More Than Numbers Paul Yongi:

More Than Numbers Paul Y. Cho, 1986 **To the Ends of the Earth** Allan Heaton Anderson, 2013-01-04 In *To the Ends of the Earth* Allan Anderson offers a historical and theological examination of the growth of global Pentecostalism Examining such issues as revivalism healing gender worship and globalization Anderson seeks to show how the growth of global Pentecostalism is changing the face of Christianity as a whole **Appropriate Christianity** Charles H. Kraft, 2005 Appropriate Christianity consists of 28 chapters by 18 authors approaching contextualization in three dimensions truth allegiance and spiritual power Over the years there have been quite a number of helpful discussions of the contextualization of theological truth Though we have been helped greatly by them it is high time we began to deal also with allegiance and spiritual power two additional dimensions that Jesus considered of great importance Any adequate and appropriate treatment of the contextualization of biblical Christianity needs to deal with all three of these 2 crucial dimensions 3 For allegiance to Christ is the basis for all we do that makes us Christian and Jesus was very much into spiritual power If we are to be truly biblical we must deal also with these areas *Construyendo El Reino de Dios* , **INGREDIENTS OF LEADERSHIP** PIOUS JOSEPH PAUL YANZUH, ALLEN JAY B. TADINA, 2019-08-07 Leadership is indeed an influence And it needs certain vital ingredients to build character formation One cannot influence with a bad character Leaders consider Character very important since it deals with personhood that affects both personality and professionalism Applying the Good Character traits as a leader will influence affect motivate encourage and inspire your followers Because of this leaders need ingredients which can help them to build a good character traits to win the trust and confidence of their followers This book will guide you on the steps of character formation and the dynamics to develop your leadership skills *A Full-er Gospel?: Pentecostal Proclamation in New Zealand 1990-2008* Linda Flett, 2015 This book draws on the belief statements and official publications of Elim and AOG denominations in New Zealand from 1990 to 2008 in order to test the extent to which this conviction was adhered to A statement that In order to reach New Zealand our methods need to change but not our message provides a framing device inviting the reader to explore their responsiveness to aspects of social change within New Zealand before gauging interest in new methodologies known to have impacted Pentecostal churches in New Zealand during this period Actual changes to evangelistic methodology and salvation terminology is presented from the findings of a quantitative study before the salvation message is re examined It will be evident that not only were new methodologies embraced but views on salvation broadened becoming increasingly holistic dynamic and relational **Christianity Made in Japan** Mark R. Mullins, 1998-10-01 For centuries the accommodation between Japan and Christianity has been an uneasy one Compared with others of its Asian neighbors the churches in Japan have never counted more than a small minority of believers more or less resigned to patterns of ritual and belief transplanted from the West But there is another side to the story one little known and rarely told the rise of indigenous movements aimed at a Christianity that is at once made in Japan and faithful to

the scriptures and apostolic tradition Christianity Made in Japan draws on extensive field research to give an intriguing and sympathetic look behind the scenes and into the lives of the leaders and followers of several indigenous movements in Japan Focusing on the native response rather than Western missionary efforts and intentions it presents varieties of new interpretations of the Christian tradition It gives voice to the unheard perceptions and views of many Japanese Christians while raising questions vital to the self understanding of Christianity as a truly world religion This ground breaking study makes a largely unknown religious world accessible to outsiders for the first time Students and scholars alike will find it a valuable addition to the literature on Japanese religions and society and on the development of Christianity outside the West By offering an alternative approach to the study and understanding of Christianity as a world religion and the complicated process of cross cultural diffusion it represents a landmark that will define future research in the field

Charismatic Christianity as a Global Culture Karla O. Poewe, 1994 In this important work leading scholars in the fields of religion and anthropology discuss the thought patterns and religious traditions of charismatics throughout the world By examining believers throughout the Americas Africa Asia and Europe the contributors provide a comprehensive overview of a charismatic tapestry that appears to transcend national ethnic racial and class boundaries

God's Missionary People Charles E. Van Engen, 1991-09 A world claiming theology of the church draws on ancient and modern thoughts The author focuses on how the church can grow to become in reality God's missionary people

Spiritual Entrepreneurs Rev. Dr. Mike Slaughter, 2011-12-01 Spiritual Entrepreneurs tells the story of an innovative pastor and leadership team who intentionally led their church to take spiritual risks By using six principles renewal can come to any church These six principles are focus on 1 Jesus Christ 2 the Bible 3 new forms of worship 4 a commitment to membership 5 equipping lay people for ministry and 6 spiritual leadership Slaughter believes that church leaders are inspired to work tirelessly when they hear or learn of good news stories He also believes that covenants Christianity training and an innovative small group structure are vital in producing high commitment members

SACRIFICIAL SERVANT LEADER PIOUS JOSEPH PAUL YANZUH, 2020-04-08 This book discusses how these lay persons are inspired to lead serve and nurture congregations Using the model which Jesus taught on servant leadership the son of man came to serve and not to be served Matt 20 28 Mk 10 45 an exploration is conducted on the concept of servant leadership the characteristics and behaviors of sacrificial servant leaders and the environmental factors that motivate sacrificial servant leaders to be effective in the Church The purpose of this book is to encourage and motivate leaders to be sacrificial servant leaders and to enhance an effective church ministry In this contemporary era and more than ever before there is a need for sacrificial servant leadership and team work to cope with the needs of the congregation However I approach sacrificial Servant leadership as the process of serving followers towards growth through sacrificial and selfless stewardship based on the example of Jesus Christ viewed within the Christian faith In essence the concepts of sacrificial selflessness and stewardship are foundational and define the larger facets of
