Mission And Memory A History Of The Catholic Church In Arkansas:

Mission and Memory James M. Woods, 1993-01-01 *Arkansas Biography* Nancy A. Williams, Jeannie M. Whayne, 2000-01-01 The information condensed into this single reference volume will be valuable to general readers of all ages libraries museums and scholars **BOOK JACKET** **Anti-Catholicism in Arkansas** Kenneth C. Barnes, 2016-11-01 Winner 2017 Ragsdale Award A timely study that puts current issues religious intolerance immigration the separation of church and state race relations and politics in historical context The masthead of the *Liberator* an anti Catholic newspaper published in Magnolia Arkansas displayed from 1912 to 1915 an image of the Whore of Babylon She was an immoral woman sitting on a seven headed beast holding a golden cup full of her abominations and intended to represent the Catholic Church Propaganda of this type was common during a nationwide surge in antipathy to Catholicism in the early twentieth century This hostility was especially intense in largely Protestant Arkansas where for example a 1915 law required the inspection of convents to ensure that priests could not keep nuns as sexual slaves Later in the decade anti Catholic prejudice attached itself to the campaign against liquor and when the United States went to war in 1917 suspicion arose against German speakers most of whom in Arkansas were Roman Catholics In the 1920s the Ku Klux Klan portrayed Catholics as inauthentic Americans and claimed that the Roman church was trying to take over the country s public schools institutions and the government itself In 1928 a Methodist senator from Arkansas Joe T Robinson was chosen as the running mate to balance the ticket in the presidential campaign of Al Smith a Catholic which brought further attention Although public expressions of anti Catholicism eventually lessened prejudice was once again visible with the 1960 presidential campaign won by John F Kennedy **Anti Catholicism in Arkansas** illustrates how the dominant Protestant majority portrayed Catholics as a feared or despised other a phenomenon that was particularly strong in Arkansas *Arkansas in Modern America, 1930-1999* Ben F. Johnson, III, 2014-04-22 This elegantly written narrative traces Arkansas s evolution from a primarily rural society in the early 1900s to its expanding manufacturing economy and its growing prosperity and parity with the rest of the nation Ben Johnson explores the influence of federal state relations beginning with the New Deal programs of President Franklin Roosevelt and continuing through the administrations of native son Bill Clinton With particular sensitivity he examines organized labor in the timber industry and in row crop agriculture school desegregation white flight and the private academy movement in the delta region the growth of Wal Mart and the poultry industry in the northwest section of the state and the expansion of outdoor recreation and tourism as lakes were constructed and game populations rejuvenated This book is particularly impressive for the breadth of its scope Johnson offers detailed information on women music and literature organized religion environmental trends and other important cultural influences Third in the popular *Histories of Arkansas* series *Arkansas in Modern America* extends the narrative into the contemporary era with a format aimed at students and general readers This important book will set the standard for years to come for analysis and interpretation of Arkansas s place in the twentieth

