Police patrol as a unit, is created for the objective of attempting to eliminate the desire and opportunity to commit misconduct on the part of the individual. Patrol is an idea of mobilizing police personnel; placing them and arranging them in a systematic manner.

### Evolution of the Police (Philippine Setting)

<https://prezi.com/f6ducle919qk/brief-history-of-philippine-policing-system/>

#### Ancient Roots

The forerunner of the contemporary police system was the practice of barangay officials to select able-bodied young men to protect their barangay during the night. Among the duties of those selected were to protect the properties of the people in the barangay and protect their crops and livestock from wild animals.
