Mission And Moral Reflection In Paul Studies In Biblical Literature

Craig G. Bartholomew

Mission And Moral Reflection In Paul Studies In Biblical Literature:

Mission and Moral Reflection in Paul Michael D. Barram, 2006 The Apostle Paul sought to exert his influence and authority over the congregations he founded long after they had been established Such ongoing oversight by Christianity's prototypical evangelist has not been adequately understood In a brief 1987 article W Paul Bowers challenged John Knox's assertion that Paul's pastoral and administrative work irked him and that he wanted to be free of it This book confirms and significantly develops Bowers's little known thesis examining a wide range of passages in the apostle's undisputed letters and highlighting crucial implications of Paul's broadly conceived vocation for understanding his mission and moral reflection

Paul as Missionary Trevor J. Burke, Brian S. Rosner, 2011-03-17 Paul as Missionary Identity Activity Theology and Practice takes the view that before anything else Paul must first and foremost be identified as a missionary Using the entire Pauline corpus the contributors to this volume assess what Paul's correspondence can tell us about how he perceived his role and identity The work comprises four parts in section one Paul's identity as priest eschatological herald and missionary pastor are explored while in part two topics such as the apostle's activity among pagans his suffering and Paul's missionary message to the church at Rome are considered Section three comprises essays on the Spirit as the governing dynamic the glory of God as the apostle's missionary goal and the importance of Paul's Christology in shaping his mission to the Gentiles Finally part four addresses Paul's missionary praxis including his support of his missionary enterprise *The Great Story and the Great Commission (Acadia Studies in Bible and Theology)* Christopher J. H. Wright, 2023-02-28 Christianity Today 2024 Book Award Missions Global Church Outreach 2024 Resource of the Year Mission and Cross Cultural Highly regarded biblical scholar and speaker Christopher Wright shows us that how we read the Bible has a profound impact on how we understand what mission is According to Wright People read and preach the Bible in tiny bits and pieces for its promises or rules or doctrines and fail to take it as the true story of the universe past present and future within the plan and purposes of God a story in which we are called to participate as coworkers with God Wright encourages us to explore the Bible's grand narrative and to bring the whole counsel of God in Scripture to our understanding of who we are and what we must do as God's people He helps us understand mission in its broadest sense including our creational responsibilities Wright's goal is to get us excited about the dramatic vista of the whole Bible and to help us understand the breadth and depth of missional engagement that we are called to live as actors in that drama Now in paperback **Becoming the Gospel** Michael J. Gorman, 2015-05-06 The first detailed exegetical treatment of Paul's letters from the emerging discipline of missional hermeneutics Michael Gorman's *Becoming the Gospel* argues that Paul's letters invite Christian communities both then and now to not merely believe the gospel but to become the gospel and in doing so to participate in the life and mission of God Showing that Pauline churches were active public participants in and witnesses to the gospel Gorman reveals the missional significance of various themes in Paul's letters He also identifies select contemporary examples of mission in the spirit of Paul inviting all Christians to

practice Paul inspired imagination in their own contexts *Called into the Mission of God* Roji T. George, 2020-11-03 In *Called into the Mission of God* Roji George argues that Paul's primary interest was neither doctrinal teaching nor the articulation of an anti imperial discourse Instead he contends that amidst the many problems that faced the local Thessalonian community problems arising out of eschatological fears ethical difficulties in the community and persecution from outside groups Paul brought primarily a missional concern to impart ethical exhortation and eschatological teaching in a political language The book will be helpful to those theologians scholars teachers and students grappling with the message of Paul in his own time and in ours *Called into the Mission of God* represents an increasing commitment on the part of Fortress Press to support the wide dissemination of the best theological and biblical writing by the best scholars from the Global South

Missional Economics Michael Barram, 2018-05-24 American Christians today says Michael Barram have a significant blind spot when it comes to economic matters in the Bible In this book Barram reads biblical texts related to matters of money wealth and poverty through a missional lens showing how they function to transform our economic reasoning Barram searches for insight into God's purposes for economic justice by exploring what it might look like to think and act in life giving ways in the face of contemporary economic orthodoxies The Bible repeatedly tells us how to treat the poor and marginalized Barram says and faithful Christians cannot but reflect carefully and concretely on such concerns Written in an accessible style this biblically rooted study reflects years of research and teaching on social and economic justice in the Bible and will prove useful for lay readers preachers teachers students and scholars

Romans and the Mission of God Mark J. Keown, 2021-12-23 *Romans* is a missional document Yet strangely while many recognize the missional aspects of *Romans* few monographs are totally devoted to unpacking *Romans* from a missional perspective *Romans and the Mission of God* does this very thing Part one explores the background of the letter with an eye to positioning *Romans* in the story of the mission of God the apostle the Roman world and the early church Part two considers how *Romans* is a contextually shaped presentation of the gospel A range of other aspects of the way in which Paul shapes his message for the *Romans* are explored including salvation history metaphors and rhetorical techniques and aspects of the letter including elements opposed to God salvation ideas human response ethics and Christian living and the eschaton Part three delves into issues that arise in *Romans* that are important for contemporary mission These include such things as the cosmic scope of the mission the gospel as the power of salvation who does evangelism the miraculous social justice ecology social transformation generosity and hospitality God's sovereignty and human volition prayer the State culture Israel apologetics and theological thinking This is a must read for those serious about Paul *Romans* and God's mission

