The Legend of Dragon Quest Daniel Andreyev, 2019-05-21 Discover all the secrets and mechanics of the famous Japanese video game Dragon Quest This book looks back at the entire Dragon Quest saga tells the story of the series birth retraces its history and deciphers its mechanics In this book the author shares us all his expertise and his passion in Japanese gaming to decipher the

creation and the story of this saga and his creator Yuji Horii EXTRAIT Even with only limited knowledge of Japanese and somewhat difficult technical conditions the story was very well told This was perhaps what surprised players most Dragon Quest V is a large family cycle of emotions as transparent as an epic tale by Alexandre Dumas the author of famous works such as The Three Musketeers In the end I was lucky that my first taste of the series was this excellent episode since VI was far more extravagant with its tales of parallel universes and heroes traveling on flying beds A slightly puzzling game but not without levity nor offbeat humor One of the most emotional moments of Dragon Quest V is when we end up going back in time to change the past thus saving the future The time travel theme has been so often used in science fiction particularly during the 1980s that it should have left me impassive It was not even the first time I had experienced it in a video game But this adventure with its simple graphics and persistent melodies glanced lightly upon feelings that leave no one unmoved What would I have done differently if I could have changed things is a very common concept used in fiction from A Distant Neighborhood by Jir Taniguchi to the Quantum Leap series Well told it is so simple and so effective that it affects each and every one of us CE QU EN PENSE LA CRITIQUE Un livre passionnant que j'ai dû voir au point de rogner sur mes heures de sommeil Ici l'auteur ne nous bassine pas avec des tartines de textes pour nous conter avec détail l'histoire de chaque épisode les ventes incommensurables de la série ou encore un almanach des jeux estampillés DraQue Kaisermeister Sens Critique Un livre plein d'anecdotes qui feront vibrer votre corde nostalgique et qui donne envie une fois terminée de replonger dans l'aventure neotsubasa Sens Critique C'est une biographie très détaillée riche en anecdotes et bien romancée Yuji Horii est un personnage fascinant au CV bien rempli et la genèse de la saga est tout aussi passionnante tel point que j'ai parfois eu du mal à décrocher Nixotane Sens Critique PROPOS DE L'AUTEUR Daniel Andreyev is an author and journalist of Russian origin His career in video game journalism began twenty years ago during the golden years of video gaming with Player One Consoles and Animeland with a particular interest in Japan Having spent some time on translation he is now part of the New Games Journalism movement which places the player at the heart of the video game experience He produces the After Hate and Super Cin Battle podcasts He also trades memories with his friends in Gaijin Dash the Gamekult show on Japanese video games He is a fan of far too many things to list them all here But when he is not writing not watching a movie not reading comics and graphic novels not climbing mountains or exploring ruined buildings he might be cooking exercising or dreaming of one day owning a dog *Slum Wolf* Tadao Tsuge, 2018-12-04 A gritty collection of graphic short stories by a Japanese manga master depicting life on the streets among punks gangsters and vagrants Tadao Tsuge is one of the pioneers of alternative manga and one of the world's great artists of the down and out *Slum Wolf* is a new selection of his stories from the late Sixties and Seventies never before available in English a vision of Japan as a world of bleary bars and rundown flophouses vicious street fights and strange late night visions In assured elegantly gritty art Tsuge depicts a legendary aging brawler a slowly unraveling businessman a group of damaged veterans uniting to form a shantytown and an array of punks

pimps and drunks all struggling for freedom meaning or just survival With an extensive introduction by translator and comics historian Ryan Holmberg this collection brings together some of Tsuge s most powerful work raucous lyrical and unforgettable **The Cambridge History of the Graphic Novel** Jan Baetens,Hugo Frey,Stephen E.

Talent YOSHIHARU TSUGE,2020-01-28 A Japanese manga legend s autobiographical graphic novel about a struggling artist and the first full length work by the great Yoshiharu Tsuge available in the English language Yoshiharu Tsuge is one of comics most celebrated and influential artists but his work has been almost entirely unavailable to English speaking audiences The Man Without Talent his first book ever to be translated into English is an unforgiving self portrait of frustration Swearing off cartooning as a profession Tsuge takes on a series of unconventional jobs used camera salesman ferryman and stone collector hoping to find success among the hucksters speculators and deadbeats he does business with Instead he fails again and again unable to provide for his family earning only their contempt and his own The result is a dryly funny look at the pitfalls of the creative life and an off kilter portrait of modern Japan Accompanied by an essay from translator Ryan Holmberg that discusses Tsuge s importance in comics and Japanese literature The Man Without Talent is one of the great works of comics literature *The Believer* ,2009 *Second Hand Love* Yamada Murasaki,2024-06-04

Through a cracked door heartsick Emi hears a playful growl Cautiously she lets her lover in a wolf of a man wielding a bouquet of roses His shoulders must have been four inches wider than mine As I stood behind him I fantasized about the broadness of his chest and the thickness of his neck and about becoming his mistress once again And so their story goes For a young woman interested in love without the hassle of a traditional relationship an affair with someone else s spoiled husband is just what she ordered until it s time to move on Then there s Yuko with even less time for married men s shenanigans she turns her attention to her aging father and the guilt of adultery that has gnawed at his heart for years Her mother is long dead yet her memory is enshrined for eternity in their both father s and daughter s mirrored indiscretions Drawn soon after the critically acclaimed Talk to My Back the two stories in Second Hand Love mark the triumphant return of Yamada Murasaki one of literary manga s most respected feminist voices Translated by noted historian Ryan Holmberg

approach and dashes of surrealist humor to distinguish his work from that of his peers
