PROBLEMS OF PLATO'S WRITING

Jay Farness

Missing Socrates Problems Of Platos Writing

Gary Alan Scott

Missing Socrates Problems Of Platos Writing:

Missing Socrates Jay Farness, 1991-04-15 Plato's conversations of Socrates are among the most accessible philosophical texts most of us have ever read yet the more one pursues the art or intelligibility of this writing the more mysterious and paradoxical the Platonic texts become What does it mean to study Plato not philosophically as a maker of arguments not poetically as a maker of dialogues but literally as a maker of texts This is a question that Jacques Derrida has made his own and in this book Farness creates a dialogue with Derrida on Plato's texts *Missing Socrates* also provides a dialogue between Plato and Socrates on the question of speech versus writing and a study of the materiality of Plato's writing Included among the various dialogues and themes developed here are rhetoric and courtroom practice in the *Apology* of Socrates religion skepticism and the idea of transcendence in the *Euthyphro* artistic practice and tradition in the *Ion* education and political discipline in the *Charmides* and rhetoric writing commemoration and the motives of authorship in *Phaedrus* In each of these discursive settings Socrates unsuccessfully seeks a place or a mode for philosophy Farness shows that the dialogues of Plato uncannily supply that lack *Missing Socrates* Jay Farness, 2010-11-01 [Interpreting Plato's Dialogues](#) Angelo J. Corlett, 2005-12-01 This new way of approaching Plato neither sees Plato's words as doctrines according to which the dialogues are to be interpreted nor does it reduce Plato's dialogues to dramatic literature Rather it seeks to interpret the primary aim of Plato's writings as being influenced primarily by Plato's respect for his teacher Socrates and the manner in which Socrates engaged others in philosophical discourse It places the focus of philosophical investigation of Plato's dialogues on the content of the dialogues themselves and on the Socratic way of doing philosophy *Philosophy in Dialogue* Gary Alan Scott, 2007-08-13 Traditional Plato scholarship in the English speaking world has assumed that Platonic dialogues are merely collections of arguments Inevitably the question arises If Plato wanted to present collections of arguments why did he write dialogues instead of treatises Concerned about this question some scholars have been experimenting with other more contextualized ways of reading the dialogues This anthology is among the first to present these new approaches as pursued by a variety of scholars As such it offers new perspectives on Plato as well as a suggestive view of Plato scholarship as something of a laboratory for historians of philosophy generally The essays gathered here each examine vital aspects of Plato's many methods considering his dialogues in relation to Thucydides and Homer narrative strategies and medical practice images and metaphors They offer surprising new research into such much studied works as *The Republic* as well as revealing views of lesser known dialogues like the *Cratylus* and *Philebus* With reference to thinkers such as Heidegger Gadamer and Sartre the authors place the Platonic dialogues in an illuminating historical context Together their essays should reinvigorate the scholarly examination of the way Plato's dialogues work and should prompt a reconsideration of how the form of Plato's philosophical writing bears on the Platonic conception of philosophy [Platonic Writings/Platonic Readings](#) Charles L. Griswold Jr., 2010-11-01 *Myth and Philosophy in Plato's Phaedrus* Daniel S. Werner, 2012-07-09 Plato

