Mirrors, messages, manifestations Minor White, 1969 **Minor White** Minor White, 1976 **Meyer Schapiro's Critical Debates** C. Oliver O'Donnell, 2019-10-14 Described in the New York Times as the greatest art historian America ever produced Meyer Schapiro was both a close friend to many of the famous artists of his generation and a scholar who engaged in public debate with some of the major intellectuals of his time This volume synthesizes his prolific career for the first time demonstrating how Schapiro worked from the nexus of artistic and intellectual practice to confront some of the twentieth century's most abiding questions Schapiro was renowned for pioneering interdisciplinary approaches to interpreting visual art His lengthy formal analyses in the 1920s Marxist interpretations in the 1930s psychoanalytic critiques in the 1950s and 1960s and semiotic explorations in the 1970s all helped open new avenues for inquiry Based on archival research C Oliver O'Donnell's study is structured chronologically around eight defining debates in which Schapiro participated including his dispute with Isaiah Berlin over the life and writing of Bernard Berenson Schapiro's critique of Martin Heidegger's ekphrastic commentary on Van Gogh and his confrontation with Claude Lévi-Strauss over the applicability of mathematics to the interpretation of visual art O'Donnell's thoughtful analysis of these intellectual exchanges not only traces Schapiro's philosophical evolution but also relates them to the development of art history as a discipline to central tensions of artistic modernism and to modern intellectual history as a whole Comprehensive and thought provoking this study of Schapiro's career pieces together the separate strands of his work into one cohesive picture In doing so it reveals Schapiro's substantial impact on the field of art history and on twentieth century modernism LIFE, 1970-12-18 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use **The Postmodern Moment** Stanley Trachtenberg, 1985-12-23 This collection of original essays provides an intellectual social and historical background for the postmodern movement in the literary visual and performing arts in America today Both creative expression and critical thought are examined in literature painting and sculpture dance music photography architecture theatre and film The author of each essay describes and analyzes the ways in which individuals become conscious of represent and ultimately assimilate changes in their respective art forms Included in each essay is a synthesis of critical issues as well as a discussion of representative figures and their works Also a broad bibliographic component supplements each essay including discussions of resource materials checklists and a comprehensive annotated bibliography In his introduction editor Stanley Trachtenberg provides an overview of postmodernism In addition the volume contains an appendix of related European and Latin American expressions and a chronology of historical and cultural events and individual achievements **Documentia** f-Stop

Fitzgerald,1987 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1972 **The Publishers Weekly** ,1971 **Minor White** Paul Martineau,2021-10-15 A beautifully illustrated tribute to one of the most influential photographers of the twentieth century Controversial misunderstood and sometimes overlooked Minor White 1908 1976 is one of the great photographers of the twentieth century whose ideas exerted a powerful influence on a generation of photographers and still resonate today His photographic career began in 1938 in Portland Oregon with assignments for the WPA Works Progress Administration After serving in World War II and studying art history at Columbia University White s focus shifted toward the metaphorical He began creating images charged with symbolism and a critical aspect called equivalency referring to the invisible spiritual energy present in a photograph made visible to the viewer This book brings together White s key biographical information his evolution as a photographer teacher of photography and editor of Aperture as well as particularly insightful quotations from his journals which he kept for more than forty years The result is an engaging narrative that weaves through the main threads of White s life his growth as an artist as well as his spiritual search and ongoing struggle with his own sexuality and self doubt He sought comfort in a variety of religious practices that influenced his continually metamorphosing artistic philosophy **Catalog of the Avery Memorial Architectural Library of Columbia University. 2d ed., enl** Avery Library,1968 **A Zone System for All Formats** Joseph Saltzer,1979 **Alternatives in Print** ,1977 *Library Catalog of the International Museum of Photography at George Eastman House* International Museum of Photography at George Eastman House,International Museum of Photography at George Eastman House.