century *Racial Cleansing in Arkansas, 1883-1924* Guy Lancaster, 2014-07-30 Even before the end of Reconstruction in Arkansas the state already possessed a long standing reputation for violence including lynchings duels and feuds However the years following Reconstruction witnessed the creation of new forms of mob violence All across the state gangs of whites sought to drive African Americans from their homes their jobs and their positions of authority creating communities shamelessly advertised as 100% white This happened not only in the highland regions the Ozarks and the Ouachitas where the expulsion of African Americans created so called sundown towns but it also occurred in the low lying Delta lands of eastern Arkansas where cotton was king and where masked mobs of landless whitecappers and nightriders regularly dealt terror and murder to black sharecroppers *Racial Cleansing in Arkansas 1883 1924 Politics Land Labor and Criminality* by Guy Lancaster is the first book to examine the phenomenon of racial cleansing within the context of one particular state illustrating how violence relates to geography and economic development Lancaster analyzes the wholesale expulsion of African Americans and the emergence of sundown towns together with a survey of more limited deportations including those with blatant political goals as well as vigilante violence The book has broader implications not only for the study of Southern and American history but also for a deeper understanding of ethnic and racial conflict local politics and labor history **A Cry for Justice** Gary B. Agee, 2011-12-01 Daniel A Rudd born a slave in Bardstown Kentucky grew up to achieve much in the years following the Civil War His Catholic faith passion for activism and talent for writing led him to increasingly influential positions in many places One of his important early accomplishments was the publication of the *American Catholic Tribune* which Rudd referred to as the only Catholic journal owned and published by colored men At its zenith the *Tribune* run out of Detroit and Cincinnati where Rudd lived had ten thousand subscribers making it one of the most successful black newspapers in the country Rudd was also active in the leadership of the Afro American Press Association and he was a founding member of the Catholic Press Association By 1889 Rudd was one of the nation s best known black Catholics His work was endorsed by a number of high ranking church officials in Europe as well as in the United States and he was one of the founders of the Lay Catholic Congress movement Later his travels took him to Bolivar County Mississippi and eventually on to Forrest City Arkansas where he worked for the well known black farmer and businessperson Scott Bond and eventually co wrote Bond s biography *Who Killed John Clayton?* Kenneth C. Barnes, 1998 A narrative history of vote rigging and lynching the murder of a congressional candidate and other crimes committed by white Democrats in Arkansas at the end of the last century **Statesmen, Scoundrels, and Eccentrics** Tom Dillard, Roy Reed, 2010-04-01 From Native Americans explorers and early settlers to entertainers business people politicians lawyers artists and many others the well known and not so well known Arkansans featured in *Statesmen Scoundrels and Eccentrics* have fascinating stories To name a few there s the Hanging Judge Isaac C Parker of Fort Smith and Hattie Caraway the first elected female U S senator Isaac T Gillam a slave who became a prominent politician in post Civil War Little Rock is included as is Norman McLeod an eccentric Hot

Springs photographer and owner of the city's first large tourist trap These entertaining short biographies from Dillard's Remembering Arkansas column will be enjoyed by all kinds of readers young and old alike All the original columns reprinted here have also been enhanced with Dillard's own recommended reading lists Statesmen will serve as an introduction or reintroduction to the state's wonderfully complex heritage full of rhythm and discord peopled by generations of hardworking men and women who have contributed much to the region and nation

History of North American Benedictine Women Laura Swan, 2001 A much needed research and reference bibliography for all who are interested in the history of Benedictine Women in North America Those interested in Benedictine spirituality liturgy and prayer will find useful resources here as well *Encyclopedia of Religious Controversies in the United States* Bill J. Leonard, Jill Y.

Crainshaw, 2012-12-05 This book provides a thorough introduction to historical and contemporary issues in American religion tackling controversial hot button topics such as abortion Intelligent Design and Scientology Surveying key aspects of the controversial issues persons and religious groups of today *Encyclopedia of Religious Controversies in the United States* Second Edition is a thorough update and expansion of the first edition of this book This two volume work contains many new entries that reflect current 21st century religious controversies Written by a variety of scholars with varying specializations the content covers major people ideas terms institutions groups books and events The A Z format allows for easy location of materials a chronology of developments and events enables readers to trace the development of contentious topics over time and a section of primary document excerpts gives readers further perspective on the issues *Desegregating Dixie* Mark Newman, 2018-10-04 Winner of the 2020 American Studies Network Book Prize from the European Association for American Studies Mark Newman draws on a vast range of archives and many interviews to uncover for the first time the complex response of African American and white Catholics across the South to desegregation In the late nineteenth and first half of the twentieth century the southern Catholic Church contributed to segregation by confining African Americans to the back of white churches and to black only schools and churches However in the twentieth century papal adoption and dissemination of the doctrine of the Mystical Body of Christ pressure from some black and white Catholics and secular change brought by the civil rights movement increasingly led the Church to address racial discrimination both inside and outside its walls Far from monolithic white Catholics in the South split between a moderate segregationist majority and minorities of hard line segregationists and progressive racial egalitarians While some bishops felt no discomfort with segregation prelates appointed from the late 1940s onward tended to be more supportive of religious and secular change Some bishops in the peripheral South began desegregation before or in anticipation of secular change while elsewhere especially in the Deep South they often tied changes in the Catholic churches to secular desegregation African American Catholics were diverse and more active in the civil rights movement than has often been assumed While some black Catholics challenged racism in the Church many were conflicted about the manner of Catholic desegregation generally imposed by closing valued black institutions