s dialogues frequently criticize traditional Greek myth yet Plato also integrates myth with his writing Daniel S Werner confronts this paradox through an in depth analysis of the Phaedrus Plato s most mythical dialogue Werner argues that the myths of the Phaedrus serve several complex functions they bring nonphilosophers into the philosophical life they offer a starting point for philosophical inquiry they unify the dialogue as a literary and dramatic whole they draw attention to the limits of language and the limits of knowledge and they allow Plato to co opt cultural authority as a way of defining and legitimating the practice of philosophy Platonic myth as a species of traditional tale is thus both distinct from philosophical dialectic and similar to it Ultimately the most powerful effect of Platonic myth is the way in which it leads readers to participate in Plato s dialogues and to engage in a process of self examination Socrates Against Athens James A. Colaiaco,2013-04-15 As an essential companion to Plato s Apology and Crito Socrates Against Athens provides valuable historical and cultural context to our understanding of the trial *The Paradox of Political Philosophy* Jacob Howland,1998 An examination of Socrates trial as played out in the Apology Theaetetus Euthyphro Cratylus Sophist and Statesman Finding that the heart of the dialogues is the rivalry between the characters of the Stranger of Elea and Socrates the author devotes a chapter to each dialogue and explores the Stranger of Elea s criticism that the uncompromising pursuit of knowledge conflicts with the task of weaving together humans into a political community The melding of the arguments of Socrates and the Stranger of Elea the author suggests is the best path to understanding Plato s political philosophy Annotation copyrighted by Book News Inc Portland OR **Leo Strauss and His Legacy** John Albert Murley,2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss s students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss s own complete bibliography and that of one of his most revered students George Anastaplo Self-Knowledge in Plato's Phaedrus Charles L. Griswold Jr.,2010-11-01 **Platonic Political Art** John R. Wallach,2010-11-01 In this first comprehensive treatment of Plato s political thought in a long time John Wallach offers a critical historicist interpretation of Plato Wallach shows how Plato s theory while a radical critique of the conventional ethical and political practice of his own era can be seen as having the potential for contributing to democratic discourse about ethics and politics today The author argues that Plato articulates and solves his Socratic Problem in his various dialogues in different but potentially complementary ways The book effectively extracts Plato from the straightjacket of Platonism and from the interpretive perspectives of the past fifty years principally those of Karl Popper Leo Strauss Hannah Arendt M I Finley Jacques Derrida and Gregory Vlastos The author s distinctive approach for understanding Plato and he argues for the history of political theory in general can inform contemporary theorizing about democracy opening pathways for criticizing democracy on behalf of virtue justice and democracy itself **Who Speaks for Plato?** Gerald Alan Press,2000 These essays examine a crucial premise of traditional readings of Plato s dialogues that Plato s own philosophical dialogues can be read off the statements made in the dialogues

by Socrates and other leading characters The text argues that no character should be read as Plato's mouthpiece

The Play of Character in Plato's Dialogues Ruby Blondell, 2002-06-27 This book attempts to bridge the gulf that still exists between literary and philosophical interpreters of Plato by looking at his use of characterization Characterization is intrinsic to dramatic form and a concern with human character in an ethical sense pervades the dialogues on the discursive level Form and content are further reciprocally related through Plato's discursive preoccupation with literary characterization Two opening chapters examine the methodological issues involved in reading Plato as drama and a set of questions surrounding Greek character words especially *ethos* including ancient Greek views about the influence of dramatic character on an audience The figure of Socrates qua Platonic hero also receives preliminary discussion The remaining chapters offer close readings of select dialogues chosen to show the wide range of ways in which Plato uses his characters with special emphasis on the kaleidoscopic figure of Socrates and on Plato's own relationship to his dramatic hero *Plato as Author* Ann Michelini, 2003-03-01 This collection focusing on literary aspects of the Platonic dialogues includes stimulating and diverse essays by scholars from several different fields Plato the critic satirist and perhaps inventor of rhetoric framed his own discourse in complex ways Republic is a mimetic text that presents a sophisticated analysis of the various types of mimesis Phaedrus featuring embedded exemplars of exquisite prose style includes a severe critique of literary authorship Texts such as these seem to demand the fullest resources of a sophisticated analysis of discourse Essay topics include friendship and desire in the Lysis Socratic irony in Cratylus mystery imagery in Phaedrus and the peculiar couch in Book 10 of Republic Contributors include Michael Erler David Gallop Francisco Gonzalez Charles Kahn Andrea Nightingale and Thomas Szlezak

