Introduction to Spanish/English Linguistics Dee L. Eldredge, Liesder Mayea, 2016-01-08 This textbook is for three groups of people involved with Spanish first for the students enrolled in Spanish English linguistics courses second for college and university librarians and third for every Spanish language teacher professor We suggest that those who have courses of this type consider this book as a text for those classes For those that do not have them we recommend that you offer them and use this book We also believe that it would also be an ideal book for libraries in which people interested in the topic can go to find out information since there are no available texts as comprehensive as this one It is also a book that all Spanish teachers professors should have on their desks and shelves for reference purposes being that it contains a lot of information about linguistics and grammar

Diarios de bicicleta is an original video filmed specifically to accompany the fifth edition of Mosaicos. Students see the vocabulary and grammar structures of each chapter in use in realistic situations while gaining a deeper understanding of Hispanic culture. The video also includes segments highlighting the communicative functions of each chapter. Pre-viewing, viewing, and post-viewing activities are found in the En acción sections of the textbook and the Student Activities Manual. The video is available for student purchase on DVD and it is also available within MySpanishLab. In addition, the video is available to instructors on DVD and VHS cassette.
