

# PROJECT REPORT GUIDELINES

Following are the guidelines for the preparation of B.E. Pre Final(7<sup>th</sup>) & Final Semester(8<sup>th</sup>) Report to be submitted to the Gujarat Technological University for the award of the B.E (CE/IT) degree.

## General guideline:

1. Remember that your project/training/dissertation report should be an honest report of the work done by you, content rather than size is important.
2. Take care about physical layout, diagrams, charts, etc. They should be properly numbered and referred to.
3. A good work can be "killed" by a badly written report. Take extreme care about language grammar, spelling and style. You are accustomed to take care of computer language while implementing; your report deserves the same care for English.
4. It will be good idea to submit the draft copy of the project/training/dissertation report to your guide or any other teacher in the department for his comments. This should be done well in advance, so that the reviewer has sufficient time for going through it in detail.
5. Remember that you will not be able to "disown" the report, make it something you will be proud of.
6. Don't wait for an inspiration to start writing the report, be ready to revise it several times. About halfway through the project is good starting time for the writing report.

**CONTENTS:** Following should be the order of contents for the report and should be strictly maintained.

- I. Cover Page ( see attachment)
- II. First Page ( see attachment)
- III. Candidate's Declaration
- IV. Industry Certificate ( from the officer under you worked, attached original copy)
- V. College/ Institute Certificate ( see attachment )
- VI. Acknowledgement (generally for your guide(s), various help received, discussion held, etc. Remember we stand on the shoulders of many people; here is the place to thank them)
- VII. Abstract/synopsis of work assigned or entrusted to you in clear language.
- VIII. Notations, Naming Convention and Abbreviations
- IX. List of Figures ( if applicable)
- X. List of Tables ( if applicable)
- XI. Index(Table of Contents) (Format given at the end)
- XII. Company profile: Organization, its activities, size, etc. The need of your work in organization, the existing system and any past attempts. What is expected in general from the new system?(Max 2 Page)
- XIII. CHAPTERS (See The Details )
- XIV. Appendices ( if applicable)
- XV. References
- XVI. Work Experience

### **Mission Reportproject Guide Line Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Mission Reportproject Guide Line has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Mission Reportproject Guide Line has opened up a world of possibilities. Downloading Mission Reportproject Guide Line provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Mission Reportproject Guide Line has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Mission Reportproject Guide Line. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Mission Reportproject Guide Line. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Mission Reportproject Guide Line, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to

distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Mission Reportproject Guide Line has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
