It expands on agile development processes and includes a host of new perspectives from top industry game designers. **Game Design Workshop** puts you to work prototyping, playtesting and revising your own games with time tested methods and tools. These skills will provide the foundation for your career in any facet of the game industry including design, producing, programming and visual design. **Magic: The Basics** Michael D. Bailey, 2017-07-28 Magic The Basics is a concise and engaging introduction to magic in world history and contemporary societies. Presenting magic as a global phenomenon which has manifested in all human cultures, this book takes a thematic approach which explores the historical, social and cultural aspects of magic. Key features include attempts to define magic either in universal or more particular terms and to contrast it with other broad and potentially fluid categories such as religion and science; an examination of different forms of magical practice and the purposes for which magic has been used; debates about magic's effectiveness, its reality and its morality; an exploration of magic's association with certain social factors such as gender, ethnicity and education among others. Offering a global perspective of magic from antiquity through to the modern era and including a glossary of key terms, suggestions for further reading and case studies throughout, **Magic The Basics** is essential reading for anyone seeking to learn more about the academic study of magic. **Encyclopedia of 5,000 Spells** Judika Illes, 2011-02-15 In **The Encyclopedia Of 5 000 Spells**, The Ultimate Reference Book for the Magical Arts, independent scholar, educator and author of several books of folklore, folkways and mythology, Judika Illes enables the reader to enter the world of folklore, myth and magic with binding spells and banishing spells, spells for love, luck, wealth and power as well as spells for spiritual protection, physical healing and enhanced fertility drawn from Earth's every corner and spanning 5 000 years of magical history. **Through Dungeons Deep** Robert Plamondon, 2008-08-20 **Through Dungeons Deep** delves into the art of role playing, showing players and Game Masters how to have more fun and excitement with fantasy role playing games. First published more than 25 years ago, this book was an instant classic. Long out of print, the original edition sells for several times

its cover price This Norton Creek Press reprint makes the book available and affordable again Robert Plamondon wrote Through Dungeons Deep after realizing that the most important part of role playing games role playing is barely mentioned in gaming systems When it is it is often confused with rules But role playing really boils down to make believe and the real fun in role playing games comes from unlocking your imagination But it s also important to carry a length of rope and wear shoes you can run in

The Caller Juliet Marillier,2015-08-04 In the final book in this gripping romantic fantasy trilogy perfect for fans of Robin McKinley Kristin Cashore and Shannon Hale the band of rebels reach their climactic confrontation with the king Just one year ago Neryn had nothing but a canny skill she barely understood and a faint dream that the legendary rebel base of Shadowfell might be real Now she is the rebels secret weapon and their greatest hope for survival in the fast approaching ambush of King Keldec at Summerfort The fate of Alban itself is in her hands But confidence is stretching thinner by the day when word of another Caller reaches the rebels a Caller at Keldec s side with all of Neryn s power and none of her benevolence or hard earned control As the days before the battle drop quickly away Neryn must find a way to uncover and exploit her opponent s weaknesses At stake lies freedom for the people of Alban a life free from hiding for the Good Folk and a chance for Flint and Neryn to finally be together