1 Corinthians: A Social Identity Commentary J. Brian Tucker, 2024-10-17 Paul's first letter to the Corinthians deals with key aspects of the formation of the Christian community at Corinth Paul uses his correspondence with the Corinthians to address issues of morality of community structure of ritual and of religious behaviour The letter is a key document for understanding the

development of Christianity and for understanding Christianity in its earliest context In this Social Identity Commentary J Brian Tucker provides a comprehensive coverage of the issues and concerns related to 1 Corinthians from the perspective of social identity Tucker outlines his interpretation of the theoretical issues concerned and then applies this to provide a clear overview of historical and critical issues related to the study of 1 Corinthians This provides a clear engagement with the text that will serve as a useful resource for scholars students clergy and people interested in the formation and purpose of the letter

Listening to Scripture Craig G. Bartholomew, 2023-08-22 Looking for a guide to interpreting the Bible that is accessible up to date and theologically grounded A renowned Old Testament scholar and coauthor of the bestselling *The Drama of Scripture* introduces us to reading the Bible with an ear toward hearing God's address When we read the Bible we need to take off our shoes as it were because we are on holy ground says Bartholomew We take up the Bible to read it only to find that through it God speaks to us This is the awesome potential of Bible reading and interpretation Bartholomew begins with a theological orientation including topics such as the relationship between prayer analysis and reading Scripture the Bible as the true story of the whole world and reading the text in light of its literary historical and kerygmatic proclamation dimensions He then explores the history of interpretation before discussing how we receive the Bible liturgically ethically and missionally Throughout the book exercises in *lectio divina* invite readers to engage both the head and the heart as they learn to interpret the Bible Professors and students of the Bible will value this work It will also appeal to church leaders and other serious students of the Bible

Philippians John Paul Heil, 2010 This volume employs a text centered literary rhetorical and audience oriented method to demonstrate how the implied audience of Philippians are persuaded and exhorted by the dynamic progression of the letter's chiasmic structures to rejoice along with Paul and other believers in being conformed with all of the broad implications of such conformity to Christ This reading assumes that Philippians is a single unified letter written to be read and heard in a public setting as an oral performance substituting for the personal presence of the imprisoned Paul and it proposes new chiasmic structures for the entire letter as a key to understanding it Publisher's description

Transcending Mission Michael W. Stroope, 2017-02-28 Is the language of mission clearly evident across the broad reaches of time Or has the modern missionary enterprise distorted our view of the past Michael Stroope investigates how the modern church has come to understand speak of and engage in the global expansion of Christianity offering a hopeful way forward in this pressing conversation

Abide and Go Michael J. Gorman, 2018-07-26 The Gospel of John would seem to be both the spiritual Gospel and a Gospel that promotes Christian mission Some interpreters however have found John to be the product of a sectarian community that promotes a very narrow view of Christian mission and advocates neither love of neighbor nor love of enemy In this book for both the academy and the church Michael Gorman argues that John has a profound spirituality that is robustly missional and that it can be summarized in the paradoxical phrase Abide and go from John 15 Disciples participate in the divine love and life and therefore in the life giving mission of God manifested in the

ministry death and resurrection of Jesus As God s children disciples become more and more like this missional God as they become like his Son by the work of the Spirit This spirituality argues Gorman can be called missional theosis *Paul's Understanding of the Church's Mission* Robert L. Plummer,2006-06-01 Did Paul expect his churches to engage in evangelistic activity which mirrored his own Or have modern readers of the Bible wrongly projected Paul s apostolic passion upon the communities that he founded Such is the charge of several recent authors and if their thesis is correct nothing could have larger implications for how the modern church engages in mission In this book Robert L Plummer engages in a careful study of Paul s letters to determine if the apostle expected the communities to which he wrote to engage in outward directed missionary activity Plummer helpfully summarizes the discussion to date on the debated issue judiciously handles contested texts and provides a way forward in addressing this critical question While admitting that Paul rarely explicitly commands the communities he founded to evangelize Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in outward directed missionary activity Throughout the study Plummer progressively builds a theological basis for the church s mission that is both compelling and distinctively Pauline You Belong to Christ J. Brian Tucker,2011-01-01 You Belong to Christ explores the way that the Apostle Paul sought to form the social identity of one of his most important Christ following communities It sheds light on the way various social identities function within the Pauline community and provides guidance concerning the social implications of the gospel Drawing from contemporary social identity theories as well as ancient source material J Brian Tucker describes the way 1 Corinthians 1 4 forms social identity in its readers so that what results is an alternative community with a distinct ethos in contrast to the Roman Empire and its imperial ideology This book contends that previous identities are not obliterated in Christ but maintain their fundamental significance and serve to further the Pauline mission by means of social integration Providing a comprehensive survey of Christian identity in Pauline studies as well as an interesting look into the material remains of Roman Corinth this volume provides a social scientific reading of 1 Corinthians 1 4 and argues that Paul s strategy was to form salient in Christ social identity in those to whom he wrote 1 Corinthians Michael J. Gorman,2025-03-06 An engaging theological commentary on 1 Corinthians that emphasizes practical applications for Christian life and ministry Authored by renowned New Testament scholar Michael J Gorman this commentary is designed for pastors students scholars and lay people who want a careful exposition of 1 Corinthians that stresses its theological content and considers its spiritual pastoral and missional implications for today As Gorman leads readers through the biblical text he explores key Pauline themes found in his previous work on Paul while he interprets 1 Corinthians as a pastoral letter about the marks of the church a summons to the body of Christ then and now to be one holy catholic and apostolic Like Gorman s highly regarded commentary on Romans this commentary on 1 Corinthians emphasizes the letter s practical applications and includes questions for reflection and sidebars on important topics all of which make it an essential resource for teaching and preaching at any level **The**

