The Miracle of Love Tylia L. Flores, 2025-02-14 Brace yourself The story you're about to witness isn't just a tale it's a gut punch a visceral assault on your senses It's the stench of stale alleys clinging to fifteen year old John Tyler Whitley the bitter taste of rejection coating his tongue the icy fear that grips him in the shadowed corners where he sleeps JT as he snarls the name is a colossus all awkward angles and a stutter that claws at his throat choking the words he desperately wants to unleash Homelessness is his constant companion a ragged suffocating blanket woven from despair and the jeering laughter of his tormentors But beneath the towering frame beneath the stammer that betrays him burns a fire His words spilled onto tattered notebook pages are incandescent a fierce rebellion against the darkness that threatens to consume him His faith a battered shield deflects the blows of a cruel world Then comes Katherine Howard Her laughter a vibrant splash of color in his monochrome existence is a siren's call drawing him from the shadows She sees him Really sees him Not the giant stuttering outcast but the soul buried beneath layers of hurt a soul blazing with a ferocious untamed intelligence Her touch when she dares to reach out is a searing brand leaving him breathless and reeling Their bond forged in the crucible of shared faith and mutual understanding is a fragile thing constantly threatened by the venomous whispers of prejudice and the chasm between their vastly different lives Their love story isn't a gentle waltz it's a brutal desperate brawl against the odds The city itself seems to conspire against them a concrete jungle teeming with indifference and hate Every stolen glance every whispered word is a risk a gamble with their hearts Yet their love explodes a supernova against the suffocating night Prepare to feel the sting of their tears the raw agony *How Healed Do You Want to Be?: Finding hope and wholeness in a sharp-edged world* William T. Faris, 2009 It is a sharp edged world and getting hurt is unavoidable Whether it is physical

spiritual or emotional we all experience pain on some level and are left with trying to pick up the pieces What do we do How do we move forward Do we want to merely get bandaged up so we can get back into the game Or do we want something so powerful and miraculous that it leaves us better than when we first experienced pain In *How Healed Do You Want to Be* author William Faris explores the world of healing from a different perspective defining the true nature of healing and challenging the reader to ask those tough questions that help us discover the deep healing God has for our lives He lays out a biblical road map that helps those on this journey find a healing that leaves them in better shape than when one of the sharp edges from the world first found them
