The Christology of John Macquarrie Vernon L. Purdy, 2009 The Christology of John Macquarrie comprehensively scrutinizes the life and writings of Scottish born systematic theologian and philosopher John Macquarrie 1919 2007 in an attempt to comprehend and evaluate his Christology The author examines the people e g Heidegger Schleiermacher the philosophical and theological positions and the writings that formed Macquarrie s thinking One major influence was his commitment to modern critical theology including the premise that in the modern world the only acceptable Christological tenets are those that can stand up to the scrutiny of modern critical reasoning The work concludes that this commitment profoundly shaped Macquarrie s theology especially his Christology The book also discusses Macquarrie s evaluation and criticisms of the Christology of other theologians e g Kierkegaard Moltmann Pannenberg and others concluding that Macquarrie s understanding of the Christian faith and the person of Jesus Christ is consonant with modern liberal Anglo Catholicism This idea furthers the argument that Macquarrie s reluctance to accept traditional incarnational categories suggests that his Christology is a modern form of Adoptionism New Testament Theology and Its Quest for Relevance Thomas Hatina, 2013-03-14 This guide to structuring and creating a New Testament theology shows students how to examine ancient texts in the modern world Kierkegaard's Vision of the Incarnation Murray Rae, 1997-12-04 In this study of the works of S ren Kierkegaard Murray Rae focuses on his understanding of the Christian faith and the nature of Christian conversion The transformation of an individual under the impact of revelation is explored both in terms of the New Testament concept of metanoia and in comparison with claims to cognitive progress in other fields The Writings of the New Testament Luke Timothy Johnson, 2010-03-01 Luke Timothy Johnson offers a compelling interpretation of the New Testament as a witness to the rise of early faith in Jesus Critically judicious and theologically attuned to the role of the New Testament in the life of the church Johnson deftly guides his reader through a wealth of historical and literary description and invites critical reflection on the meaning of these ancient writings for today The third edition is carefully updated and includes new student friendly format and features including a new design and study and reflection questions **Making Sense of New Testament Theology** A K M Adam, 2005-01-07 Critics have tried to revitalize the discipline of New Testament theology The results of their labors are often disappointing A K M Adam suggests the problems many sense in New Testament theology arise from a mismatch of method and goals That mismatch stems from a preoccupation with modernity as resident in the hallowed halls of regnant historical criticism We need a hermeneutics of theology a hermeneutics of hermeneutics Adam here helps us understand what to keep of the historical critical perspective when the realization hits that we have been sold a bill of goods that no longer makes good on its promises In that sense Adam s book is far more friendly to the historical critical method as such than unfriendly editor s preface **John 1-6** Martinus C. de Boer, 2024-12-12 In this ICC Martin de Boer provides an introduction and commentary on chapters 1 6 of John s Gospel de

Boer sets out to interpret the Gospel in the historical context in which it was written and first read and to explain it both historically and theologically Taking his primary bearings from the seminal work of Raymond E Brown and J L Martyn de Boer applies and advances their approach through each section of his commentary whilst also engaging with the latest scholarship alternative viewpoints and critiques of the Brown Martyn approach As such de Boer takes very seriously the view that John s Gospel was written for a particular community and that the composition of the text as we know it took place over an extended period of time Examination of the historical realities of this community is a hallmark of this commentary including the notion that as members of the community women may have played a role in the Gospel s composition

Riches, Poverty, and the Faithful Mark D. Mathews, 2013-02-14 In the book of Revelation John appeals to the faithful to avoid the temptations of wealth which he connects with evil and disobedience within secular society New Testament scholars have traditionally viewed his somewhat radical stance as a reaction to the social injustices and idolatry of the imperial Roman cults of the day Mark D Mathews argues that John s rejection of affluence was instead shaped by ideas in the Jewish literature of the Second Temple period which associated the rich with the wicked and viewed the poor as the righteous Mathews explores how traditions preserved in the Epistle of Enoch and later Enochic texts played a formative role in shaping John s theological perspective This book will be of interest to those researching poverty and wealth in early Christian communities and the relationship between the traditions preserved in the Dead Sea Scrolls and New Testament

Boda, 2017-04-18 This volume explores the theological heartbeat of the Old Testament by examining three big ideas that communicate the Old Testament s redemptive theology Highly respected scholar Mark Boda shows how three creedal expressions the narrative character and relational creeds recur throughout the Old Testament and express its core redemptive theology in turn revealing how the redemptive pulse of God expands to all of creation He also traces these redemptive and creational pulses into the New Testament and shows their relevance for today s Christian community

Canon and Criterion in Christian Theology William James Abraham, 2002 Canon and Criterion in Christian Theology provides an original and important narrative on the significance of canon in the Christian tradition Standard accounts of canon reduce canon to scripture and treat scripture as a criterion of truth Scripture is then related in

positive or negative ways to tradition reason and experience Such projects involve a misreading of the meaning and content of canon they locate the canonical heritage of the church within epistemology and Abraham charts the fatal consequences of this move from the Fathers to modern feminist theology In the process he shows that the central epistemological concerns of the Enlightenment have Christian origins and echoes He also shows that the crucial developments of theology from the Reformation onwards involve extraordinary efforts to fix the foundations of faith This trajectory is now exhausted theologically and spiritually Hence the door is opened for a recovery of the full canonical heritage of the early church and for fresh work on the epistemology of theology
