**From Trustworthiness to Secular Beliefs** ,2023-03-27 What does the Chinese term xin mean How does it relate to the concept of faith in a Western sense How far does it still denote being trustworthy in its ancient Confucian sense When did major shifts occur in its long history of semantics that allowed

later Christian missionaries to use the term regularly as a translation for the concept of believing in gods or God This volume offers a broad picture of the semantic history of this Chinese term throwing light on its semantic multi layeredness shaped by changing discursive contexts interactions between various ideological milieus and transcultural encounters **Chinese Religious Life** David A. Palmer, Glenn Shive, Philip L. Wickeri, 2011-09-13 Offering an introduction to religion in contemporary China the essays in this volume consider many diverse themes including religion in urban rural and ethnic minority settings and the historical sociological economic and political aspects of religion on the country as a whole **The Politics and Practice of Religious Diversity** Andrew Dawson, 2016-04-20 The Politics and Practice of Religious Diversity engages with one of the most characteristic features of modern society An increasingly prominent and potentially contentious phenomenon religious diversity is intimately associated with contemporary issues such as migration human rights social cohesion socio cultural pluralisation political jurisdiction globalisation and reactionary belief systems This edited collection of specially commissioned chapters provides an unrivalled geographical coverage and multidisciplinary treatment of the socio political processes and institutional practices provoked by and associated with religious diversity Alongside chapters treating religious diversity in the BRIC countries of Brazil Russia India and China are contributions which discuss Australia Finland Mexico South Africa the UK and the United States This book provides an accessible distinctive and timely treatment of a topic which is inextricably linked with modern society s progressively diverse and global trajectory Written and structured as an accessible volume for the student reader this book is of immediate interest to both academics and laypersons working in mainstream and political sociology sociology of religion human geography politics area studies migration studies and religious studies **Bitter and Sweet** Ellen Oxfeld, 2017-05-23 Less than a half century ago China experienced a cataclysmic famine which was particularly devastating in the countryside As a result older people in rural areas have experienced in their lifetimes both extreme deprivation and relative abundance of food Young people on the other hand have a different relationship to food Many young rural Chinese are migrating to rapidly industrializing cities for work leaving behind backbreaking labor but also a connection to food through agriculture Bitter and Sweet examines the role of food in one rural Chinese community as it has shaped everyday lives over the course of several tumultuous decades In her superb ethnographic accounts Ellen Oxfeld compels us to reexamine some of the dominant frameworks that have permeated recent scholarship on contemporary China and that describe increasing dislocation and individualism and a lack of moral centeredness By using food as a lens she shows a more complex picture where connectedness and sense of place continue to play an important role even in the context of rapid change **The Religion of Falun Gong** Benjamin Penny, 2012-04-13 Concentrates on the beliefs and practices of Falun Gong members **Re-enchanting Modernity** Mayfair Yang, 2020-05-15 In Re enchanting Modernity Mayfair Yang examines the resurgence of religious and ritual life after decades of enforced secularization in the coastal area of Wenzhou China Drawing on twenty five years of ethnographic fieldwork Yang shows how

the local practices of popular religion Daoism and Buddhism are based in community oriented grassroots organizations that create spaces for relative local autonomy and self governance Central to Wenzhou s religious civil society is what Yang calls a ritual economy in which an ethos of generosity is expressed through donations to temples clerics ritual events and charities in exchange for spiritual gain With these investments in transcendent realms Yang adopts Georges Bataille s notion of ritual expenditures to challenge the idea that rural Wenzhou s economic development can be described in terms of Max Weber s notion of a Protestant Ethic Instead Yang suggests that Wenzhou s ritual economy forges an alternate path to capitalist modernity
