## Nice Hunt Shanghai Hunt Guides:

*Ghost Hunter's Guide to Portland and Oregon Coast* Jeff Dwyer, 2015-08-11 Ghosts and spirits abound in western Oregon. The imprints of pioneers, soldiers, prostitutes, and murder victims haunt the places they trod in life, searching for loved ones, reliving joyful times, protecting favorite haunts, and seeking revenge. This guide, history, and comprehensive how-to offers tantalizing information about the lives, deaths, and locales of the Portland area's lingering past. Areas include Central Portland, East Portland communities, Vancouver, and North Portland communities south of Portland and Oregon's coastal communities. The infamous Shanghai Tunnels have long reverberated with the screams of kidnapped victims doomed to a brief life of forced servitude. Lone Fir Cemetery is visited to this day by the spirits of the Chinese laborers, mental asylum inmates, and Civil War veterans who rest there. Thelma Taylor can sometimes be felt in Cathedral Park under the St. John Bridge. Historical hotels still host the spirits of guests who died, sometimes by their own hand. Opera houses and ballrooms tell a happier story; the imprints left by decades of entertainment and energy can be felt even now. These sites and many others are vividly described, and entries include locations and contact information. Informative sections cover what a ghost is, how it can manifest, ideal ghost sighting conditions, and types of imprints. Techniques included are preliminary historical research, physical and mental preparation, and the two primary schools of ghost hunting: the technical and psychic methods. The technical method section covers equipment use and suggestions, and the psychic method section discusses using your intuition and sensitivity to sense phenomena. Helpful appendixes include a sighting report form, suggested readings, videos, and websites; a list of tours and events; and a collection of area museums and historical societies. **The Rough Guide to Shanghai (Travel Guide eBook)** Rough Guides, 2017-07-06 The ultimate insider's guide covering everything from the huge new art galleries of the West Bund to the chic eating places of the renovated Cool Docks, Shanghai is the twenty-first century city par excellence, the financial centre of the world's new superpower. **Chang Ch'un-ch'iao and Shanghai's January Revolution** Andrew Walder,2021-01-19 Shanghai s January Revolution was a highly visible and by all accounts crucially important event in China s Cultural Revolution Its occurrence along with the subsequent attempt to establish a commune form of municipal government has greatly shaped our understanding both of the goals originally envisaged for the Cultural Revolution by its leaders and of the political positions held by the new corps of Party leaders thrust upward during its course most notably Chang Ch un ch iao At this interpretive level the events in Shanghai seem to embody in microcosm the issues and conflicts in Chinese politics during the Cultural Revolution as a whole while at the same time shaping our conception of what these larger issues and conflicts were At the more general theoretical level however the events in Shanghai provide us with an unusual opportunity thanks to Red Guard raids on Party offices to view the internal workings of the Party organization under a period of stress and to observe unrestrained interest group formation and mass political conflict through the press accounts provided by these unofficial groups themselves The January Revolution thus provides us with an opportunity to develop better our more abstract theoretical understanding of the functioning of the Chinese political system and the dynamics of the social system in which it operates 1