Community, the Individual and the Common Good Kei Eun Chang, 2013-08-29 This book investigates Paul's effort to combat factionalism by his use of the Greco Roman rhetoric of the common advantage to overcome socio ethical problems caused by the improper exercise of private advantage in Corinth Chang examines the common advantage first as a fundamental principle that defined human and societal relationships in the Greco Roman world He explores how the neglect and misunderstanding of this principle lay at the root of relational and societal breakdowns The book further examines Paul's use of the term and demonstrates that when properly understood and appropriated the principle of the common advantage is pivotal to keeping societies and relationships dynamic and healthy Conversely when common advantage is not functioning and concomitantly private advantage is wrongly emphasized at its expense relational societal and ecclesiastical breakdowns occur The book culminates in demonstrating that for Paul the common advantage carries missional and salvific implications that override and subvert socio ethnic boundaries In this way otherwise hostile social groups will realize a healthy symbiosis

Paul, The Apostle of Obedience Jason A. Myers, 2022-08-25 Jason A Myers reconsiders the meaning and context of the phrase the obedience of faith in Rom 1:5 and how it contributes to the theme of obedience in Romans In contrast to previous studies that have nearly exclusively focused on the obedience language in light of the Hebrew Bible and Second Temple literature Myers instead investigates how this language functioned within the Greco Roman world particularly in the discourse of the Roman Empire By studying both the Greco Roman contexts and the use of obedience language during the Empire Myers sheds fresh light on the meaning of the obedience of faith and concludes that such examination helps contemporary readers understand how Gentiles in Paul's audience would have heard and received the terms and images relating to obedience In addition he argues that Paul's use of obedience language both at the beginning and end of Romans 1:5 15 18 serves as rhetorical bookends and signals a theme that is central to Paul's purpose in Romans and integral to his calling as an apostle to the Gentiles

Salvific Intentionality in 1 Corinthians Scott Goode, 2023-07-06 There are few matters more important than God's mission in the world This book offers a fresh contribution to a long standing debate in Pauline and missional studies regarding the apparent absence of a missionary mandate for the churches of the New Testament Through a literary and socio rhetorical study of 1 Corinthians and in conversation with the emerging discipline of social identity theory this book invites the reader to consider how Paul's missional expectations may have been received and put into practice in first century Corinth by the first readers Along the way some new lines of inquiry are opened for certain texts which have remained for a long time in a state of scholarly stalemate But these technical discussions give way to a larger goal to offer a missiology in action in all its Corinthian complexity Could such an approach inform a robust missional identity for the church of today As the Western church searches for a new self understanding in an increasingly post Christian culture the intention of this book is to cultivate the missional imagination of contemporary believers for their ongoing participation in God's mission in the world

Reparations and the Theological Disciplines Michael Barram, Drew G.

I. Hart, Gimbiya Kettering, Michael J. Rhodes, 2023-10-10 Historically many churches and theologians defended and supported race based slavery and subsequent forms of racial hierarchy and violence The essays in *Reparations and the Theological Disciplines* argue that it is urgent that the theological disciplines engage the issue of reparations by revisiting Scripture and our theological traditions The time is now for remembrance reckoning and repair *Isaiah's Servant in Paul* Daniel M. I. Cole, 2021-07-02 Paul seems to read Isaiah's Servant with reference to himself Daniel Cole examines Paul's use of texts within Isa 49:5-6 to explain why the apostle does this and what the ethical implications are He demonstrates that the coherent salvation history of the Servant prophecy guides Paul throughout

The Top Books of the Year Mission And Moral Reflection In Paul Studies In Biblical Literature The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