The Platonic Odyssey Amihud Gilead, 1994 This book is a detailed study of how Plato constructs his seminal philosophical dialogue the Phaedo as a unique tragedy a poetic masterpiece whose structure is organic and symmetrical Plato's mental Odyssey leads to the internal drama of the Phaedo plot The analysis examines how Plato's literary art overcomes the philosophical problem of the separation of Ideas from sensible things And it traces literary and philosophical offspring of the mental Odyssey including Joyce and Proust

Philosopher in Plato's Statesman Mitchell Miller, 2004-09-15 In the Statesman Plato brings together only to challenge and displace his own crowning contributions to philosophical method political theory and drama In his 1980 study reprinted here Mitchell Miller employs literary theory and conceptual analysis to expose the philosophical political and pedagogical conflict that is the underlying context of the dialogue revealing that its chaotic variety of movements is actually a carefully harmonized act of realizing the mean The original study left one question outstanding what specifically in the metaphysical order of things motivated the nameless Visitor from Elea to abandon bifurcation for his consummating non bifurcatory division of fifteen kinds at the end of the dialogue Miller addressed in a separate essay first published in 1999 and reprinted here In it he opens the horizon of interpretation to include the new metaphysics of the Parmenides the Philebus and the unwritten teachings

The Platonic Odeyssey Amihud Gilead, 2022-06-08 This book is a

detailed study of how Plato constructs his seminal philosophical dialogue the *Phaedo* as a unique tragedy a poetic masterpiece whose structure is organic and symmetrical Plato's mental *Odyssey* leads to the internal drama of the *Phaedo* plot The analysis examines how Plato's literary art overcomes the philosophical problem of the separation of Ideas from sensible things And it traces literary and philosophical offspring of the mental *Odyssey* including Joyce and Proust A *Synoptic History of Classical Rhetoric* James J. Murphy, Richard A. Katula, Michael Hoppmann, 2013-07-24 Continuing its tradition of providing students with a thorough review of ancient Greek and Roman rhetorical theory and practices A *Synoptic History of Classical Rhetoric* is the premier text for undergraduate courses and graduate seminars in the history of rhetoric Offering vivid examples of each classical rhetor rhetorical period and source text students are led to understand rhetoric's role in the exchange of knowledge and ideas Completely updated throughout Part I of this new edition integrates new research and expanded footnotes and bibliographies for students to develop their own scholarship Part II offers eight classical texts for reading study and criticism and includes discussion questions and keys to the text in Part I **Plato's Dialogues** Gerald Alan Press, 1993 These essays by philosophers philologists and historians exemplify both the pluralism and shared values of recent scholarship on Plato's dialogues and philosophy They emphasise the interdependence of ideas literary and dramatic elements and the historical and cultural contexts The Third Way Francisco J. González, Francisco J. Gonzalez, 1995 The study of Plato's dialogues has traditionally oscillated between two paradigms one that portrays the dialogues as treatises expounding doctrines and one that sees them as purely skeptical rhetorical or literary This collection of new essays by twelve noted Plato scholars illustrates the fruitfulness of breaking away from those paradigms which have divided Platonic scholarship and led it to a number of dead ends While the essays are diverse in their approaches each seeks to find a third way to understand Plato reading him as neither a dogmatist nor a skeptic but as a philosopher capable of reconciling the content and form of his writings

Missing Socrates Problems Of Platos Writing Introduction

In today's digital age, the availability of Missing Socrates Problems Of Platos Writing books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Missing Socrates Problems Of Platos Writing books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Missing Socrates Problems Of Platos Writing books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Missing Socrates Problems Of Platos Writing versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Missing Socrates Problems Of Platos Writing books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Missing Socrates Problems Of Platos Writing books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Missing Socrates Problems Of Platos Writing books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Missing Socrates Problems Of Platos Writing books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Missing Socrates Problems Of Platos Writing books and manuals for download and embark on your journey of knowledge?
