Persaud, 2015-03-06 Many people today are reluctant to believe in blessings ensuing from a supernatural source and they are hesitant to lend credence to the possibility of miracles and supernatural experiences as well Numerous Christians too although they profess allegiance to the God of the Holy Bible tread delicately on a path that would otherwise bridge a chasm between the temporal or tangible and the miraculous or preternatural The result is a departure from Biblical Christianity and the embracing of a kind of pseudo religiosity far removed from the Gospel of Jesus Christ In Blessings Miracles Supernatural Experiences A

W. C. Jr., 2015-02-23 This dynamic page turning story of the life of Rev Dr G W C Richardson will keep you on the edge of your seat From before he was born his life was blessed ordered and ordained by God Over and over again he survived impossible odds where situations and people sought to destroy him both mentally and physically God had a greater purpose for him and no weapon formed was able to harm him God protected him and kept him for His use even when enemies plotted to kill him The Almighty hand of God covered him over in over again in what can only be described as a life full of Miracles and Mercies Once you read this story you will know that there is a God and he has a divine purpose for each of us The sooner in our life that we realize that purpose the more abundant our lives will be Mercy Revealed Gerald M.
