Practice Test A - Correct Answer-

A patient care technician is making an open bed for a patient. Which of the following actions should the technician take? - Correct Answer-Fanfold the top linens at the foot of the bed (exp. this allows for easy access to the bed without the technician or patient needing to pull back the linens)

A patient care technician is observing a patient who is ambulating using a walker. Which of the following actions by the patient demonstrates correct technique? - Correct Answer-The patient advances the walker 24.4-45.7 cm (10 to 18 in) in front of their legs (exp. patients should step into the perimeter of the walker and advance it 10-18 inches)

A patient care technician should identify that which of the following is the minimum preferred volume of urine for a routine urinalysis? - Correct Answer-30 mL (exp. Although lab technicians prefer 50 mL for performing a routine urinalysis, 30 mL is the minimum preferred amount for a urinalysis)

A patient care technician is assigned to perform hourly, point-of-care glucose testing for a patient who has diabetes mellitus. Which of the following actions should the technician take? - Correct Answer-Use the facility's glucometer to perform the glucose tests on the patient (exp. The facility's glucometer is tested more frequently for accuracy)

A patient care technician is assisting a nurse to apply a hand-wrist immobility splint for a patient who has left-sided paralysis due to a stroke. The technician should identify that the splint will secure the patient's hand in which of the following positions? - Correct Answer-Wrist slight dorsiflexion (exp. A hand wrist splint helps with proper positioning and alignment by keeping the wrist in slight dorsiflexion and keeping the thumb slightly abducted in opposition to the fingers)

A patient care technician recently attended a seminar about hospice care. Which of the following statement's by the technician indicates an understanding of hospice care? - Correct Answer-"The cost of hospice care is reimbursed by Medicare or Medicaid." (exp. the goal of hospice care is not curative in nature. Its aim is to relieve pain and control symptoms of the disease)

A patient care technician is teaching a patient about HIPAA regulations. Which of the following client statements indicates an understanding of teaching? - Correct Answer-"My provider is required to report if I receive a diagnosis of tuberculosis" (exp. HIPAA regulations require providers to report instances of communicable diseases, including tuberculosis, to prevent an outbreak in the community)

NCTRC Exam Practice Questions Exam Secrets Test Prep Staff Nctrc,2018-04-12 NCTRC Exam Practice Questions are the simplest way to prepare for the NCTRC test Practice is an essential part of preparing for a test and improving a test taker s chance of success The best way to practice taking a test is by going through lots of practice test questions If someone has never taken a practice test then they are unprepared for the types of questions and answer choices that they will encounter on the official test There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices Another advantage of taking practice tests is that you can assess your performance and see if you need to

study and practice more or if you're already prepared enough to achieve success on your test day. If you do well on the practice test, then you know you're prepared. If you struggle on the practice test, then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our NCTRC Exam Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test, and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success, and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed and more importantly, why you missed them, to be able to avoid making the same mistakes again when you take the real test. That's why our NCTRC Exam Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
