### **A Flock of Feathered Stars**

Carolyn Cullinan McCormick, 2013-02-01 I have always been so amazed by feathered star quilts especially the quilts that were made in the 1800s. A quilter from the 1800s did not have the tools of today. They made those fabulous quilts using a template made of whatever was available along with their fabric, needle, thread and scissors. My dear friend Diane Donnelly and I share a passion for old quilts. In 2009 she gave me a book called *Quilts: Their Story and How to Make Them* written by Marie D Webster in 1915. Seeing how excited I was with that book she gave me another later that year called *Romance of the Patchwork Quilt in America* written by Carrie A Hall and Rose G Kretsinger in 1935. It was all the inspiration I needed to write a book on how to paper piece feathered stars. It is the only way to make a feathered star quilt right. Some of the designs in the books used pieces that finished at 1" or less and I have to admit some of them were quite a challenge to draw. I wanted to get as many designs as possible into one quilt along with a border block. I had to have a border block that I had seen on one of the quilts without making the book so big you couldn't lift it. I hope you like the selection of feathered star blocks I have chosen to include. Some of the blocks you may have seen before but others are designs that I think will be a pleasant surprise.
