With All the Fullness of God Jared Ortiz, 2021-01-12 Christians confess that Christ came to save us from sin and death But what did he save us for One beautiful and compelling answer to this question is that God saved us for union with him so that we might become partakers of the divine nature 1 Pet 2 4 what the Christian tradition has called deification This term refers to a particular vision of salvation which claims that God wants to share his own divine life with us uniting us to himself and transforming us into his likeness While often thought to be either a heretical notion or the provenance of Eastern Orthodoxy this book shows that deification is an integral part of Catholicism Orthodoxy and many Protestant denominations Drawing on the resources of their own Christian heritages eleven scholars share the riches of their respective traditions on the doctrine of deification In this book scholars and pastor scholars from diverse Christian expressions write for both a scholarly and lay audience about what God created us to be adopted children of God who are called even now to be filled with all the fullness of God Eph 3 19 *Realizing Our Deepest Desires* Bernie Owens

SJ, 2022-04-01 From his Jesuit background Bernie Owens has written a twenty first century version of Teresa of Avila's sixteenth century classic *The Interior Castle* He writes in an experiential easy to read style with numerous contemporary stories taken from North American and African cultures to illustrate the seven stages of spiritual growth Teresa describes His book is a map for those seeking guidance on how to grow into praying and living contemplatively and dispose themselves for entering the deeper stages of the spiritual journey Finally he names issues that frequently emerge during the spiritual journey describes the way for becoming a Beloved Disciple of Jesus as a proven path for living intimately with Christ and the Triune God and lastly presents the kind of God Teresa knew and fiercely loved *The Alabaster Jar* Denise

Anderson, 2022-11-03 *The Alabaster Jar* is a collection of prose and poetry written over the last few years It is meant to inspire all those interested in deepening their intimate relationship with God This book is intended for prayer and meditation It can be picked up at any time and prayed in any order It is filled with insights and enlightenment that can be integrated into your personal prayer The writings were not written to be published but with encouragement it was clear they could provide means of traveling with others through their spiritual journeys something that gives me great joy *My Mystical Path*

Broken Gods Dr. Greg K. Popcak, Ph.D.,2015-06-02 You are gods Blasphemy No those mysterious words spoken by Jesus in the Gospel of John and alluded to in Psalm 82 point to a holy longing deep in our hearts that tells each of us that we were created for more Imagine that you were to wake up tomorrow to discover that by some miracle you had become a god overnight writes Dr Gregory Popcak Not THE God omnipresent all knowing all powerful but a god in the classic sense That is to say you woke to find that you were perfect immortal utterly confident in who you are where you were going in life and how you were going to get there It might seem ridiculous to consider at first but allow yourself to imagine this truly miraculous transformation What would it be like to live without fear How would it feel to be completely at peace with yourself and the people in your life Imagine what it would be like to be able to resolve once and for all the tension that currently exists between all your competing feelings impulses desires and demands What would change in your life as a result of your having become that sort of divinely actualized person Bold questions are in need of bold answers And in *Broken Gods* a work that is both practical and inspirational Dr Greg explores what our deepest desires and even our darkest desires tell us about our ultimate destiny and reveals a commonsense approach to fulfilling our true purpose in life