Tracing its impact through the early 1990s Newman reveals how desegregation shook congregations but seldom brought about genuine integration

Vale of Tears Edward J. Blum, W. Scott Poole, 2005 *Vale of Tears* New Essays in Religion and Reconstruction offers a window into the exciting work being done by historians social scientists and scholars of religious studies on the epoch of Reconstruction A time of both peril and promise Reconstruction in America became a cauldron of transformation and change This collection argues that religion provided the idiom and symbol as often the very substance of those changes The authors of this collection examine how African Americans and white Southerners New England Abolitionists and former Confederate soldiers Catholics and Protestants on both sides of the Mason Dixon line brought their sense of the sacred into collaboration and conflict Together these essays mark an important new departure in a still contested period of American history Interdisciplinary in scope and content it promises to challenge many of the traditional parameters of Reconstruction historiography The range of contributors to the project including Gaines Foster and Paul Harvey will draw a great deal of attention from Southern historians literary scholars and scholars of American religion

A History of the Catholic Church in the American South James M. Woods, 2011 No Christian denomination has had a longer or more varied existence in the American South than the Catholic Church The Spanish missions established in Florida and Texas promoted Catholicism Catholicism was the dominant religion among the French who settled in Louisiana Prior to the influx of Irish immigrants in the 1840s most American Catholics lived south of the Mason Dixon line Anti Catholic prejudice was never as strong in the South as in the North or Midwest and was rare in the region before the twentieth century James Woods s sweeping history stretches from the first European settlement of the continent through the end of the Spanish American War The book is divided into three distinct sections the colonial era the early Republic through the annexation of Texas in 1845 and the stormy latter half of the nineteenth century

No Depression in Heaven Alison Collis Greene, 2016 A study of the inability of the churches to deal with the crisis of the Great Depression and the shift from church based aid to a federal welfare state

After Redemption John M. Giggie, 2007-11-21 Challenging the traditional interpretation that the years between Reconstruction and World War I were a period when Blacks made only marginal advances in religion politics and social life John Giggie contends that these years marked a critical turning point in the religious history of Southern Blacks

Encyclopedia of Religion in the South Samuel S. Hill, Charles H. Lippy, Charles Reagan Wilson, 2005 The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South Religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic Since the original publication of the ERS however the South has changed significantly in that Christianity is no longer the primary religion observed Other religions like Judaism Buddhism and Hinduism have begun to have very important voices in Southern life This one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones After more than 20 years the only reference book in the field of the Religion in the South has

been totally revised and updated Each article has been updated and bibliography has been expanded The ERS has also been expanded to include more than sixty new articles on Religion in the South New articles have been added on such topics as Elvis Presley Appalachian Music Buddhism Bill Clinton Jerry Falwell Fannie Lou Hamer Zora Neale Hurston Stonewall Jackson Popular Religion Pat Robertson the PTL Sports and Religion in the South theme parks and much more This is an indispensable resource for anyone interested in the South religion or cultural history **The Arkansas Historical Quarterly** ,1997 List of charter members v 1 p 8 Race and Ethnicity in America Russell M. Lawson, Benjamin A. Lawson, 2019-10-11 Divided into four volumes Race and Ethnicity in America provides a complete overview of the history of racial and ethnic relations in America from pre contact to the present The five hundred years since Europeans made contact with the indigenous peoples of America have been dominated by racial and ethnic tensions During the colonial period from 1500 to 1776 slavery and servitude of whites blacks and Indians formed the foundation for race and ethnic relations After the American Revolution slavery labor inequalities and immigration led to racial and ethnic tensions after the Civil War labor inequalities immigration and the fight for civil rights dominated America s racial and ethnic experience From the 1960s to the present the unfulfilled promise of civil rights for all ethnic and racial groups in America has been the most important sociopolitical issue in America Race and Ethnicity in America tells this story of the fight for equality in America The first volume spans pre contact to the American Revolution the second the American Revolution to the Civil War the third Reconstruction to the Civil Rights Movement and the fourth the Civil Rights Movement to the present All volumes explore the culture society labor war and politics and cultural expressions of racial and ethnic groups **Catholic Southwest** ,1999
